**Angels for You!** René Serge-Djanie, 2019-10-01 WHO ARE THE ANGELS OF GOD To many even Christians angels are fairy tales and cunningly devised fables Many don t believe angels exist much more believe they are everyday personalities A few have told their experiences despising the mockery of unbelievers that suppose these spirit beings are only a mirage In this book you will discover the truth of their appearances after divine order as they appeared to notable men that walked with God They just don t appear with wings as many think They can appear without their wings which is often the case so we can relate to them without being afraid of them That s part of God s package for the redeemed In this unveiling mysteries of the ministry of angels Ren Serge Djanie gives a graphic presentation mixed with real life encounters with God s angels that propels the believer to thirst for the ministry of the angels of God Angels constitute The LORD of HOSTS They are sent as our messengers and servants In the Kingdom of God you can only share what you have experienced

8th Mountain is calling your name You ve read about what awaits you and what lies ahead on this trek to the spiritual summit You can think of this book as your mountaineering school curriculum and training manual for the 8th Mountain to educate train and prepare you for climbing and reaching the summit of the highest peak in the universe It teaches you survival skills how to thrive and be successful how to work as a team how to ascend and descend how to avoid or minimize danger what gear and supplies to take how to monitor changing weather conditions and how to save your life and protect yourself and those around you in the harsh climate adverse conditions and unforgiving environment of the 7 Mountains of Culture Just as Mount Everest is the highest point on earth the 8th Mountain the Mountain of the Lord is the highest point in the universe and is heaven itself The old saying It s lonely at the top doesn t apply here There s no reason to be lonely on the 8th Mountain and lots of reasons to be fulfilled and satisfied full of joy and peace and love and there s a whole community of fellow climbers for you to meet and get to know Some are more experienced than others and are at different levels of skill and knowledge and physical and spiritual conditioning but we re all still learning and growing and are on a journey that will last for a lifetime and an eternity We hope that you will join us and we invite you to do so     **The Journey from Doubt to Faith** Joseph Eugene Young,2012-01-17 The Journey from Doubt to Faith will help you address your doubts and work through them to a wholesome and vibrant faith When doubts cloud our thinking we grope in a fog of uncertainty and pessimism We long for beliefs that will provide our reason to be and give direction to our living Our Christian beliefs must be more than a hand me down from parents or church traditions Beliefs must be ours because we have thought them through We need beliefs that will guide our thinking so we can act with confidence and inward peace Since doubt is a common human condition we can use our doubts to raise questions and to research so our beliefs become well defined Indeed doubt is one of God s most effective methods for producing a practical working faith     Chertsey Worthies Library ,1879     **Verse** Nicholas Breton,1879     **The Expository Times** James Hastings,Ann Wilson Hastings,Edward Hastings,1892
