Orientation in European Romanticism Paul Hamilton, 2022-10-20 This book frames Romanticism as the epicentre of modern Europe's fascination with orientation and disorientation in literature and politics **Balzac, Grandville, and the Rise of Book Illustration** Keri Yousif, 2016-04-15 Examining how the rise of book illustration affected the historic hegemony of the word Keri Yousif explores the complex literary and artistic relationship between the novelist Honoré de Balzac and the illustrator J. J. Grandville during the French July Monarchy 1830-1848 Both collaborators and rivals these towering figures struggled for dominance in the Parisian book trade at the height of the Romantic revolution and its immediate aftermath Both men were social portraitists who collaborated on the influential encyclopedic portrayal of nineteenth-century society *Les Français peints par eux-mêmes* However their collaboration soon turned competitive with Grandville's publication of *Scènes de la vie privée et publique des animaux* a visual parody of Balzac's *Scènes de la vie privée* Yousif investigates Balzac's and Grandville's individual and joint artistic productions in terms of the larger economic and aesthetic struggles within the nineteenth-century arena of cultural production showing how writers were forced to position themselves both in terms of the established literary hierarchy and in relation to the rapidly advancing image As Yousif shows the industrialization of the illustrated book spawned a triadic relationship between publisher, writer, and illustrator that transformed the book from a product of individual genius to a cooperative and commercial affair Her study represents a significant contribution to our understanding of literature, art, and their interactions in a new marketplace for publication during the fraught transition from Romanticism to Realism **The Works of Honoré de Balzac** Honoré de Balzac, 1899 Balzac's Shorter Fictions Tim Farrant, 2002-02-14 Balzac's reputation is as a novelist But short stories make up over half *La Comédie humaine* besides scores of other tales and articles Short forms appear early in Balzac's output and shape his work throughout his career *Balzac's Shorter Fictions* looks at the whole of this corpus at the nature of short fiction and at how Balzac's novels developed from his stories at the links between literary genesis and genre It explores the roles of short fiction in Balzac's creation its

part in producing effects of virtuality and perspective and reflects ultimately on the relationship between brevity and length in *La Comédie humaine*. This the first complete English language study of Balzac's work for over forty years synthesizes recent research on Balzac's practice within the context of modern thought on the author. It is an indispensable book for students and scholars of Balzac and for all those interested in prose fiction. *Histoire des oeuvres de H. de Balzac* Charles de Spoelberch de Lovenjoul, 1888 ***Revue des Paris***, 1864 *Nouvelle revue de Paris*, 1864 ***Oeuvres complètes de H. de Balzac*** ...
