Dawson,2017-05-05 A Course in Miracles can be difficult to understand on first reading as it is written on quite a high
intellectual level It can help to read some introductory material alongside a study of the Course This series of articles and
diagrams is presented with that in mind This eBook begins with some brief introductory material covering how A Course in
Miracles came what it is and a summary with charts It is followed by a collection of 33 articles and diagrams I have written
over recent years they explore many of the themes found in the Course including the metaphysical and practical teachings At
the end of this book you will find two bonus chapters Healing Ourselves and The Ladder of Forgiveness excerpts from two of
my other books Healing the Cause and The Findhorn Book of Forgiveness A Course in Miracles has been the inspiration for
this book What I have written is my own interpretation of some of the principles in the Course and as such it cannot match
the depth and purity of the original teaching If you find my writings of interest I would encourage you to study the Course s
teaching for which there can be no substitute Eternal Life and A Course in Miracles Jon Mundy,2016-10-04 You do not

to reach God A Course in Miracles W 49 4 5 There is no bigger mystery nothing more compelling than the desire to know
about life after life Jon Mundy the respected longtime teacher and interpreter of A Course in Miracles now investigates that
enigma using insights from the Course on mortality death and the afterlife Mundy discusses facing death and learning to let
go the ephemeral nature of the physical body and the eternal reality of the mind and the reawakening of our Spirit as the one
true home It s a book filled with hope and a way to alleviate our fear of death The Fifth Disciple Cynthia Bove,2011-11-16
