A Bricklayer's Story Dr. John H. LaManque,2013-10 Read how trusting in Jesus Christ and calling upon His name helped a fifty nine year old bricklayer to go from bricks to books and beyond This is an inspiring story about how God s Word helped a bricklayer gain the courage to overcome obstacles placed in his path This book is a reminder that life is a journey and when the Lord closes one door he always opens another My message in this book is that we have to turn the doorknob of our hearts to let Jesus in Dr John H LaManque pushes back against the attack on Christian Church values in foreign lands Hindu fundamentalists and Muslims who hate Christians have burnt their churches to the ground and killed Christian people The author sees a greater threat to American Christians coming from within and he identifies the threat as coming from the secular humanist movement in the form of a new religion The new religion is led by groups that follow Marxist theology and includes atheists educators and the media who want to sell the idea that sinful behavior is just another alternative lifestyle
