Emma E. Cook

Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe:

Globalizing Japan Harumi Befu, Sylvie Guichard-Anguis, 2001 *Globalizing Japan* explores the social and cultural dimensions of Japan's global presence

German-East Asian Encounters and Entanglements Joanne Miyang Cho, 2020-12-29 This volume surveys transnational encounters and entanglements between Germany and East Asia since 1945 a period that has witnessed unprecedented global connections between the two regions It examines their sociopolitical and cultural connections through a variety of media Since 1945 cultural flow between Germany and East Asia has increasingly become bidirectional spurred by East Asian economies unprecedented growth In exploring their dynamic and evolving relations this volume emphasizes how they have negotiated their differences and have frequently cooperated toward common goals in meeting the challenges of the contemporary world Given their long standing historical differences their post 1945 relations reveal a surprisingly high degree of affinity in many areas To show how they have deeply shaped each other's views this volume presents 12 chapters by scholars from the fields of history sinology sociology literature music and film Topics include cultural topics such as German and Swiss writers on East Asia Enzensberg Muschg and Kreitz Japanese writer on Germany Tezuka and Tawada German commemorative culture in Korea Beethoven in China metal music in Germany and Japan diary films on Japan Wenders as well as sociopolitical topics such as Sino East German diplomacy Germans and Korean democracy and Japanese and Korean communities in Germany

Ozawa Ichirō and Japanese Politics Aurelia George Mulgan, 2014-11-27 Ozawa Ichir was the axis on which Japanese politics turned for more than two decades He helped to reshape the electoral system political funding rules the evolution of the party system the nature of executive government the roles and powers of bureaucrats and the conduct of parliamentary and policymaking processes Admired and reviled in almost equal measure Ozawa has been the most debated and yet least understood politician in Japan with little agreement to be found amongst the many who have debated his patent political assets and palpable political flaws This book examines the political goals behaviour methods and practices of Ozawa Ichir and in doing so provides fascinating insights into the inner workings of Japanese politics It explores Ozawa's paradoxical and conflicting contributions in terms of two contrasting models of old and new politics Indeed therein lies the problem of understanding the real Ozawa he remained a practitioner of old politics despite his rhetorical agenda of change to bring about new politics In seeking to unravel the Ozawa enigma Aurelia George Mulgan reveals his primary motivations to establish whether he sought power primarily to enact reforms or whether his reform goals simply disguised power seeking objectives This volume seeks to illuminate Ozawa's true character as a politician and untangle the complex elements of old and new politics that he represents Through an in depth study of Ozawa and his political activities this book shows how the Japanese political system works at the micro level of individual politicians political relationships and systems As such it will be of huge interest to students and scholars of Japanese politics Asian politics and political systems

Social Inequality in Japan Sawako Shirahase, 2014-01-10 Japan was the first Asian country to

become a mature industrial society and throughout the 1970s and the 1980s was viewed as an all middle class society. However, since the 1990s there have been growing doubts as to the real degree of social equality in Japan, particularly in the context of dramatic demographic shifts as the population ages whilst fertility levels continue to fall. This book compares Japan with America, Britain, Italy, France, Germany, Sweden, and Taiwan in order to determine whether inequality really is a social problem in Japan. With a focus on impact, demographic shifts, Sawako Shirahase examines female labour market participation, income inequality among households with children, the state of the family, generational change, single person households, and income distribution among the aged, and asks whether increasing inequality is uniquely Japanese or if it is a social problem common across all of the societies included in this study. Crucially, this book shows that Japan is distinctive not in terms of the degree of inequality in the society but rather in how acutely inequality is perceived. Further, the data shows that Japan differs from the other countries examined in terms of the gender gap in both the labour market and the family, and in inequality among single person households, single men and women, including lifelong bachelors and spinsters, and also among single parent households who pay a heavy price for having deviated from the expected pattern of life in Japan. Drawing on extensive empirical data, this book will be of great interest to students and scholars interested in Japanese culture and society, Japanese studies, and social policy more generally.

The Changing Japanese Political System Harumi Hori, 2006-03-20. Japan's political stability was shattered after the general election of July 1993 when the conservative Liberal Democratic Party's thirty-eight year domination ended in defeat. This book examines the impact the 1993 general election had on Japanese politics. Although the LDP regained the position of a ruling party within a year, Hori questions whether the Japanese political system has managed to maintain the same efficacy as it had prior to 1993. Using institutional analysis, Hori argues that this fundamental change caused major institutional transformations: a decline in the importance of LDP organisations in the decision making process of the government and the Diet, weakened management of the LDP through factions, and detached attitudes of LDP members to MOF bureaucrats. Hori analyzes three cases: one prior to and two after the 1993 election, illustrating just how ineffective the close cooperation between MOF bureaucrats, LDP executives, and faction leaders became.

