Glory Bus:

The Glory Bus Richard Laymon, 2008 THE GLORY BUS One moment Pamela is a contented newly wed with a loving husband The next she s the prisoner of a repulsive killer who has lusted after her since high school Somehow college kid Norman finds himself in a car with hell raiser Duke and a strange hyper sexed hitchhiker who tags along for the ride Together the lawless pair take him on a wild journey that soon becomes a living nightmare FRIDAY NIGHT IN BEAST HOUSE The last novel in the Laymon s BEAST HOUSE series Michael would do anything to get a date with Alison She has just one condition he has to spend a night with her in the legendary Beast House To Michael a night alone with Alison is a chance of a lifetime but if the stories about the Beast House are true it may also be a chance to die *Ring Road Safari* Colin Diyen, Colin Diyen Ayeah, 2011 Africa is victim of its leaders Africans have the leaders they deserved Most African countries would have fared a lot better if their presidents were not considered by those around them as demigods ordained by God to rule for life and if potential leaders did not tend to shy away in fear This is the story of an African American s tour in an African country The story suggests that this country would have been a better place if only the big men of power and their accolades could shelve their greed and consider the welfare of their country first The ardent desire to always defend the hand that feeds them has compelled these high government officials to completely stray off from democratic ideals and appropriate reasoning in all their public pronouncements and actions But does it take the visit of an African American for Africans to speak truth to power Reade's Works Charles Reade, 1908 **Remember Me** Cheryl Robinson, 2011-08-02 Two best friends test the limits of loyalty in a stirring new novel of friendship betrayal and forgiveness Erica and Claire had vowed to stay best friends for life until one indiscretion destroyed that bond forever Twenty years later tragedy reunites them in an unexpected way Now they must confront the past discover its untold truths and rebuild a friendship destined to endure

Morning Glory's Long Lost Order of Worship Brian Massey, 2005-07 Reverend Steer McAlilly accepts the pastorate of Morning Glory Presbyterian a sizeable country church in hopes that he and his wife Tanya might escape the bondage of their old selves He is a recovering alcoholic and benny popper who fantasizes about driving a racecar She is a stripper whom Steer rescues from the nightlife with promises of middle class contentment and Christian bliss Their new start born out of their love of Christ and each other is a true miracle until Steer falls into the first great sin he s committed in a long while a sexual indiscretion with a beautiful nineteen year old member of his congregation The boundaries of love forgiveness and spiritual certainty are tested torn and put back together in unexpected ways as Steer rediscovers the holy revelations of Morning Glory s Long Lost Order of Worship It has been said that Brian Agincourt Massey is a literary artist who has gifts other writers do not His prose has been called versatile hard bitten yet fluid and poetic and superb with dialogue that is top notch energetic That the purveyors of these accolades range from New York editors and agents to fellow novelists to L A screenwriters attests to Massey s broad appeal *Ring Road Safari* Colin Diyen, 2011-09-20 Africa is victim of its leaders

Africans have the leaders they deserved Most African countries would have fared a lot better if their presidents were not considered by those around them as demigods ordained by God to rule for life and if potential leaders did not tend to shy away in fear This is the story of an African Americans tour in an African country The story suggests that this country would have been a better place if only the big men of power and their accolades could shelve their greed and consider the welfare of their country first The ardent desire to always defend the hand that feeds them has compelled these high government officials to completely stray off from democratic ideals and appropriate reasoning in all their public pronouncements and actions But does it take the visit of an African American for Africans to speak truth to power

our range of exciting titles **The Flagellant** Reed Alexander, 2019-04-30 Did you find yourself rooting for the villain in a horror movie Maybe it's because horror films represent the victims as cowering lambs ready to throw their own mother in the jaws of death to save themselves The usual pack of unsuspecting teenagers through their own stupidity serves themselves up as fodder These are not people you feel sorry for These are the same self centered slob plodding around society aggravating everyone around them That victim is that smart mouthed prick who screwed up your order at the Waffle Hut or that bimbo who had her boyfriend beat you up or that guy from payroll who shorted you and told you it's somehow your fault It's that jet set life handed to him Ivy League boss who defended that prick from payroll because it's good for the company's overhead If a victim's death in a horror movie seems cathartic it's because the directors and writers know we'll pack theaters for that very reason We'd love to see that boss that accountant that bimbo and her pinhead boyfriend and that little prick at the Waffle Hut get what's coming to them But my book is not about the victims My book is about you Yes you The bloodthirsty thinks they should run the world him or her hoping the slave gets fed to the lions The Flagellant is about why we love to watch the victims get theirs and what that says about us The Flagellant focuses around our protagonist Mahdoc as he attempts to infiltrate unholy nests of evil This is no normal task and Mahdoc is no normal man He's a special soldier of the Inquisition known as a flagellant His very soul is owned by the Inquisition Mahdoc's was pulled from hell and if he wants to stay here on earth he'll fight for the Inquisition without question for one thousand years The task of a flagellant is unrelentingly brutal Each nest of evil is unique and protects itself by concealing its root cause To get at the roots each flagellant must allow themselves to become the victim Like many before him Mahdoc must succumb to the horror and madness so he can be delivered to the root of the nest Only then can he kill it and guarantee it will never come back
