Baldwin's first major work based in part on his own childhood in Harlem. With lyrical precision, psychological directness, resonating symbolic power, and a rage that is at once unrelenting and compassionate, Baldwin chronicles a fourteen-year-old boy's discovery of the terms of his identity as the stepson of the minister of a Pentecostal storefront church in Harlem. Baldwin's rendering of his protagonist's spiritual, sexual, and moral struggle toward self-invention opened new possibilities in the American language and in the way Americans understood themselves.

James Baldwin's "Go Tell It on the Mountain" - a religious approach Martin Arndt, 2004-10-06. Seminar paper from the year 2001 in the subject Theology. Miscellaneous grade good. University of Leipzig language English. abstract: James Arthur Baldwin was born to Emma Berdis Jones and an unknown father on August 2, 1924, in New York City. The fact that he did not know about the identity of his biological father haunted

him all his life Who was to become Baldwin s stepfather was a laborer and Pentecostal preacher who came as part of the Great Migration to New York in 1919 seeking better social conditions and economic opportunities Kenan 1994 26 After he married her he began to preach in storefront churches and made a living of a job he had in a bottle factory on Long Island and although he worked steadily until encroaching age and illness prohibited it were his wages seldom high enough to feed his big family² especially during the Great Depression Kenan 27 As described in Notes of a Native Son this situation had contributed to his father s intolerable bitterness of spirit Kenan 88 It was unrelieved bitterness and anger that drove his father away permanently in 1932 Kenan 27 James was very much influenced and shaped by his stepfather and the problems that derived from his relationship to him became in my eyes a powerful motor for his poetry writings and determined his future decisions To his father the young boys intelligence and his interest in books was but a source of danger for the Bible was the only book worth reading Kenan 29 If it wasn t for Orilla Bill Miller a white woman from the Midwest who stepped up against his fathers objections and for Gertrude Ayer a black principal who encouraged the young boy to write stories plays and poems James would have been deprived of a valuable education because in the Baldwin household education was suspect as a tool of the white devils not particularly useful to black men in a racist society that placed so many checks on their ambition Kenan 31 James Baldwin was brought up in a household atmosphere of strict even suffocating religiosity Kenan 32 and his father lived like a prophet in such unimaginably close communion with the Lord that his long silence which were punctuated by moans and hallelujahs and snatches of old songs while he sat at the living room window never seemed strange to us Baldwin 1984 89
