D. Gold, 2008 This book develops a compelling argument that applies to all forms of fundamentalist religion

**Left Behind Or Left Befuddled** Gordon L. Isaac, 2008 The extraordinary success of the Left Behind series by Tim LaHaye and Jerry Jenkins shows that their action adventure novels have tapped into the American psyche It has revived our fascination with vivid images of the book of Revelation and other biblical texts the Antichrist the mysterious number 666 and people suddenly raptured into the sky by God But is there something dangerous behind the thinking in these books and how they play out in our world today In Left Behind or Left Befuddled Gordon Isaac takes the reader inside the theology behind the series In clear and accessible prose Isaac answers many important questions that Christians have about the phenomenon that is Left Behind Is this Vision of the end times really biblical Why do people have such a powerful response to it What are alternative ways to think about the end times How do the books view Catholics and other Christians What does this Vision of things mean for Israel and the Jewish people How can we counter the myths proposed in the series as fact Gordon Isaac is the Berkshire Associate Professor of Advent Christian Studies in the church history department at Gordon Conwell Theological Seminary in Massachusetts He is also an ordained Advent Christian minister who has served a number of congregations **A New Introduction to Theology** Richard Bourne, Imogen Adkins, 2020-09-17 Encountering theology for the first time is exciting but it can also be daunting Some struggle to connect with doctrinal discussion they perceive to be abstract or abstruse Others may find the scope of theology and the connections between different theological issues dizzying In order to address these difficulties and keep the initial excitement alive A New Introduction to Theology offers a range of accessible practical experiential and interactive encounters with the major elements of academic Christian theology The guiding motif of this book is the claim that theology is full bodied thought The phrase full bodied shows both the richness of the experience of theology and its nature as a thoroughly embodied encounter with ways of knowing God and God's ways

with the world This motif allows the authors to bring together topics ranging from theology through the arts sexuality and the body and the nature of the church s everyday life to mystical theology spirituality political action and ecology Working imaginatively with the five senses and the notions of loving and resting each chapter provides a range of activities guided discussions and reflections on key theological texts authors and issues This is a unique introduction to the key innovative and interdisciplinary elements from contemporary theology ideal for individual reflection classroom work or flexible and distributed learning

*After Lives* John Casey, John Peter Anthony Casey, 2013-03-07 A fascinating exploration of ideas of life after death ranging from ancient times to the present and from religion and philosophy to literature and science

**The Last Operative** Jerry B. Jenkins, 2010-07-08 Jordan Kirkwood wants to go quietly into the sunset His career as an NSA intelligence officer has taken a significant toll His two adult children are little more than distant acquaintances His wife has been patient and supportive but he knows she has deserved better That was part of the reason they were going to London He wanted her to see Europe like a tourist But that was before he was given intelligence information during the recent mission to Germany The threat is grave bigger than 9 11 And the risk is compounded by the fact that someone inside the NSA is involved The most hidden place in Kirkwood s past will have to be unmasked in order to meet the challenges of this mission

*Rooted and Grounded* Ryan D. Harker, Janeen Bertsche Johnson, 2016-01-28 For many of us the connection between the ecological crisis and humanity s detachment from the land is becoming increasingly clear In biblical terms adam humanity has severed itself from the adamah soil and we creation are reaping the consequences This collection of essays and the conference from which it took shape calls the church to root itself more deeply in the agrarian biblical text and ecclesial tradition in order to remember and freshly imagine ways of living on and with the land that are restorative reconciling and faithful to the triune God s invitation to new life in Christ When we listen attentively to and patiently learn from the biblical text church history and theology the land itself can become a conversation partner and we are summoned to recognize that the gospel is reserved not simply for humanity but for the whole of creation

**Left Behind Answered Verse by Verse** David Reed, 2008-01-01 Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church LEFT BEHIND gives them all a second chance But is that what Jesus taught His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming But LEFT BEHIND does Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries Author of JEHOVAH S WITNESSES ANSWERED VERSE BY VERSE and MORMONS ANSWERED VERSE BY VERSE Baker Book House David A Reed is known worldwide as an expert in refuting false prophecy

*LIFESAVER: Rescuing God's People from the PTR Ship*

John F. Finkbeiner, 2013-03-31 Nothing is more crucial to survival during the dark days ahead than knowing the truth While lies evil schemes and frauds increase daily one book the Bible stands in stark opposition to deceit God's Word shines as a beacon of light directing the storm tossed wayfarer safely to the peaceful shore LIFESAVER was written to expose the hypocrisy the abuse of trust and the fatal flaws in modern American Christianity's most popular and trumpeted position on the end times the Pre tribulation rapture PTR view Twenty five 25 powerful arguments called Torpedoes are launched from LIFESAVER's pages each argument sufficient to sink the PTR ship before it invites the innocent to board her for its last doomed voyage Without malice angry rhetoric or unfair personal attacks chapters such as The Rapture Isn't Next Good Fiction Desertion and No Trouble dissect the clever speech remove the facade and expose the holes in an interpretation of prophecy that will not hold water The only weapon used by LIFESAVER in this war of ideas is Scripture that is rightly interpreted Though shooting torpedoes at the flaws fallacies and inaccuracies in the PTR ship must be done LIFESAVER has another purpose The author not only goes after the easy to target weak supporting pillars of PTR such as any moment rapture and Christians will escape the Tribulation but he provides a thoroughly rational and solidly Biblical alternative for Christians to embrace the Pre wrath rapture position What LIFESAVER wants to alert every sincere believer to is that there is a true Biblical eschatology Doctrine of Last Things that surfaces when objectively utilizing the Five Basic Rules of Bible Interpretation Sadly because it threatens their power and prestige knowledge of the Pre wrath rapture view is the very thing the PTR elite tries to undermine with distortions or attempts to hide by shutting it out of the debate As time runs out on this present age the Spirit is awakening those who belong to God It is time for the saints to understand what is false and what is genuine Since Christ is coming soon his people are not only to grasp what he has taught but to proclaim his plan of salvation that was revealed by the prophets Deliverance will come to those prepared to weather the most severe challenges that believers of any generation have ever faced LIFESAVER alongside the Bible will help make the difference between catastrophe and triumph between despair and everlasting joy or between falling short and being an over comer It is time for truth not feel good theology It is time for strong faith It is time for LIFESAVER
