God And Cosmos A Christian View Of Time Space And The Universe:

God and Cosmos John Byl, 2001 A Christian view of time space and the universe emphasizing the superiority of Scripture to all other sources of knowledge and dealing helpfully with the Big Bang theory of origins extraterrestrial intelligence the spiritual realm and much else *Christian Worldview and the Academic Disciplines* Deane E. D. Downey, Stanley E. Porter, 2009-04-15 This book an edited compilation of twenty nine essays focuses on the difference s that a Christian worldview makes for the disciplines or subject areas normally tauht in liberal arts colleges and universities Three initial chapters of introductory material are followed by twenty six essays each dealing with the essential elements or issues in the academic discipline involved These individual essays on each discipline are a unique element of this book These essays also treat some of the specific differences in perspective or procedure that a biblically informed Christian perspective brings to each discipline *Christian Worldview and the Academic Disciplines* in intended principally as an introductory textbook in Christian worldview courses for Christian college or university students This volume will aslo be of interest to Christian students in secular post secondary institutions who may be encountering challenges to their faith both implicit and explicit from peers or professors who assume that holding a strong Christian faith and pursuing a rigorous college or university education are essentially incompatible This book should also be helpful for college and university professors who embrace the Christian faith but whose post secondary academic background because of its secular orientation has left them inadequately prepared to intelligently apply the implications of their faith to their particular academic specialty Such specialists be they professors or upper level graduate students will find the extensive bibliographies of recent scholarship at the end of the individual chapters particularly helpful Downey and Porter present a unique contribution to the perennial question of how faith interacts with the academic disciplines Numerous factors contribute to this book s significance the common conviction that one s Christian beliefs ought to shape the contents of one s teaching the variety of perspectives and opinions and the wide range of academic disciplines under discussion The essays originating among the excellent faculty of Trinity Western University will deservedly be much used in undergraduate colleges and universities Hans Borsma J I Packer Professor of Theology Regent College Few faculty Christian or otherwise understand what their colleagues in other departments are doing or why This collection of essays is not only an excellent introduction to the whole scope of academic enterprises but to the unique and important relationship between each discipline and the Christian faith An important book not only for the entire range of faculty but for students yearning to understand both their Christian faith and what is being taught in the classroom James W Sirf author of the *Universe Next Door* and with co author carl Peraino *Deepest Differences A Christian Atheist Dialogue* *Christian Worldview and the Academic Disciplines* is a book long overdue It will serve as an outstanding textbook for interdisciplinary courses But this book is more than that *Christian Worldview and the Academic Disciplines* is a book that everyone concerned with Christian thought especially in the context of the Academy will want to

Challenging Creation - 2nd Edition , God and the Cosmos Harry Lee Poe, Jimmy H. Davis, 2012-02-16 Theologian Harry Lee Poe and chemist Jimmy H Davis argue that God s interaction with our world is a possibility affirmed equally by the Bible and the contemporary scientific record Rather than confirming that the cosmos is closed to the actions of the divine advancing scientific knowledge seems to indicate that the nature of the universe is actually open to the unique type of divine activity portrayed in the Bible

Unmasking Biblical Faiths Charles W.

