## God And Children:

*See Your Children Through God's Eyes and Watch Them Fulfill Purpose* Ngozichukwu Annastacia Emeka-Ugwuadu, 2015-11-17 Raising children is never easy And it can be especially challenging to raise children who will grow up to love the Lord have a godly influence on others and fulfill their purposes in life For author Ngozichukwu Annastacia Emeka Ugwuadu a Spirit filled Christian mother the journey has not been without challenges In *See Your Children through God's Eyes and Watch Them Fulfill Purpose* What Has God Said about Me Mama she uses her experiences to help you battle difficult situations and feelings of helplessness Emeka Ugwuadu shows you how to see your children through God's eyes Learn how to turn around horrible situations and bring your children closer to fulfilling God's plan for their lives While you may be tempted to sit back and let things be this book shows how parents can focus on God's unfailing love instead of on the problems You will gain a clearer picture and understanding of how God sees your children which allows you to see beyond the visible and steer your children toward the path of abundant and fulfilling lives *Letters from God for Children* Ivan Tait, 2016 Ivan has a tender belief in this next generation and has utilized a child like imagination to reveal the Almighty God The revelations in *Letters From God For Children* will prepare your children for a divinely ordained future God will be given a daily opportunity to minister to fertile hearts hearts that may be under attack hearts that have a life of potential *The God-Given Experience of Awe in Young Children* Mark Crizer, 2020-12-03 Have you ever noticed how children are intrigued at what many adults find ordinary Ever watch a child's eyes light up or hear them exclaim with profound wonder while watching a butterfly or a dog nursing its pups To elicit the same reaction from most adults they would likely need to witness the parting of the Red Sea or Jesus walking on water Is it any wonder that Jesus told his disciples that we need to become like little children In this little book I invite the reader to examine miracles of intervention and miracles of subsistence and how children rarely distinguish between these As children are eager converts to learn truth it is my heart's prayer that we learn from them thereby turning our own hearts to our Heavenly Father **We Are All God's Children** Marj Hart, 2003-11-01 Children learn about God's love prayer kindness and other Christian concepts with this fun new book Each of its 12 chapters feature Bible stories and related scriptures and activities to inspire young hearts and minds As little ones indulge in the many crafts puzzles songs games and more they discover *We Are All God's Children* **Raising God's Children** Ada C. Conway, 2016-12-08 I've often heard it said Children don't come with an instruction manual I beg to differ Children do come with an instruction manual it's called The Holy Bible *Raising God's Children* is a manual of sorts based on standard traditional and contemporary Christian values and is loaded with both natural and spiritual wisdom offering insight into what has been learned from every available resource including the wisdom of people who have raised **All God's Children** Rene Denfeld, 2007-01-30 James Daniel Nelson first hit the streets as a teenager in 1992 He joined a clutch of runaways and misfits who camped out together in a squat under a Portland bridge Within a few months the group they called

themselves a family was arrested for a string of violent murders While Nelson sat in prison the society he had helped form grew into a national phenomenon Street families spread to every city from New York to San Francisco and to many small towns in between bringing violence with them In 2003 almost eleven years after his original murder Nelson now called Thantos got out of prison returned to Portland created a new street family and killed once more Twelve family members were arrested along with him Rene Denfeld spent over a decade following the evolution of street family culture She discovered that contrary to popular belief the majority of these teenagers hail from loving middle class homes Yet they have left those homes to form insular communities with cultish hierarchies codes of behavior languages quasireligions and harsh rules She reveals the extremes to which desperate teenagers will go in their search for a sense of community and builds a persuasive and troubling case that street families have grown among us into a dark reversal of the American ideal **God and**

**Children** Jesus Urteaga,2020-01-01 Fr Urteaga 1921 2009 is a writer who gave exceptional value to the human side of life and its enrichment by an ongoing struggle for virtue Likewise he never lost sight of the importance of grace He addresses parents in their sometimes difficult job of raising children to be not only men and women but Christian saints His modus operandi is that life is truly worthwhile if it is lived for the love of God In these chapters he draws on his own rich experience as a teacher and spiritual director He adds Christian doctrine humor and common sense to make God and Children a book for all parents and especially those of young children Originally printed in 1960 this newly revised and slightly abridged version of Urteaga s book captures the spirit of his advice which is grounded in truth and is timeless in quality **Becoming God's**

