Global Leadership The Next Generation:

Global Leadership Marshall Goldsmith, Cathy Greenberg, Alastair Robertson, Maya Hu-Chan, 2003-04-28 The follow up to Marshall Goldsmith's 500 000 copy bestseller *The Leader of the Future* *Global Leadership The Next Generation* systematically identifies what tomorrow's leaders will need to know do and believe in order to successfully lead the global enterprise of the future Drawing on the results of an extraordinary 2 year Accenture study of emerging business leaders this book shows why the skills of today's global leaders won't be enough and why tomorrow's leaders won't resemble today's Goldsmith and his co authors first identify five new factors of leadership and their implications global thinking appreciation of diversity technological savvy a willingness to partner and an openness to sharing leadership They explain what it will mean to lead in an era where intellectual capital is the dominant source of value how to lead people whose backgrounds and values may be radically dissimilar from yours and why achieving personal self mastery is now a fundamental prerequisite for leading others From the evolution of federated semi autonomous organizational structures to the personal leadership challenges now arising from globalism this book offers unprecedented insights into the new challenges of leadership and what it will take to meet them **Global Leadership**, 2003 **Global Explorers** J. Stewart Black, Allen J. Morrison, Hal B.

Gregersen, 2013-10-18 In this age of globalization challenges from economic uncertainty to emerging markets there are no mapped out answers for the international manager *Global Explorers* guides the global manager from the periphery to the center stage of international business leadership In a 1997 survey of Fortune 500 firms conducted by authors J Stewart Black Allen J Morrison and Hal B Gregersen virtually all companies indicated there was a severe shortage of global leaders The demand for competent global leaders far outstrips the supply *Global Explorers* provides the skills and outlines the competencies future global managers need to fill the leadership gap Using extensive research real life examples and 130 in depth interviews with senior executives representing 50 global companies including IBM Disney Exxon and Sony *Global Explorers* suggests the reasons for the global leadership shortage and identifies the necessary skills to compete in the international marketplace For managers who want to safeguard their corporate future in these changing times *Global Explorers* will help them develop a personal program for developing and balancing the skills they need to become successful global leaders **Global Leadership** Mark E. Mendenhall, Joyce S. Osland, Allan Bird, Gary R. Oddou, Michael J.

Stevens, Martha L. Maznevski, Günter K. Stahl, 2025-10-29 This text offers a comprehensive up to date view of the global leadership field since the publication of the third edition of this volume in 2018 Focusing on leading across cultural economic social national and political boundaries simultaneously *Global Leadership Research Practice and Development* fourth edition presents an in depth summary of the field's past and latest studies and practices in a succinct and engaging style that helps both managers and students grasp the complexities of global leadership The conceptual flow of the book follows the same pattern as the third edition Users of previous editions will notice that the structure of the last edition has been retained but

each chapter has been updated where relevant with coverage of seminal research that has occurred in the field since the publication of the last edition of the book Many of the tables remain but have been revised and updated to reflect the current state of research in the field We believe this approach will be helpful to instructors who use Global Leadership Research Practice and Development as a textbook as they will not have to significantly revise their lesson plans but rather can straightforwardly update them with new information from the existing chapters within their course designs Importantly Global Leadership Research Practice and Development is also a valuable guide for executives and managers who work in the global context graduate students of global leadership international business and general leadership classes as well as for scholars and managers seeking a thorough understanding of the current research literature PowerPoint slides and a list of suggested cases are available to further assist instructors
