**Windows To The Soul** Ime Ibanga, 2011-03-01 A Poet is a poet and his value is realized by the aesthetics and free run of the lines that form the corpus of his poetry Rhythm rhyme and images beautify a poem but the muse on which a poet builds poem is the keynote of poetic appreciation Such muse is important because it has something to do with reality Ime Ibanga as a poet has made acrobatical exploits into the realms of diverse topics of experience in his collection of poems entitled *Windows to the Soul* *Windows to the Soul* as it is is a random imaginative passage into various categories that life represents Sometimes these categories are pleasant at other times they are the wreckages of misfortunes But misfortunes in themselves no matter what degree are not terminal points in life As some poems in the title show especially those whose muses are highly religious there is total assurance from misery dependent on inward faith in the supremacy of a Supernatural Being For instance stanza two of *Divine Love* states So the great God for our good Shares our troubles Bares our pains Lest in our struggles We lose our ventures However not that the entire muse of Ime's poems is pastoral for he wrote most of his poems well long before he had his calling into the ministry In fact the cardinal signpost of Ime's thought is the radical graduation from one subject landmark to another Significantly when he is not entirely prophetic he is mystical philosophical and romantic A glimpse on these lines would bear me out To the clouds my love Above the mountains Where angels in Biblical myths In conquest rode upon chariots The above is a celebration of unfettered romantic feelings There are other poems in the collection that are equally inspiring and evocative For instance poems like *Wisdom of Sand* *Time Pictures of the Mind* *Victory* etc are all poems that can stand comparative tests with the Soyinka's and the Osundare's although Ime's poetic execution is of the simplistic hue But again one of the most outstanding poems and which is so intellectually attractive is *Itikirikiri Village* Here the poet uses homegrown experiences to convey a significant natural point of view He writes *Itikirikiri* O You're an insignificant enclave In Nigeria's hinterland Lost out in the woods Cut off from modernity Here is a village that produces all the food yet so neglected in the provision of social amenities Her people remain rusty untouched by wave of modernity and urban sophistication It is true that the edifice of the collection is totally prosaic but the poet is sometimes gripped with mystical and existentialist topics Stanza one of *Infinite Provisions* read Wherefore the tears of sorrow Previously shed Is replaced By hilarious feelings However the whole poetic rendering indicates that the poet is engulfed in an experiential dilemma Many confusing things are happening at the same time and the poet is at a crossroad to envisage order in the seeming state of disorder These battered feelings however say why the lamentation of the poet is poured in sweet music That is why the hallmark of Ime's Poetry is that of consistent rhyme and rhythm This rhythmic flow paves way for over repetition which leads to melody Another hallmark of his is the free verse style and the extravagant use of metaphor and personification Take for instance the following lines extracted from *Stepping Out*      *Deception Cove* Jayne Castle, 2013-08-27 In the world of Harmony Rainshadow Island is home to a mysterious preserve secrets that have been kept for centuries and a treasure

worth killing for As a light talent Alice North has the rare ability to make things disappear including herself a gift that comes in handy during her magic act with her dust bunny Houdini Business mogul Drake Sebastian is day blind since his sight was nearly destroyed in a lab accident But he s the one man who can see Alice when she disappears and he needs her On Rainshadow Island two dangerous Old World crystals are missing igniting a paranormal storm Drake thinks Alice is the key to finding them and proposes they head there but only after a Marriage of Convenience Alice s honeymoon on Rainshadow is guaranteed to be memorable as the island and the passion between her and Drake is about to explode *Candyfloss II* Cath and Oliver Barton,2012-12-13 Things are not always what they seem in this collection of short stories and photographs by Cath and Oliver Barton For one thing there are quite a number of angels popping up and some of them are not very angelic And what about the gnome and the soup After reading them you might feel it s better to stay away from trains and bendy buses but are you on any safer ground in the pub or at home As with the first volume of Candyfloss these are stories to tease you like a quirky box of chocolates We ve really enjoyed writing them all you have to do is bite into them and see what surprises are inside *The Presbyterian Hymnal* Judith L. **Book. [By Various Authors.] First (second) Series, Etc ,1835      Silent Beauty Speaks** Margaret Wade,2024-02-12

Silent Beauty Speaks is a collection of poems inspired by nature both within and without It is the author's interpretation of life and its workings To the poet life is more than just the mechanics of biology or the change and course of every season Life is a rhythmic harmony of language that flows from the speechless mouths of all things living the power of the rising sun the mystery of the midnight moon the allure of the forest the crashing of the raging seas all these things inspire thought and reason to combine into a melody of words that flows from the stream of consciousness into the rhyme and rhythm of a song that rises from the depths of the heart To some poetry may seem pointless But to the poet it is a way of transmitting her longing expressing her vision creating beauty with glowing script and breathy language Some poems are wistful Others are hard and thoughtful Whatever the difference each submits a vision and a longing that the author wishes to convey to her audience Her poems are not meant to be obscure but are rather journeys leading to clearer vision and brighter perspectives Some poems are mere reflections of life in the present moment like the beauty of the sun as it sets behind an earthy veil or the quiet peace of midnight as it shadows the sky with the velvet cloak of darkness Other poems are reflections of faith the sorrows of life in darkness the sufferings of humanity and its need for salvation Whatever the topic the author hopes to convey her peace her longing for creation and her hope in the promises she believes in and seeks to share them with others Silent Beauty Speaks is the author's loving work and inspiration of life and all its meanings 56 *Ghost Storeys* Cameron

Macdonell,2017-07-04 Most studies of modern Gothic media assume that beyond the 1830s modern Gothic architecture and literature had very little in common The work of Ralph Adams Cram 1863 1942 America's most prolific Gothic Revival architect and an author of ghost stories challenges that assumption The first interdisciplinary study of Cram's aesthetics Cameron Macdonell's *Ghost Storeys* deconstructs the boundaries of Gothic architecture and literature through a microhistory of St Mary's Anglican Church in Walkerville Ontario Focusing on Cram and the church's main patron Edward Walker 1851 1915 Macdonell explores the intricate intersections of Gothic aesthetics architectural ethics literature theology cultural values and community construction in an Edwardian era company town When Walker commissioned the church he believed that its economy of salvation could save him from the syphilis that afflicted his body and stained his soul However

while implementing that economy Cram whose architectural theory social commentary and ghost stories were pessimistic about reviving the Gothic in the modern world also created an architecture haunted by the sickness of humanity

Painstakingly researched and lavishly illustrated *Ghost Storeys* redefines the allegorical relationship between a marginalized church and the Gothic Revival movement as a global interdisciplinary phenomenon      *Poems By Speranza* Jane Francesca Agnes Wildee,2025-08-16
