*Free As a Global Nomad* Santeri Kannisto, Paivi Kannisto, 2012-11-23

*Free as a Global Nomad: An Old Tradition with a Modern Twist*. How does it feel to be forever on the move? Who are global nomads? Why did they leave their former lives? How do they finance their travels? And ultimately what is the meaning of life for them? In this book our fellow global nomads, travelers who wander the world without a permanent job or home, answer these intriguing questions. They are modern day adventurers and vagrants, no one's property. Global nomads value freedom and mastery of their own lives. Their ideas draw from the everyday life and dreams of explorers, philosophers and vagrants, some notable pioneers including Alexander the Great, Jean Jacques Rousseau and George Orwell. This book shows how global nomads revive the ancient ideals of a simple and beautiful life. In the process, home, nationality, freedom and travel get a new meaning that will permanently change the way in which we perceive the world. When Paivi Santeri met they decided to quit their jobs and devote their time to each other and travelling. This was the beginning of a new life as global
