Aaland, 2023-01-09 This book is about the wonderful type of government that our forefathers left us It is a country to be governed by the people for the people Over the years our elected officials sometimes forget the wishes of our founders In this book I guide the reader into realizing how great this country is when the politicians follow the Constitution and the Bible These were the bases for this new kind of government that was established in 1778 This book gives many examples of how our elected officials should look to the Constitution and the Bible when making laws Too often our politicians forget they work for we the people *God Bless America* Kathleen E.R. Smith, 2014-10-17 After Pearl Harbor Tin Pan Alley songwriters

rushed to write the Great American War Song an Over There for World War II The most popular songs however continued to be romantic ballads escapist tunes or novelty songs To remedy the situation the federal government created the National Wartime Music Committee an advisory group of the Office of War Information OWI which outlined proper war songs along with tips on how and what to write The music business also formed its own Music War Committee to promote war songs Neither group succeeded The OWI hoped that Tin Pan Alley could be converted from manufacturing love songs to manufacturing war songs just as automobile plants had retooled to assemble planes and tanks But the OWI failed to comprehend the large extent by which the war effort would be defined by advertisers and merchandisers Selling merchandise was the first priority of Tin Pan Alley and the OWI never swayed them from this course Kathleen E R Smith concludes the government s fears of faltering morale did not materialize Americans did not need such war songs as Goodbye Mama I m Off To Yokohama There Are No Wings On a Foxhole or even The Sun Will Soon Be Setting On The Land Of The Rising Sun to convince them to support the war The crusade for a proper war song was misguided from the beginning and the music business then and now continues to make huge profits selling love not war songs *Catalog of Copyright Entries*
