## God And The Referee:

*God and the Referee* Eoghan Corry, 2005 In *God and the Referee* Eoghan Corry takes the most memorable words written or spoken about the GAA and amasses them into a treasury of the great and the good Grouped into twenty five sections *God and the Referee* covers the full expanse of the GAA from players and coaches journalists and commentators balladeers and mentors and from the many hurlers on the ditch who know the game better than anyone This collection of over 1 000 of the most memorable GAA quotations will amuse and absorb readers collecting together the unforgettable outstanding brilliant words of those GAA greats who have enlivened and brightened Ireland s national sports     The Christ- Like God John V. Taylor, 2012-12-06 The central thesis of *The Christlike God* is that Jesus is the reflection in human life of the being of God John Taylor begins by pointing out how few religious people or non religious people ever stop and think about God but tend to live with an unconscious stereotype He discusses throughout the text how we acquire our idea of God the nature of revelation experience and the range of reflection on God both within and out with the Christian tradition Bishop John Taylor was one of the twentieth century s leading Anglican missionary statesmen An ecumenist Africanist and theologian of international repute he served as a General Secretary of the Church Missionary Society at a crucial stage in its development and later became Bishop of Windsor     *P.S. God, Can You Fly?* R. Wayne Willis, 2002 A longtime chaplain at a children s hospital R Wayne Willis has collected prayers and cards left by children in the hospital chapel In *P S God Can You Fly* he offers reflections on some of these prayers and what they mean for believers and for the children who wrote them These hope filled and heartfelt prayers are sure to touch anyone who has experienced physical emotional or spiritual crises     Honest to God John A. T. Robinson, 2014-09-16 On first publication in the 1960s *Honest to God* did more than instigate a passionate debate about the nature of Christian belief in a secular revolution It epitomised the revolutionary mood of the era and articulated the anxieties of a generation     *The Calvary Road* Roy Hession, 2016-07-26 Do you long for revival and power in your life This beloved classic has helped open millions of hearts to a personal revival in life with Jesus Christ With soul wrenching testimony and marked simplicity Roy Hession teaches that through brokenness humility and confession we can prepare our hearts to receive the fullness God wants for us First published in 1950 this updated version of *The Calvary Road* includes a new foreword by George Verwer     **Forms of Federal Practice** , 1903     *The Doctrinal Treatises* St. Augustine of Hippo, 2017-08-31 The most weighty of the doctrinal treatises is that on the Holy Trinity The Latin original *De Trinitate contra Arianos libri quindecim* is contained in the 8th volume of the Benedictine edition It is the most elaborate and probably also the ablest and profoundest patristic discussion of this central doctrine of the Christian religion unless we except the *Orations against the Arians* by Athanasius the Father of Orthodoxy who devoted his life to the defense of the Divinity of Christ Augustine owing to his defective knowledge of Greek wrote his work independently of the previous treatises of the Eastern Church on that subject He bestowed more time and care upon it than on any other book except the *City of God*

Besides this treatise the following works are included The Enchiridion or On Faith Hope and Love On the Catechising of the Uninstructed Treatise on Faith and the Creed Concerning Faith of Things not Seen On the Profit of Believing On the Creed