Neighborhood Associations and Local Governance in Japan Robert J. Pekkanen, Yutaka Tsujinaka, Hidehiro Yamamoto, 2014-06-20. Although local neighborhood associations are found in many countries, Japan's are distinguished by their ubiquity, scope of activities, and very high participation rates, making them important for the study of society and politics. Most Japanese belong to one local neighborhood association or another, making them Japan's most numerous civil society organization and one that powerfully shapes governance outcomes in the country. And they also often blur the state-society boundary, making them theoretically intriguing. *Neighborhood Associations and Local Governance in Japan* draws on a unique and novel body of empirical data derived from the first national survey of neighborhood associations carried out in 2007 and provides a multifaceted empirical portrait of Japan's neighborhood associations. It examines how local associational

structures affect the quality of local governance and thus the quality of life for Japan's citizens and residents and illuminates the way in which these ambiguous associations can help us refine civil society theory and show how they contribute to governance. As well as outlining the key features of neighbourhood associations the book goes on to examine in detail the way in which neighbourhood associations contribute to governance in terms of social capital networks with other community organizations, social service provision, cooperation with local governments and political participation. This book will be welcomed by students and scholars of Japanese politics, Japanese society, anthropology, urban studies as well as those interested in social capital and civil society.

Cold War Frontiers in the Asia-Pacific Kimie Hara, 2006-12-13. After World War II many regional conflicts emerged in the Asia Pacific such as the divided Korean peninsula, the Cross Taiwan Strait, the Northern Territories, Southern Kuriles, Takeshima, Dokdo, Senkaku, Diaoyu and the Spratly, Nansha islands problems. These and other disputes such as the Okinawa problem in relation to the US military presence in the region all share an important common foundation in the post-war disposition of Japan, particularly the 1951 Peace Treaty Signed by forty-nine countries in San Francisco. This multilateral treaty significantly shaped the post-war international order in the region and with its associated security arrangements laid the foundation for the regional Cold War structure, the San Francisco System. This book examines the history and contemporary implications of the San Francisco System with particular focus on its frontier problems. Drawing on extensive archival research and in-depth analysis, Kimie Hara uncovers key links between the regional problems in the Asia Pacific and their underlying association with Japan and explores the clues for their future resolution within the multilateral context in which they originated. *Cold War Frontiers in the Asia-Pacific* will appeal to students and scholars interested in international relations of the Asia Pacific region, diplomatic history and Japanese diplomacy.

Japan's Postwar Michael Lucken, Anne Bayard-Sakai, Emmanuel Lozerand, 2013-03-01. Historical surveys of postwar Japan are usually established on the grounds that the era is already over, interpreting postwar to be the years directly proceeding World War II. However, the contributors to this book take a unique approach to the concept of the postwar epoch and treat it as a network of historical time frames from the modern period and connect these time capsules to the war to which they are inextricably linked. The book's strength is in its very interdisciplinary approach to examining postwar Japan and as such it includes chapters centred on subjects as diverse as politics, poetry, philosophy, economics and art which serve to fill the blanks in the collective cultural memory that historical narratives leave behind. Originally published in French, this new translation offers the English-speaking world important access to a major work on Japan which has been greatly enriched by the translator's great accuracy and knowledge of English, French and Japanese language, history and culture. *Japan's Postwar* will appeal to students and scholars of Japanese Studies and Modern Japanese History as well as historians studying the world after 1945.

Resolving the Russo-Japanese Territorial Dispute Brad Williams, 2007-06-11. The unresolved territorial dispute between Japan and Russia over the South Kuril Islands, Northern Territories, remains the largest obstacle to concluding a

peace treaty and fully normalising bilateral relations between the two nations This book traces the evolution of transnational relations between subnational public authorities in Hokkaido and Sakhalin examining the interrelationship between these ties and the Russo Japanese territorial dispute The book investigates why the development of Hokkaido Sakhalin relations has failed to create at the subnational level an environment conducive to resolving kankyo seibi the South Kuril Islands Northern Territories dispute Brad Williams suggests that kankyo seibi has not worked primarily because Russia's troubled transition to a liberal democratic market economy has manifested itself in ways that have ultimately increased the South Kuril Islands intrinsic and instrumental value for the Sakhalin public and regional elite This in turn has limited the impact from the twin transnational processes of cultural and economic exchange in alleviating opposition to the transferral of these disputed islands to Japan Drawing upon a wealth of primary and secondary sources from both countries this book utilises levels of analysis and an analytical framework that incorporates national and subnational as well as governmental and non governmental forces to discuss a relatively unexplored aspect of Russo Japanese relations As such Resolving the Russo Japanese Territorial Dispute will appeal to students and scholars of Asian politics international relations and post communist states

