MacRae SJ, 2007-09-01 **Gnosticism and the New Testament** PHEME PERKINS, 1993 The gnostic writings found at Nag Hammadi have stimulated much controversy about the relationship between early Christians and the diverse religious movement of the first three centuries Perkins fills the New Testament student's need for a guide to recent developments in scholarship with a helpful survey that addresses the origins of Gnosticism its relationship to Judaism Redeemer myths and New Testament hymns and other relevant topics *The New Testament and Gnosis* Alastair Logan, Alexander J. M. Wedderburn, 2015-01-29 Important essays on Gnosis and Gnosticism Contributors include Rudolph Pagels Grant and Barrett *New Testament Nuptial Imagery* Richard A. Batey, 2023-12-18 **Studies in the New Testament and Gnosticism** George W. MacRae, 2007-09-01 George W MacRae SJ 1928 1985 was an internationally known scholar in the field of New Testament studies He received his doctorate from Cambridge University in New Testament studies taught New Testament at Weston School of Theology and was Stillman Professor of Roman Catholic Studies at Harvard University where he was serving as acting dean of the theology faculty at the time of his death He was a renowned scholar on the Gospel of John Book jacket *A Theology of the New Testament* George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index *The Gospel of Thomas* History Academy, 2021-08-21 A provocative study of the gnostic gospels and the world of early Christianity as revealed through the Nag Hammadi texts Jesus preaches the coming of a new man the genesis of the man of knowledge In this gospel Jesus describes a journey from limited to unlimited consciousness The Jesus of Thomas invites us to drink deeply from the well of knowledge that lies within not so that we may become good Christians but so we may attain the self knowledge that will make each of us too a Christ Discover the original mystical teachings of Jesus in the Gospel of Thomas the most important book left out of the Bible The Gospel of Thomas contains the seeds of a profound mysticism that can transform our view of the universe and ourselves History Academy unpacks the core teachings of the Gospel in ways that can shift not only how we understand ourselves but how we view reality itself The Way of Thomas is packed with profound insights and practical advice for spiritual practice The Gospel of Thomas consists of mini parables of deep inward and symbolic meaning many of which are not found in the New Testament This eye opening collection of texts sheds light on the esoteric knowledge of Gnosticism revealing intimate conversations between Jesus and his Disciples Gnosticism was a wide ranging religious movement of the first millennium CE with earlier antecedents and later flourishings whose adherents sought salvation through knowledge and personal religious experience Gnostic writings offer striking perspectives on both

early Christian and non Christian thought For example some gnostic texts suggest that god should be celebrated as both mother and father and that self knowledge is the supreme path to the divine Only in the past fifty years has it become clear how far the gnostic influence spread in ancient and medieval religions and what a marvelous body of scriptures it produced The wisdom in this inspiring collection of texts is wholly relevant to our lives today addressing the questions of good and evil sin and suffering and the path to salvation In 1945 several gospels hidden since the first century were found in the Egyptian Desert at Nag Hammadi This discovery caused a sensation as the scrolls revealed the mysteries of the Gnostics a movement which emerged during the formative period of Christianity Gnosis from the Greek broadly meaning hidden spiritual knowledge was associated with renouncing the material world and focusing on attaining the life of the Holy Spirit Many Christian sects are derived from the esoteric knowledge of Gnosticism This volume also includes introductory essays notes tables glossary index etc to help the reader understand the context and contemporary significance of these texts which have shed new light on early Christianity and ancient thought The selections gathered here in poetic readable translation represent Jewish Christian Hermetic Mandaean Manichaean Islamic and Cathar expressions of gnostic spirituality Their regions of origin include Egypt the Greco Roman world the Middle East Syria Iraq China and France History Academy represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
