## **Global Sociology:**

**Global Sociology, Third Edition** Robin Cohen, Paul Kennedy, 2013-03 The third edition explores global issues at the heart of sociological discussion with an updated focus on globalism social media migration and more The first pioneering editions of Global Sociology put global issues at the heart of sociological discussion Much has changed in the world since then recessions revolutions social media and new migration networks have developed as causes and symptoms of an increasingly global society This new edition is fully updated to explore just how these global issues can help us to understand sociology in our world today Making clear connections between everyday experiences and global processes at each step the third edition carefully guides readers through essential and cutting edge topics in the discipline from family and feminism to environment and economy Features such as biography boxes on key thinkers in the field a thorough glossary and review questions introduce and reinforce the book's core ideas With clear writing and infectious enthusiasm for its topic Global Sociology remains the authority on global issues in sociology for students at a variety of skill levels      Global Sociology Robin Cohen, Paul Kennedy, 2007-08 An updated edition that explores how global issues at the heart of sociological discussion The second edition of this pioneering text Global Sociology offers an innovative approach to sociology that takes the global dimensions of the contemporary world as its overarching framework Fully revised and updated with a new Introduction and three new chapters Global Sociology is written in a fresh and relevant style for undergraduate readers whether they have studied sociology before or are approaching the subject for the first time Carefully balancing contemporary sociological theory and concepts with arguments and concrete examples drawn from around the globe Global Sociology highlights the scope and the importance of sociology for understanding the complex and ever changing world around us This new edition reflects current world events and debates in the discipline importantly covering the aftermath of September 11 the new terrorist threat and the impact of globalization      Global Sociology and the Struggles for a Better World Markus S. Schulz, 2019-03-11 The contemporary world has reached a pivotal moment of escalating injustices and apocalyptic risks but also of unprecedented opportunities Mounting pressures of social and ecological problems are met by a confluence of intellectual trends that allow the questioning of entrenched assumptions and the unleashing of a forward oriented sociological imagination In Global Sociology and the Struggles for a Better World a diverse collection of international experts explore contemporary trends alternative visions and new directions for sociological research raising issues that reflect the complexity of challenges facing future projects on a shared planet Topics include Global Inequality Multipolar Globalization Climate Change Contentious Politics and Social Movements Feminist and Indigenous Perspectives in Latin America An African centred approach to Knowledge Production Post Islamist Democracy Based on the revised papers of the Opening and Closing Plenaries of the Third ISA Forum of Sociology in Vienna Austria July 2016 which Markus Schulz organized on the theme The Futures We Want Global Sociology and the Struggles for a Better World      Frontiers of Global Sociology Markus

S. Schulz, 2018      **Global Sociology** Robin Cohen, Paul Kennedy, 2017-09-09 A core introduction to Sociology that puts global issues at the heart of its discussion From recessions and revolutions to social media and migration this third edition is fully updated to explore just how these issues can help us to understand the role of Sociology in our world today With clear writing and infectious enthusiasm for its topic it evaluates the connections between everyday experiences and larger processes Combining discussion of global challenges with an emphasis on critical thinking this lively text offers an engaging introduction ideally suited for first year Sociology modules In addition it can be used as a standalone text on more specialised modules on Globalisation or as complimentary reading on courses dealing with issues such as Work Class and Gender Race Crime or Leisure from a global perspective New to this Edition Incorporates coverage of the global financial crisis the environment family and intimacy and technology An improved companion website with resources for students at more advanced stages and for instructors Updated further guidelines for primary sources and additional reading      Global Sociology: Introducing Five Contemporary Societies Linda Schneider, Arnold Silverman, 2012-01-05 An effective supplement to any standard sociology text this broad and comprehensive sociological description of five diverse contemporary societies with wide geographic distribution Japan Mexico Egypt Germany and the San peoples of Namibia is organized around basic sociological topics culture social structure group life socialization deviance social institutions social stratification and social change Fictional vignettes of individuals in each country help students experience first person viewpoints on life in five very different societies By comparing other societies with their own students read about the range of social variation learn what makes their own society distinctive and gain a unique and fascinating vantage point on what sociology offers in a world of rapid social change      Global Sociology Robin Cohen, 2000      **Global Sociology** Robin Cohen, Paul Kennedy, 2000-07-01 Offering an innovative new approach to sociology that takes the global dimensions of the contemporary world as its overarching framework Global Sociology is written in a style that is relevant and fresh for the undergraduate reader whether they have studied sociology before or approaching the subject for the first time Carefully balancing contemporary sociological theory and concepts with arguments and concrete examples drawn from around the globe Global Sociology highlights the scope and the importance of sociology for understanding the complex and fast changing world in which we live In twenty chapters the authors consider an immensely rich and diverse range of material from the emergence of global society and debates surrounding its social political and economic structure to topics such as migration tourism crime drugs famine mass media feminism and the environmental movement The text includes an extensive glossary boxed case studies suggestions for classroom projects and seminar activities and numerous graphs and illustrations Accessibly written and jargon free Global Sociology is the ideal introduction to the topic for students      **Theory of the Global State** Martin Shaw, 2000-11-30 This book first published in 2000 analyses global change which critiques modern social thought and global theory examining global democratic revolution      *Global Studies* Tuo Cai, Zhenye Liu, 2020-06-07 Since the 1950s