Japan's Modern History, 1857-1937 Junji Banno, 2014-08-13 Over the course of the period 1857 to 1937 in Japan six distinct stages can be identified as the country moved from Shogun rule and its subsequent overthrow from industrialisation and investment to the Meiji Constitution and then from Taisho democracy to Showa fascism In this book Junji Banno stresses the mutual relationships between each period and to this end renames them accordingly the age of reform age of revolution age of construction age of management age of reorganisation and age of crisis Following this model the book covers eighty years of history in Japan focusing on political history and foreign relations with extensive material also on economic development and foreign influences on political institutions and practices Based on extensive archival research Japan's Modern History considers synoptically the key trends and their significance over the period of 1857 to 1937 In turn it presents in detail fascinating information on many of the main leaders and other significant figures with extensive quotations from their writings letters and diaries This book is a translation into English of a major work of scholarship by a leading historian of modern Japan and may be considered the apex of Junji Banno's work in the field As such it will be of great interest to students and scholars of both Japanese history and history more broadly

Japan's Security Relations with China Since 1989 Reinhard Drifte, 2005-08-03 1 Japanese Chinese relations under Cold War conditions 2 The rise of

traditional and non traditional security concerns 3 Between power balancing and entanglement policies 4 The dynamics of engagement

Japan's International Fisheries Policy Roger D. Smith, 2014-09-19 Few nations rely upon the ocean as much as Japan for livelihood culture and transport The seas have long played a vital role for the Japanese helping to support the economic and social life of a nation that possesses few resources and little arable land and sustain a population that has nearly tripled in the last century Fish are a distinctive feature of the Japanese diet constituting nearly half of all animal

protein consumed the highest rate in the world The industry itself has provided an impetus for coastal community growth and national economic development over the past century while fisheries have worked their way into Japanese culture and customs serving as a dominant symbol in traditional arts and folklore This book explores the overarching rationale that motivated Japanese international fisheries policy throughout the post war period until today highlighting the importance of international fisheries to Japan and the stature this resource has occupied as a national interest It provides a comparative view of Japanese foreign policy at various ocean conferences treaty negotiations bilateral diplomatic initiatives and other maritime relations that constitute ocean policy over half a century and investigates the domestic constituents of national policy Roger Smith argues that the rationale for international fisheries policy may be best viewed as deriving from Japan s unique defence strategy for its national interests comprehensive security Encompassing non military elements and most importantly defence of economic interests Japan s international fisheries policy provides an interesting case study of how comprehensive security is conceptualised and carried out Taking a broad view of Japan s international fisheries policies from 1945 to the present this book highlights the key trends in policy motives and means throughout the post war period As such it will be of great interest to students and scholars of Japanese studies international and environmental law resource management and international relations as well as to policy makers working in the field

Youth Cultures in the Age of Global Media Sara Bragg, Mary Jane Kehily, 2014-02-06 This book explores the impact of globalisation and new technologies on youth cultures around the world from the Birmingham School to the youthsapes of South Korea In a timely reappraisal of youth cultures in contemporary times this collection profiles the best of new research in youth studies written by leading scholars in the field

Japan's Interventionist State Aurelia George-Mulgan, 2004-08-02 Japan s Interventionist State gives a detailed examination of Japan s Ministry of Agriculture Forestry and Fisheries and its role in promoting protecting and preserving the regime of agricultural support and protection This account is integral to the author s extended and multidimensional explanation for why Japan continues to provide high levels of assistance to its farmers and why it continues to block market access concessions in the WTO and other agricultural trade talks

