refusing to be severely compromised **Beyond Christendom** Jehu Hanciles,2008 Hanciles does yeoman work in part one synthesizing studies on the impact of globalization revealing that its outcomes will likely not be determined by the Euro American heartlands that sparked this movement Instead in parts two he shows that migration in general is having an enormous effect on shaping a new world order and in part three Mobile Faith he advances the case for the migration of Christians as carrying within it the seeds of renewal for the whole church and also the potential to reshape church state and religion and culture relations globally *Ethics* Miguel A. De La Torre,2013-01-01 This survey text for religious ethics and theological ethics courses explores how ethical concepts defined as liberationist which initially was a Latin American Catholic phenomenon is presently manifest around the globe and within the United States across different racial ethnic and gender groups Authored by several contributors this book elucidates how the powerless and disenfranchised within marginalized communities employ their religious beliefs to articulate a liberationist liberative religious ethical perspective Students will thus comprehend the diversity existing within the liberative ethical discourse and know which scholars and texts to read and will encounter practical ways to further social justice The Donghak Concept of God/heaven Kiyul Chung,2007 Original Scholarly Monograph **Sex and Gender** Mary Jo Iozzio,Patricia Beattie Jung,2017-11-09 Sex and Gender Christian Ethical Reflections contains some of the subject s most important analyses in recent decades The collection covers a wide range of topics same sex marriage sexual minorities and biblical interpretation sex and power sexual harassment and sexual abuse HIV AIDS and prevention strategy the military and masculinities mobile porn and sexting human trafficking moral discernment and more Contributors represent various theological traditions and draw on scriptural texts as well as such disciplines as philosophy sociology psychology and the life sciences Each essay is followed by a set of discussion questions for the classroom or for students to use as an assignment outline and suggestions for further reading and research Teachers and students of Christian ethics will appreciate this multidisciplinary approach to one of the most divisive and controversial issues in contemporary culture **Interfaith Just Peacemaking** S. Thistlethwaite,2012-01-02 Interfaith Just Peacemaking is a collected work by 27 Jewish Muslim and Christian scholars and religious leaders on the ten practice norms of the peacemaking paradigm called Just Peace Just Peace theory like the paradigm it most resembles Just War theory is a list of specific practices that are applied to concrete contexts **Human Trafficking in Thailand** Siroj Sorajjakool,2013-10-15 Few subjects elicit greater moral outrage than human trafficking Media reports of dehumanizing practices such as slavery abduction child prostitution and torture along with shocking statistics form the basis of public knowledge Those who work closely with victims acknowledge the complexity of the issue and it is this complexity rather than loose statistics and conjecture that deserves our attention With sensitivity and candor this book addresses the reality of human trafficking in Thailand dissecting studies presenting facts and dismissing stereotypes It focuses on the areas of fishing agriculture domestic work sex work and the trafficking of children weaving individual narratives and official studies into the wider

history of Thailand's changing economy and labor situation. It also details how the Thai government has addressed the issue, reflects on the roots of human exploitation, and suggests a way forward. This book raises much needed awareness of commonly held misconceptions and clarifies what we know and what we have yet to discover about the trafficking of persons to and from Thailand. Highlights Concise and accessible study of the reality of human trafficking in Thailand. Thorough critical analysis of current policies and public discourse on trafficking. Details relevant Thai and international laws. Discusses the relationship between the modern economic system and exploitation. Analyzes the changing face of the Thai labor market and the impact of industrialization on the Thai population. Religion, Theology, and Class J. Rieger, 2015-12-11 This important collection of essays addresses the question of why scholars can no longer do without class in religious studies and theology and what we can learn from a renewed engagement with the topic. This volume discusses what new discourses regarding notions of gender, ethnicity, and race might add to developments on notions of class. **Reimagining with Christian Doctrines** Grace Ji-Sun Kim, J. Dagg, 2014-01-10 This collection demonstrates a constructive potential in reimagining with doctrines which unlocks them from centuries of patriarchal constraint. It opens the way for glimpsing divine action in the economy of salvation while human struggles for justice are placed within a wider arena when discrete theological resources are deployed in this way. **Discerning Ethics** Hak Joon Lee, Tim Dearborn, 2020-02-25 The number of ethical issues that demand a response from Christians today is almost dizzying. How can Christians navigate such matters? With an unflinching yet irenic approach, this volume invites engagement with the biggest ethical issues by drawing on real life experiences and offering a range of responses to some of the most challenging moral questions confronting the church today.
