Bruce Chadwick Chadwick

Glorious Hour Of Lt Monroe:

The Glorious Hour of Lt. Monroe Richard Hanser, 1976 Traces the events of the Battle of Trenton with emphasis on James Monroe's participation

George Washington's Surprise Attack Phillip Thomas Tucker, 2016-08-23 Extensively researched and superbly argued in Tucker's compelling narrative this in depth examination of George Washington's military miracle at the Battle of Trenton unquestionably confirms the vital importance of that stunning victory Jerry D Morelock PhD editor in chief at Armchair General Like many historical events the American Revolution is sometimes overlooked ignored or minimized by historians because of common shrouding in romantic myth or interference from stubborn stereotypes Here historian Phillip Thomas Tucker provides an in depth look at the events of the Battle of Trenton weeding out fiction and legend and presenting new insights and analysis Stories from many forgotten individuals of the war including officers and soldiers from both sides bring to life the Continental Army's desperate circumstances and shocking victory Myths that Tucker debunks include the Hessians slovenly drunkenness Washington acting alone in creating the attack strategy and Rall's incompetence as a leader largely contributing to his troops defeat By exploring the forgotten aspects of one of America's most famous battles revealing Trenton's story proves to be even more fascinating In the end America's founding was nothing short of miraculous and no chapter of America's story was more miraculous than Washington's improbable success at the battle of Trenton where America's fate was decided to almost everyone's amazement on a dark snowy morning Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

James Monroe Tim McGrath, 2021-05-04 The extraordinary life of James Monroe soldier senator diplomat and the last Founding Father to hold the presidency a man who helped transform thirteen colonies into a vibrant and mighty republic A first rate account of a remarkable life Jon Meacham Fascinating H W Brands Captivating Highly recommended Nathaniel Philbrick A luminous portrait of the most underappreciated of our Founders Joel Richard Paul Excellent Library Journal starred review Monroe lived a life defined by revolutions From the battlefields of the War for Independence to his ambassadorship in Paris in the days of the guillotine to his own role in the creation of Congress's partisan divide he was a man who embodied the restless spirit of the age He was never one to back down from a fight whether it be with Alexander Hamilton with whom he nearly engaged in a duel prevented ironically by Aaron Burr or George Washington his hero turned political opponent This magnificent new biography vividly re-creates the epic sweep of Monroe's life his near death wounding at Trenton and a brutal winter at Valley Forge his pivotal negotiations with France over the Louisiana Purchase his deep complex friendships

with Thomas Jefferson and James Madison his valiant leadership when the British ransacked the nation's capital and burned down the Executive Mansion and Monroe's lifelong struggle to reckon with his own complicity in slavery Elected the fifth president of the United States in 1816 this fiercest of partisans sought to bridge divisions and sow unity calming turbulent political seas and inheriting Washington's mantle of placing country above party Over his two terms Monroe transformed the nation strengthening American power both at home and abroad Critically acclaimed author Tim McGrath has consulted an extensive array of primary sources many rarely seen since Monroe's own time to conjure up this fascinating portrait of an essential American statesman and president

The First American Army Bruce Chadwick Chadwick, 2006-10-01 This is the first book that offers a you are there look at the American Revolution through the eyes of the enlisted men Through searing portraits of individual soldiers Bruce Chadwick author of *George Washington's War* brings alive what it was like to serve then in the American army With interlocking stories of ordinary Americans he evokes what it meant to face brutal winters starvation terrible homesickness and to go into battle against the much vaunted British regulars and their deadly Hessian mercenaries The reader lives through the experiences of those terrible and heroic times when a fifteen year old fifer survived the Battle of Bunker Hill when Private Josiah Atkins escaped unscathed from the bloody battles in New York and when a doctor and a minister shared the misery of the wounded and dying These intertwining stories are drawn from their letters and never before quoted journals found in the libraries belonging to the camps where Washington quartered his troops during those desperate years

George Washington's War Bruce Chadwick Ph.D., 2005-02-01 How a young general shaped a nation a fascinating account of George Washington as he faced a war and came out as America's first president The American Revolution was won not on the battlefields but through the mind of George Washington One of America's founding fathers Washington's story is one that influenced how our entire nation was built A compulsively readable narrative and extensive history *George Washington's War* illuminates how during the war's winter months the young general created a new model of leadership that became the model for the American presidency Through hardships loss and the brutal conditions of war Washington led his men with cunning and grace demonstrating the strong and endearing qualities that led him to become America's most beloved patriot

The History Teacher, 1976

The Virginia Dynasty Lynne Cheney, 2021-09-21 The narrative offers informed exacting characterizations of the uncertain political alliances strained interactions and ideological growing pains that elites of the post revolutionary decades put the country through Andrew Burstein The Washington Post A vivid account of leadership focusing on the first four Virginia presidents George Washington Thomas Jefferson James Madison and James Monroe from the bestselling historian and author of *James Madison* From a small expanse of land on the North American continent came four of the nation's first five presidents a geographic dynasty whose members led a revolution created a nation and ultimately changed the world George Washington Thomas Jefferson James Madison and James Monroe were born grew to manhood and made their homes within a sixty mile circle east of the Blue

Ridge Mountains Friends and rivals they led in securing independence hammering out the United States Constitution and building a working republic Acting together they doubled the territory of the United States From their disputes came American political parties and the weaponizing of newspapers the media of the day In this elegantly conceived and insightful new book from bestselling author Lynne Cheney the four Virginians are not marble icons but vital figures deeply intent on building a nation where citizens could be free Focusing on the intersecting roles these men played as warriors intellectuals and statesmen Cheney takes us back to an exhilarating time when the Enlightenment opened new vistas for humankind But even as the Virginians advanced liberty equality and human possibility they held people in slavery and were slaveholders when they died Lives built on slavery were incompatible with a free and just society their actions contradicted the very ideals they espoused They managed nonetheless to pass down those ideals and they became powerful weapons for ending slavery They inspired Abraham Lincoln and Frederick Douglass and today undergird the freest nation on earth Taking full measure of strengths and failures in the personal as well as the political lives of the men at the center of this book Cheney offers a concise and original exploration of how the United States came to be CAS.
