**Glyn Philpot** J. G. Paul Delaney, Glyn Philpot, 1999 The latest news in the art world is that Mr Glyn Philpotts sic has been asked to remove his picture from the RA Virginia Woolf Glyn Philpot 1884 1937 was a portrait figure and still life painter and a sculptor One of the most financially successful portrait painters of his generation he achieved early prominence in both Britain and America Philpot was a senior public figure who embodied deep personal contradictions In 1933 at the age of 49 he submitted *The Great Pan* to the Royal Academy The painting made explicit what had for so long been a coded language within homosexual writing and art and the artist suffered the ignominy of public rejection The young Glyn Philpot circulated in the close company of the Edwardian aesthetes Portraits financed his more committed work on subject pictures In the Symbolist tradition they reflect his deepest concerns religious themes reveal a profound knowledge of his adopted Catholicism while an increasing interest in the male nude and a series of superb portraits of young men his black servants models friends and lovers show the gradual public expression of his homosexuality The tensions between his public and personal lives led Philpot to spend long periods outside Britain In 1931 he visited Berlin His encounter with that city s homosexual underworld had a profound spiritual and emotional effect and Philpot adopted a new style which owed much to international modernism Philpot s new style was greeted with overt hostility The scandal led to a period of acute financial hardship which undoubtedly contributed to the artist s early death at 53 Tragically Philpot did not live long enough to see what he regarded as his most ambitious work accepted or approved His reputation as a portraitist never faltered but his subject pictures remain controversial In 1985 the National Portrait Gallery London staged a major retrospective of his work In this fascinating account of an artist whose career bridged the transition between Edwardian aestheticism and international modernism Paul Delaney has skilfully brought together disparate elements to reveal the personal social and artistic crises that transformed Glyn Philpot s work *The Studio*, 1924 **Locating Queer Histories** Matt Cook, Alison Oram, Justin Bengry, 2022-10-06 Ranging from the mid 19th century to the present and from Edinburgh to Plymouth this powerful collection explores the significance of locality in queer space and experiences in modern British history The chapters cover a broad range of themes from migration movement and multiculturalism the distinctive queer social and political scenes of different cities and the ways in which places have been reimagined through locally led community history projects The book challenges traditional LGBTQ histories which have tended to conceive of queer experience in the UK as a comprising a homogeneous national narrative Edited by leading historians the book foregrounds the voices of LGBTQ identified people by looking at a range of letters diaries TV interviews and oral testimonies It provides a unique and fascinating account of queer experiences in Britain and how they have been shaped through different localities *The Sexual Perspective* Emmanuel Cooper, 2005-08-11 This ground breaking work has been fully updated in detailing the painting sculpture and photography of gay or lesbian artists Set in the context of current issues Cooper makes a vital contribution to

debates on art gender and sexuality *Freak to Chic* Dominic Janes,2021-07-01 In this unique intervention in the study of queer culture Dominic Janes highlights that under the gaze of social conservatism gay life was hiding in plain sight Indeed he argues that the worlds of glamour fashion art and countercultural style provided rich opportunities for the construction of queer spectacle in London Inspired by the legacies of Oscar Wilde interwar and later 20th century men such as Cecil Beaton expressed transgressive desires in forms inspired by those labelled freaks and thereby made major contributions to the histories of art design fashion sexuality and celebrity Janes reinterprets the origins of gay and queer cultures by charting the interactions between marginalized freaks and chic fashionistas He establishes a new framework for future analyses of other cities and media and of the roles of women and diverse identities *The Studio* ,1944 *The International Studio* ,1917

*Life, Times and Work of William Gillies, 1898-1973* Andrew McPherson,2024-11-30 For seventy years William Gillies has been seen as a placid painter of landscape and decorative still life Andrew McPherson explodes this view to reveal a modernist whose response to the instabilities and violence of modernity touched universals of human experience Gillies idiom was shaped by institutions for artistic production unique to Scotland But it was the politics of Scotland s connections to the rest of the British Isles that produced his mythic and misleading reputation New paintings and new meanings are uncovered placing the micro effects of modernity on mental health family and community in the wider contexts of war nationalism and public patronage McPherson also shows how this changing world led Gillies towards new applications of modernist expression Lavishly illustrated and referencing almost one thousand works this major reappraisal is an indispensable source on the cultural politics of a four nation state and the reception of modernism in Britain **Siegfried Sassoon** Jean Moorcroft Wilson,2024-11-01 This book encompasses the complete life and works of Siegfried Sassoon from his patriotic youth that led him to the frontline to the formation of his anti war convictions great literary friendships and flamboyant love affairs *Architect* ,1913 **The Athenæum** James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1908 *The Encyclopædia Britannica* ,1911 **Colour** ,1914 The periodical s purpose was to report on contemporary developments in painting from the British Isles and elsewhere more importantly each issue contained high quality colour reproductions of examples of various artists work **The Burlington Magazine for Connoisseurs** ,1920 **The Encyclopaedia Britannica** ,1911 **The Suffrage Photography of Lena Connell** Colleen Denney,2021-09-28 Lena Connell was one of a new breed of young professional women who took up photography at the turn of the 20th century She ran her own studio in North London only employed women and made her mark on history by creating compellingly modern portraits of women in the British suffrage movement The women that Connell captured on film are as class inclusive a group as you could find whether they were factory workers schoolteachers or aristocrats they joined the cause to make a difference for future generations of women if not for themselves Connell s portraits created a new kind of