globalization has been an increasingly irresistible trend and one that has exerted a tremendous impact on the political economic military environmental and social fortunes of mankind and yet the existing theories in humanities and social sciences have been fundamentally built upon the traditional nation state model These two volumes a pioneering work on global studies to be published out of China aims at creating a new theoretical framework against the backdrop of globalization This volume introduces core concepts and critical issues deploying globalization as a theoretical framework and redefining the interrelationship between politics economics law and globality The two volumes are an essential reference for scholars and students in politics economics international relations and law *Global Sociology* Linda Schneider,2005

The Sage Handbook of Global Sociology Gurminder K. Bhambra,Lucy Mayblin,Kathryn Medien,Mara Viveros-Vigoya,2023-11-29 The SAGE Handbook of Global Sociology addresses the social its various expressions globally and the ways in which such understandings enable us to understand and account for global structures and processes It demonstrates the vitality of thought from around the world by connecting theories and traditions including reflections on European colonization to build shared rather than universal understandings Across 36 chapters the Handbook offers a series of perspectives and cases from different locations enabling the reader better to understand the particularities of specific contexts and how they are connected to global movements and structures By moving beyond standard accounts of sociology and social theory this Handbook offers both valuable insight into and scholarly contribution to the field of global sociology Part 1 Politics Part 2 Labour Part 3 Kinship Part 4 Belief Part 5 Technology Part 6 Ecology **An Introduction to Global Studies** Tuo Cai,Zhenye Liu,2022-07-30 Since the 1950s globalization has been an increasingly irresistible trend and one that has exerted a tremendous impact on the political economic military environmental and social fortunes of mankind and yet existing theories in humanities and social sciences have been fundamentally built upon the traditional nation state model These two volumes a pioneering work on global studies to be published out of China aims at creating a new theoretical framework against the backdrop of globalization Volume 1 introduces the core concepts and discusses the critical issues of globalization while the editors redefine notions of politics economics law and globality while deploying globalization as a theoretical framework Volume 2 examines the multi level and multi dimensional nature of globalization analysing processes and systems of global society in the light of globalization and exploring the construction of a stable and rational global order These two volumes of global studies are an essential reference for scholars and students in politics economics international relations and law *Globalization, Knowledge and Society* Martin Albrow,Elizabeth King,1990-08 Globalization Knowledge and Society addresses the issues involved in the development of sociology as a global discipline and the increasing interpenetration of national traditions cultures and economies through global change Classic issues of relativism and universalism are raised in a new context The related problems of tensions between national sociological traditions and the international discipline are explored Finally the book considers the transnational process of social change particularly as