Hedrick,2019-01-11 Unmasking Biblical Faiths aims to address many of the challenges to traditional Christian faith in the modern world Since the eighteenth century Age of Enlightenment human reason formerly tethered by the constraints of organized religion has been set free to explore the universe relatively unchallenged The influence of the Bible on the other hand weakened due to the successes of modern historical criticism is found to be inadequate for the task of enabling the faith once for all delivered to the saints Jude 3 in that it cannot adequately respond to the many questions about religious faith that human reasoning raises for modern human beings In a series of short but tightly reasoned essays Charles Hedrick explores the confrontation between traditional Christian faith and aggressive human reason a conflict that is facilitated by Western secular education *Perspectives on Science and Christian Faith* ,2007 *Making Disciples in Africa* Jack Pryor Chalk,2013-08-14 With two thirds of sub Saharan Africa professing to be Christian it should be a concern to all Christians that the biblical worldview has had little impact on the shaping of contemporary African culture In this book Jack Chalk analyses the belief systems of the worldviews that are based on Christianity and African Traditional Religion The analysis conclusion and recommendations are presented with the view to helping the church in Africa deal with syncretism and the effect it has on the beliefs and practices of its members **A Companion to Philosophy of Religion** Charles Taliaferro,Paul Draper,Philip L. Quinn,2010-04-12 In 85 new and updated essays this comprehensive volume provides an authoritative guide to the philosophy of religion Includes contributions from established philosophers and rising stars 22 new entries have now been added and all material from the previous edition has been updated and reorganized Broad coverage spans the areas of world religions theism atheism the problem of evil science and religion and ethics *Worldview of the Christian Faith* Joseph Charles Beach,2022-10-27 Worldview of the Christian Faith explores the differing worldviews of our society against the backdrop of what Christians should believe Joseph Charles Beach a devoted believer in our Lord and Savior Jesus Christ answers questions such as Why do morals and values matter Is the Bible still relevant in today s modern world How can Christians stand up for the truth instead of caving in to the whims of society Can Christians defend their faith amid so many assaults on God and the Bible The author also explores whether science and the Bible can coexist and argues that skeptics of the Word should give Christianity another look It may surprise you how accurate the Bible is despite what you may have heard Only the Christian faith can offer hope truth and value to you as an individual Whether you have lost your faith want to ignite it or are confused about what to believe you ll find valuable guidance in this book *Science and Religion in Dialogue* Melville Y. Schaefer, 2003 In Science and Christianity CONFLICT OR COHERENCE Dr Henry F Schaefer's university lectures have been expanded to full length essays Thus we have a first hand account of the lively current science Christianity discussions by one of the major participants Science and Christianity describes why and how Dr Schaefer became a Christian as a young professor of Chemistry at the University of California at Berkeley Throughout the book retains the highly personal character of the university lectures general respect for those with whom the author disagrees and a delightful sense of humor

Divine and Contingent Order Thomas F. Torrance, 2005-07-20 This book examines the implications of the Judaeo Christian claim for our understanding of the universe that it is contingent freely created by God out of nothing and having an existence freedom and rational order of its own while still dependent on him Professor Torrance argues that this claim made possible the development of western empirical science but that Newtonian physics obscured the connection between the rational order of nature and the Christian doctrine of creation He shows how modern relativity and quantum theories have once again drawn attention to the significance of contingency and imply that the universe is found to be consistently rational only if it is dependent on a creative rationality beyond it He considers finally the disorderly elements in the universe both physical and moral and argues that the doctrine of incarnation as well as of creation is necessary to deal with the intellectual problems which they raise Philosophy and Faith Gary Clifford Gibson, 2008-07-18 A consideration of select cosmology theories by a philosophically minded Christian Questions about the nature of the Universe life and the relationship to God in the passage of space time as an individual life grows through the physical process of life being a part of the process of the Universe The works of Schopenhauer and Plotinus and contemporary cosmology are featured here as the author provides Christian creation contemplations **Evangelical Bible Doctrine** Dr. Keith Sherlin, 2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr Wayne House

Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come **Quantun Sciensce** Robson Rodovalho,2020-07-22 This book teaches how to think about science in a unified fashion and its connection with spirituality Bishop Robson Rodovalho shows how faith and the intangible intermingle and complement each other to become one thing in the end Based on the poetic premise Nature makes no miracles it makes revelations of Carlos Drummond de Andrade and Rodovalho reveals in this book that besides the chemical connection with the Earth and with the atomic universe we have a connection with God the complete the supernatural **Exposing Myths About Christianity** Jeffrey Burton Russell,2012-05-15 Renowned historian Jeffrey Burton Russell famous for his studies of medieval history sets the record straight against the New Atheists and other cultural critics who charge Christianity with being outdated destructive superstitious unenlightened racist colonialist based on fabrication and other significant false accusations
