Go On Vital Messages For Todays Christian:

The Unknown Prophet Delbert W Baker, 2013-09-10 More than 25 years ago society was introduced to William Ellis Foy Foy was an African American minister of the nineteenth century whom historical records had generally overlooked The popular book *The Unknown Prophet* demonstrated that Foy received powerful revelations from God about coming tribulation judgment and heaven awaiting those who were faithful to God Foy s message was straightforward be faithful because Jesus is coming again The groundbreaking research in *The Unknown Prophet* did much to clear up misconceptions and set the record straight about William Foy It told the largely unknown story of this sensitive young man of color Furthermore he faced incredible trials and struggles yet faithfully fulfilled his time specific prophetic commission during the height of the Millerite movement and went on to maintain a quiet and productive ministry until his death in the late 1800s William Foy s story his ministry and message still speaks today This second edition is the response to a desire for an updated version providing hope and encouragement for the twenty first century reader It contains new and valuable documents and images including the only known photo of William Foy s son Your faith will be enriched as you read these pages *D. L. Moody, His Message for Today* Charles Rosenbury Erdman, 1928 **Adventist Review** , 1998 *The Vision of Faith: Love and the Renewal of the Church* M. P. Burns, 2009-12-11 In this book the author gives his personal vision of the Catholic Faith He sees the Church as being in need of fundamental renewal the renewal needed being mainly concerned with a fresh understanding of the meaning of Christian love particularly in relation to the second part of the Great Commandment that we must love our neighbour as ourselves This would involve major changes in the very structure of the Church herself A FREE download is offered as his main purpose is to share his ideas as widely as possible **The Missionary Review of the World** , 1923

Christian Life which are in volume 2 of The Collected Works of Witness Lee 1991 1992 These chapters cover our living and walking under the crucifixion of Christ **Marked** Faytene Kryskow Grasseschi,2011-07-28 Marked is a powerful testimony and principle that will lead you into a deeper understanding and build your faith to see nations come into alignment with the heart of God The content of each chapter has come from experience prayer prophetic revelation and study that the author did as she eagerly sought the heart of God for how to effectively influence her nation for Christ In recent years many in the Body of Christ have written of the need for western world Church to penetrate into the spheres of influence that shape the moral mindset of nations However fewer have married this with clear biblical principles birthed through prophetic revelation and even fewer than that have a testimony to back it up Marked brings all of these elements together in an easy exciting and spunky testimonial style read that will keep your fingers flipping the pages **Woman's Missionary Friend** ,1927

Paul's Message for Today James Russell Miller,1914 **The Christian Century** ,1929 **The Book of Life Secrets for Today's World** Rai Flowers,Rasheed Flowers,2021-05-09 The Book of Secrets is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year Each day s entry includes a focus point and that point is emphasized and supported by specific citations from The Bible The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God s words Each day is structured with a thought starter and at least one Bible reference to support the idea that this thought starter is not unique but rather something that originates from God s words The format of this manuscript is engaging The daily entries give the reader a new thought to ponder each day The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that God s words support this thought *The Living Church* ,1948 **People's Christian Bulletin** ,1917 *Everyday Conversations, Eternal Impact* ,2011 Personal Religion Charles Herbert Rust,1915 *Current Religious Thought* ,1907 *Protestant Lay Leader Resource Guide* ,1967