Reconstructing Adult Masculinities Emma E. Cook, 2016-03-22 Over the past two decades Japan s socioeconomic environment has undergone considerable changes prompted by both a long recession and the relaxation of particular labour laws in the 1990s and 2000s Within this context freeters part time workers aged between fifteen and thirty four who are not housewives or students emerged into the public arena as a social problem This book drawing on six years of ethnographic research takes the lives of male freeters as a lens to examine contemporary ideas and experiences of adult masculinities It queries how notions of adulthood and masculinity are interwoven and how these ideals are changing in the face of large scale employment shifts Highlighting the continuing importance of productivity and labour in understandings of masculinities it argues that men experience and practice multiple masculinities which are often contradictory sometimes limiting and change as they age and in interaction

with others and with social structures institutions and expectations Providing a fascinating alternative to the stereotypical idea of the Japanese male as a salaryman this book will be of huge interest to students and scholars of Japanese culture and society social and cultural anthropology gender and men s studies **Natural Disaster and Nuclear Crisis in Japan** Jeff Kingston,2012-03-12 The March 2011 earthquake and tsunami in Japan plunged the country into a state of crisis As the nation struggled to recover from a record breaking magnitude 9 earthquake and a tsunami that was as high as thirty eight meters in some places news trickled out that Fukushima had experienced meltdowns in three reactors These tragic catastrophes claimed some 20 000 lives initially displacing some 500 000 people and overwhelming Japan s formidable disaster preparedness This book brings together the analysis and insights of a group of distinguished experts on Japan to examine what happened how various institutions and actors responded and what lessons can be drawn from Japan s disaster The contributors many of whom experienced the disaster first hand assess the wide ranging repercussions of this catastrophe and how it is already reshaping Japanese culture politics energy policy and urban planning *Japan's Demographic Revival* Stephen Robert Nagy,2015-11-30 Japan s Demographic Revival shifts discussions about employing immigration as the best or sole solution to assuaging Japan s demographic quagmire to a more systematic approach that identifies structural organizational and cultural impediments that contribute to Japan s and other countries declining demographic situations This edited volume also sheds light on the plethora of changes required to produce a demographically sustainable Japan Part One includes chapters explaining the endogenous ethnocultural and structural obstacles that link ethnocultural understandings of citizenship and nationality Part Two consists of chapters that provide insight into the societal barriers that exist in Japan to address demographic issues Part Three shifts its focus away from identifying and analyzing the structural organizational and cultural factors towards chapters that are policy oriented linking existing policies as contributing factors behind Japan s demographic challenge *Policy Entrepreneurship and Elections in Japan* Takashi Oka,2011-04-22 Ozawa Ichir is one of the most important figures in Japanese politics having held the positions of Chief Secretary of the Liberal Democrat Party and after defection from the LDP President of the Democratic Party of Japan Ozawa has distinctive ideas that set him apart from the average Japanese politician he believes in the concept of the independence of the individual as opposed to the importance of the group and as a policy entrepreneur he has had a huge impact on political change not only advocating but precipitating institutional change in a key political area the election system Using extensive interview data from key players in the political arena this book examines Ozawa s struggle to normalize alternation in office between two competing political parties particularly significant given the results of the 2009 election which handed over power to the Democratic Party of Japan and how he has used his entrepreneurial talents to precipitate and carry out institutional change Not only a political biography but also an in depth analysis of the Japanese political and electoral systems this book will be of huge interest to anyone interested in Japanese politics and electoral systems **Digital Mediascapes of Transnational Korean Youth Culture**

Kyong Yoon, 2019-10-28 Drawing on vivid ethnographic field studies of youth on the transnational move across Seoul Toronto and Vancouver this book examines transnational flows of Korean youth and their digital media practices This book explores how digital media are integrated into various forms of transnational life and imagination focusing on young Koreans and their digital media practices By combining theoretical discussion and in depth empirical analysis the book provides engaging narratives of transnational media fans sojourners and migrants Each chapter illustrates a form of mediascape in which transnational Korean youth culture and digital media are uniquely articulated This perceptive research offers new insights into the transnationalization of youth cultural practices from K pop fandom to smartphone driven storytelling A transnational and ethnographic focus makes this book the first of its kind with an interdisciplinary approach that goes beyond the scope of existing digital media studies youth culture studies and Asian studies It will be essential reading for scholars and students in media studies migration studies popular culture studies and Asian studies

Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe Introduction

In today's digital age, the availability of Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Globalizing Japan Ethnography Of The

Japanese Presence In America Asia And Europe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe books and manuals for download and embark on your journey of knowledge?

FAQs About Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe is one of the best book in our library for free trial. We provide copy of Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe. Where to download Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe online for free? Are you looking for Globalizing Japan Ethnography Of The Japanese Presence In America Asia And Europe PDF? This is definitely going to save you time and cash in something you should think about.
