**R. Nalini**

## **Global Perspectives Of Occupational Social Work:**

**Global Perspectives of Occupational Social Work** R. Paul Maiden, 2001 This fascinating book presents a broad international survey of the development and current practices of occupational social work as practiced in seven countries around the world It explains how professionals like you handle the same problems you face every day *Global Perspectives of Occupational Social Work* discusses ways to deal with the shift toward privatization corporate restructuring and downsizing developing alcohol and substance abuse interventions and creating employee assistance programs *Global Perspectives of Occupational Social Work* Paul Maiden, 2013-04-03 Explore the history and practice of social work around the world This fascinating book presents a broad international survey of the development and current practices of occupational social work Covering seven countries around the world *Global Perspectives of Occupational Social Work* offers a unique cross cultural perspective on issues of interest to social workers everywhere From India to Ireland issues of training sexual harassment and workplace health and safety are remarkably similar and intriguingly varied *Global Perspectives of Occupational Social Work* describes the evolution of social work in factories and later in offices When industrialization brought women into factories owners hired nurses or governesses to guard chaperone and advise the young women in their employ Since then occupational social work has sought to keep a balance between the interests of management and workers In addition to discussing history and professional development *Global Perspectives of Occupational Social Work* reveals the way professionals like you handle the same situations you face every day including the shift toward privatization corporate restructuring and downsizing developing alcohol and substance abuse interventions creating employee assistance programs racism and sexism in the workplace HIV AIDS and other health problems workplace violence Covering Australia India Germany Ireland South Africa Israel and the US *Global Perspectives of Occupational Social Work* is a major contribution to the professional literature Not only will this book increase international awareness it may supply you with unique perspectives and fresh strategies for solving the problems your colleagues in Jerusalem and Pretoria also face

**Environmental Change and Sustainable Social Development** Sven Hessel, 2016-05-06 How does climate change affect social work and social development What actions are needed to integrate the three pillars of economic development environmental development and social protection With global warming and the increase in natural disasters due to the emission of greenhouse gases an alternative approach to the natural environment is vital The main focus of this volume is to emphasize the person in environment concept and to find measures for its implementation For social work the environment has traditionally been viewed as a world of human relationships as opposed to the interaction between man and environment This informative and incisively written edited collection brings together experts from around the world to analyze the person in environment concept and to find measures for its implementation Through the presentation of theoretical and practical platforms for environmental social work or green social work we hope to bring about a new paradigmatic shift in our attitude

to the concept of person in environment      The Transformation of Social Work Education through Virtual Learning R. Paul Maiden, 2019-09-12 Over the past few years numerous highly ranked Tier 1 universities across the United States have embraced the development of advanced online degrees a niche of secondary education long held by a small group of private for profit universities Rapid advances in online learning technology increasingly sophisticated and easy to use learning management systems and anytime anywhere access has dramatically increase the demand of individuals mostly full time employed working professionals This volume addresses the dramatic changes that are occurring in social work pedagogy as more schools develop online programs The University of Southern California Suzanne Dworak Peck School of Social Work launched their Virtual Academic Center with a cohort of 80 online students The program has now reached a steady state of 2 200 virtual students now representing two thirds of their MSW student population Additionally the school launched a doctorate of social work degree with a focus on leading and managing innovation leading public discourse and management of large complex systems This book essentially tells the USC story with the challenges faced in embracing this new technology teaching social work courses in an online environment as well as pedagogical enhancements made by faculty in converting traditional campus based courses to the virtual environment      **The Integration of Employee Assistance, Work/Life, and Wellness Services** Mark Attridge, Patricia A. Herlihy, R. Paul Maiden, 2006-02 This book presents a comprehensive cross section of experienced professionals who discuss their efforts to fully integrate employee assistance work life and wellness services      **Workplace Disaster Preparedness, Response, and Management** R. Paul Maiden, Rich Paul, Christina Thompson, 2013-05-13 Respond quickly and effectively to workplace trauma For years employee assistance programs have been providing critical incidence stress management services to employees who have been involved in or witness to workplace fatalities and accidents that are likely to traumatize workers and affect quality of work and increase sick leave and health claims Workplace Disaster Preparedness Response and Management presents successful strategies for rapid response to episodes of workplace violence natural disasters and acts of terrorism that have become all too common occurrences in the workplace Workplace Disaster Preparedness Response and Management is a must read for professionals in the business of providing crisis response services and for employers responsible for planning and coordinating organizational responses to disasters This unique book presents first hand accounts from EAP program managers Critical Incident Stress Management CISM professionals and crisis managers on their trauma response techniques and from health professionals involved in the aftermath of Hurricane Katrina and the Sept 11 attacks on the World Trade Centers and the Pentagon Workplace Disaster Preparedness Response and Management examines similar and dissimilar experiences of EAP professionals in responding to large scale traumatic events using military models in trauma response managing trauma in the South African mining industry trauma response techniques in high risk work settings compassion fatigue among professional helpers how various types of industries handle critical incidents EAP responses to natural

disasters repetitive violence in the workplace organizational crisis intervention and much more Workplace Disaster Preparedness Response and Management also includes Bern Beidel's first person account as EAP Director for the United States House of Representatives of the response to anthrax contamination in mailrooms and office buildings in the nation's capital
