The British Catalogue of Music ,2003 **The American Organist** ,2003 **The Musical Times & Singing-class Circular** ,1912 Dies Irae Robert Chase,2004-09-08 Since time immemorial the response of the living to death has been to commemorate the life of the departed through ceremonies and rituals For nearly two millennia the Christian quest for eternal peace has been expressed in a poetic musical structure known as the requiem Traditional requiem texts among them the anonymous medieval Latin poem Dies Irae Day of Wrath have inspired an untold number of composers in different ages and serving different religions Western and Eastern This book the first comprehensive survey of requiem music for nearly half a century provides a great deal of diverse and detailed information that will be of use to the professional musician the musical scholar the choral conductor the theologian and liturgist and the general reader The main body of the guide is a description of some 250 requiems Each entry includes a concise biography of the composer and a description of the composition Details of voicing orchestration editions and discography are given An extensive bibliography includes dictionaries encyclopedias prayer books monographs and articles An appendix lists more than 1700 requiems not discussed within the main text The New Music Review and Church Music Review ,1921 **Educational Music Magazine** ,1929 **Australian national bibliography** ,1961 The Musical Times ,1908 **The Musical Times and Singing-class Circular** ,1912 **The Choir** ,1922 **The Living Church** ,1967 **The Supervisors Service Bulletin** ,1926 **The Musical Journal** ,1906 **American Choral Music Since 1920** David P. DeVenney,1993 Completes DeVenney s four volume survey of American choral music The first section of this guide is an annotated listing of some 3 000 original choral works written by 76 composers active in the US from roughly 1920 to the present Each work is listed with its date of composition performing forces *Musical Opinion and Music Trade Review* ,1909 *Choral Arrangements of the African-American Spirituals* Patricia J. Trice,1998-02-12 Although the choral arrangements of the African American spirituals constitute the largest group of folk song arrangements in western literature they have received little scholarly attention This book provides the needed historical and stylistic information about the spirituals and the arrangements It traces the history and cultural roots of the genre through its inception and delineates the African and European characteristics common to the original folk songs and arrangements Ensembles that have perpetuated the growth of the spiritual arrangements from Fisk Jubilee Singers of the 1870s through those currently active are chronicled as well Musicians choral directors and scholars will welcome this first complete text on the African American spiritual genre Annotated listings of titles provide information choral directors need to make ensemble appropriate performance choices Arrangements indexed by title arranger and subject complement the accompanying biographies and repertoire information Well organized and thoroughly researched this text is a valuable addition to music choral multicultural and African American libraries **Musical Opinion** ,1986 Issues for include section The Organ world **The Catalogue of Printed Music in the British Library to 1980** British