exemplified in international actors such as the Green and peace movements This innovative volume drawing on papers from International Sociology addresses key questions for all those interested either in th Global Sociology Linda Schneider,2009 **De-Centering Global Sociology** Arthur Bueno,Mariana Teixeira,David Strecker,2022-09-01 This volume explores the challenges posed to sociological theory and social science research by a growing need to foreground perspectives stemming from and accounting for subaltern groups marginal categories the Global South and other politically peripheral regions De Centering Global Sociology radically questions some of the most enduring assumptions within sociological thought and social science research and illustrates the impacts of de centering critical concepts in public policy and education It proposes new places to build social theory beyond Europe and the United States offering debates on the present and future of the social sciences This peripheral turn also has impacts on the development of pedagogical practices curricula and educational research that are more inclusive and in a position to promote global citizenship This book will be a valuable resource for researchers and academics with an interest in global social theory decolonial and postcolonial studies political theory feminism critical race theory economic sociology inequality studies urban sociology and the sociology of work religion and education It will be of particular interest to those with a focus on citizenship social policy conviviality social integration and solidarity and new perspectives on multicultural education Global Knowledge Production in the Social Sciences Wiebke Keim,Ercüment Çelik,Veronika Wöhrer,2016-04-22 An innovative contribution to debates on the internationalization and globalization of the social sciences this book pays particular attention to their theoretical and epistemological reconfiguration in the light of postcolonial critiques and critiques of Eurocentrism Bringing together theoretical contributions and empirical case studies from around the world including India the Americas South Africa Australia and Europe it engages in debates concerning public sociology and explores South South research collaborations specific to the social sciences Contributions transcend established critiques of Eurocentrism to make space for the idea of global social sciences and truly transnational research Thematically arranged and both international and interdisciplinary in scope this volume reflects the different theoretical and thematic backgrounds of the contributing authors who enter into dialogue and debate with one another in the development of a more inclusive more representative and more theoretically relevant stage for the social sciences A rigorous critique of the contemporary state of the social sciences as well as an attempt to find another way of doing transnational sociology Global Knowledge Production in the Social Sciences will appeal to scholars of sociology political science and social theory with interests in the production of social scientific knowledge postcolonialism and transnationalism in research Sociology Global R Sooryamoorthy,2023-02-14 This book is about sociologies around the world Viewed from a global perspective this research based study examines the world of sociology and its global features and trends Sociology as a discipline has a history of two centuries which has varied between countries Its presence across the world is felt more than ever Over the years sociology has been established as a discipline and

contributed to the advancement of knowledge about society through scientific research This facilitated the development of knowledge in other areas and disciplines as well What sociology is doing globally the contributions it has made to the knowledge of society and social phenomena and the direction in which it is moving are of interest to both academics and the public Specifically the book deals with the trends in sociology the broad and general areas of fields subfields and research areas the prominent flourishing emerging and or declining areas of sociology the origin of sociological knowledge geographical regions and countries the characteristics of global sociology in terms of language research methodology disciplinary backgrounds interdisciplinarity and authorship the relationships between the country of affiliation of authors and research areas the effects of gender of the author and its interrelationships with the discipline department research areas and collaboration The book will be an important resource for students teachers practitioners researchers and the public

**Facing An Unequal World** Raquel Sosa Elizaga, 2018-02-26 Raquel Sosa El zaga has assembled an incredibly complete set of analyses of inequality written by a range of scholars about a wide range of issues Incomparable essential reading Immanuel Wallerstein Senior Research Scientist Sociology Yale University Over recent decades living conditions in poorer countries have deteriorated leaving us faced with the present phenomenon of global inequality Arguably the biggest challenge of the 21st Century is the confrontation and eventual elimination of the processes of structural inequality that affect these millions of human beings today Facing an Unequal World tackles and critically examines key issues and challenges for global sociology across these interrelated themes The dimensions of inequality and the configurations of structural inequalities and structures of power Conceptions of justice in different historical and cultural traditions Conflicts on environmental justice and sustainable futures The social injuries of inequality and overcoming inequalities Written by a selection of international key sociologists and academics this is a valuable resource for undergraduate and postgraduate students and researchers in sociology alike

**Social Transformation and the Global Economy** Ronaldo Munck, 2024-06-28 The overall context of this book is set by the decline of the globalization paradigm s ability to grasp the complexity and uncertainty of the current era It takes a new approach based on the frame of transformation viewed as a catalyst to understand the complex interconnected nature of the world around us from a concrete grounded perspective Labour or work is still what makes the world go round and Latin America offers a unique laboratory of social transformation since the pink tide of the 2000s The left it refers to is a new non dogmatic version that does not just recycle old debates but rather opens up new perspectives The book is at once global in its ambition while grounded in labour and Latin American realities Theoretically based and empirically robust it will enthuse the reader to pursue their own research on matters covered here Part I deals with several key debates around labour including the emergence of a precariat from a standpoint that foregrounds labour agency but also the view from the South that is the majority world Part II takes up various debates around contemporary Latin America from a cultural political economy perspective with an emphasis on the dynamics of

social transformation Part III explores the contributions from the broadly defined left towards an understanding of the current challenges faced by those seeking an alternative to the status quo in Latin America and beyond Providing a theoretically sophisticated yet readable text on key contemporary issues this fully interdisciplinary book will find a broad audience among researchers scholars and advanced students of labour Latin American and development studies economics sociology and politics