**Children** M. D. Faber,2010-04-15 M D Faber presents a meticulous unremitting inquiry into the psychological direction from which Christianity derives its power to attract and hold its followers Becoming God s Children Religion s Infantilizing Process was written its author says to alert readers to the role of infantilization in the Judeo Christian tradition generally and in Christian rite and doctrine particularly Because religion plays such an important role in so many lives it is essential to understand the underlying appeal and significance of religious doctrines To that end Becoming God s Children offers the reader an in depth account of human neuropsychological development while unearthing the Judeo Christian tradition s explicitly infantilizing doctrines and rites This compelling perspective on the nature and meaning of religious behavior explores issues such as to what extent religious faith is grounded in the mnemonic recesses of the worshipper s brain whether believers are predisposed by both genetic makeup and environmental prompting to adhere to their religious convictions and why some individuals are powerfully drawn to religious faith while others reject it A final chapter explores the implications of religion s infantilizing process vis a vis the role of reason and scientific thought in the contemporary world

wisdom and discernment      **When All God's Children Get Together** Emmanuel L. McCall, 2007 Baptists in the South were once considered the last bastions of segregation From 1957 to 1995 God was at work changing the attitudes of those opposed to the acceptance of all people The change was so phenomenal that Dr C Peter Wagner at Fuller Theological Seminary called Southern Baptists the most open and diverse denomination in the nation This change did not come by accident College and seminary professors denominational servants women in the Woman s Missionary Union in local churches average laypeople and many other unnamed persons made it happen This book tells how God used people and events to bring about unheard changes The book is written from the author s point of view therefore it is limited in scope However because the author had a national platform the book reflects that perspective as well      God's Children In God's Kingdom Charles King, 2019-07-07

Raising children is one of the most difficult things that we have to do in life The bible says to raise a child in the way he should go and he will not depart from it even when he is old This is why it is important to raise children in the right way in the Lord Children of any age have as much right to enter the Kingdom of God as any adult maybe even more so The consequences for hindering children from coming to the Lord are worse than having a millstone tied around your neck and being drowned in the depths of the sea That is the way Jesus put it One of the problems we have in teaching our children to walk with God is that we as adults do not really understand the principles for ourselves so how can we expect to train our children in these things We have been taught by the world how to think and act Even if we grew up going to church many of us still have the world s view of doing things Many of us have been going to church and have been taught some things that are not biblical Our view of the world and of Christianity has been coloured by the things that we have been taught from the day we were born Things that were not necessarily right How can we teach our children right if we do not have the right knowledge My prayer is that in writing this book that you may begin to understand the importance of children to God and His Kingdom Also to help to realise that children do not have to get to an age of understanding all about the Christian faith before they can get to know the Lord Jesus      **God's Design for the Highly Healthy Child**

Walter L. Larimore, 2004 Written by a trusted family physician this indispensable guide equips parents to assess their children s health physically emotionally relationally and spiritually and then to create a practical and realistic plan to improve and nurture their children to become highly healthy      **Our haunted world, Spiritual attacks, and God's protection** Dr.

Anthony B. Atwam (PhD), 2025-09-22 The struggle for personal success justice freedom righteousness and well being is a concern of every human being Some liberation movements have rightly located these problems in unjust societal structures such as capitalism colonisation hierarchy human greediness disobedience to God and so on These observations often overlook the impact of the spiritual realm on human life At the global level it leads the world and humanity astray from God ordained place in the universe We are wrestling against spiritual powers in all seven gates of society government education arts and entertainment economy media family and religion At the personal level many people do not have peace good health

righteousness material prosperity justice and eternal life Most people pay attention to the subject only when they experience it Others dismiss it as myth or unscientific Science does not deal with spiritual issues these belong to the realm of the supernatural which comes under theology or more broadly religion and spirituality The ultimate spiritual protection is from God and He gives it to the righteous People should not be afraid of spiritual attacks One can easily overcome spiritual problems if one faithfully loves God and lives in obedience to God Thus this book examines and contributes to the kind of help people need to understand spiritual attacks how they happen why they happen how God rescues us and what people should do This book is a contribution to a theology of redemption *Raise Them Up* Sally Burke, Cyndie Claypool de Neve, 2019-08-06

**How Not to Totally Put Your Children Off God** Howard Worsley, 2020-04-17 Parenting can be the best or worst of times It can be a role we love best or one that causes great insecurity There is no formal training for parenthood There are no clear benchmarks of success and yet it demands all our resources skills and attention Parenting has no blueprint This book is the merging of the author's deep convictions of parenting with examples of both When it worked and When it did not work He has also elicited the help of his sons to write their perspectives on how their experiences and memories connect or differ from his own Each chapter has two sections Section A contains reflections on habits that seemed to work in passing on faith Section B then reflects on the same habit but from a more critical perspective These five chapters come from the author's experiences as a dad as a Christian leader and as a theologian The first section in each chapter marks those habits that he believes in passionately They are the Do's those habits formed in parenting for faith They emerged in the business of parenting and have become clearer over life The second section notes when parenting seemed to go wrong These are the nightmares that skulk around the edges of a parent's consciousness the failures when high hopes are not realised However it could be that in these cock ups in being a parent are when the actual parenting for faith is really carried out That at least is the comment made by the three sons commenting on the script
