God An Itinerary:

God Régis Debray, 2004-04-17 Debray's purpose in this major new book is to trace the episodes of the genesis of God his itinerary and the costs of his survival *God An Itinerary* uses the histories of the Eternal and of the West to illuminate one another and to throw light on contemporary civilization itself **God** Régis Debray, 2004 **God of No Fixed Address** Jean-Claude Verrecchia, 2015-01-12 Where does God live This is not an idle question Does God dwell there near us or away from us Does he live in one place or is he willing to relocate Is it possible to visit his house and in this case what are the entrance requirements Does he live in a closed place totally forbidden for any human visit Answering these questions is the subject of *God of No Fixed Address* The tone used is very accessible and sometimes even disturbing Misconceptions about the Jewish sanctuary the Jerusalem temple and the sacrificial system of the Old Testament will be flattened down and swept when necessary They will triumph the amazing divine will which takes man off balance which refuses any confinement which tears the sails and demolishes the stones to pitch his tent in every heart and in every community of faith *God of No Fixed Address* is a journey for those who love discovering new territories *Vulnerability and Glory* Kristine A. Culp, 2010-10-28 Disasters indicate the complex peril of earthly existence Suffering and risk are global realities Yet the biblical depiction of persons and communities as earthen vessels also suggests that vulnerable creatures can be strengthened to receive and bear the grace and glory of God Culp demonstrates how vulnerability to devastation and to transformation is the very basis for life before God The glory of God may be witnessed in resistance to inhumanity and idolatry and expressed in delight and gratitude for the good gifts of life **God.com** James Alexander Langteaux, 2013-03-27 *God.com* is a refreshing unflinchingly honest approach to seeking our Creator Witty poignant and surprising text draws today's techno savvy readers to God's home page where they can learn to more fully understand and communicate with Him In these pages author James Langteaux boldly tackles some of our toughest questions about maintaining a relationship with an invisible being discussing God as Father Lover and Best Friend *God.com* helps readers identify and break down walls of fear so they can allow God's love and purposes to change their lives in profound ways It invites us all to face the piercing unpadded truth of God's passion for us and respond reminding us that our maturity is at stake *God's Plans for You* J. I. Packer, 2001-09-18 Dr J I Packer offers biblical reflections on life's tough issues Discussing topics like pleasure health disappointment and holiness he maps out problematic situations and then superimposes relevant biblical teachings *Roman Pilgrimage* George Weigel, 2013-10-29 A preeminent scholar of Catholicism transports readers to Rome for the traditional station churches pilgrimage offering a vivid and informative guide to the Eternal City and the Lenten season The annual Lenten pilgrimage to dozens of Rome's most striking churches is a sacred tradition dating back almost two millennia to the earliest days of Christianity Along this historic spiritual pathway today's pilgrims confront the mysteries of the Christian faith through a program of biblical and early Christian readings amplified by some of the greatest art and architecture of western civilization

In Roman Pilgrimage bestselling theologian and papal biographer George Weigel art historian Elizabeth Lev and photographer Stephen Weigel lead readers through this unique religious and aesthetic journey with magnificent photographs and revealing commentaries on the pilgrimage's liturgies art and architecture Through reflections on each day's readings about faith and doubt heroism and weakness self examination and conversion sin and grace Rome's familiar sites take on a new resonance And along that same historical path typically unexplored treasures artifacts of ancient history and hidden artistic wonders appear in their original luster revealing new dimensions of one of the world's most intriguing and multi layered cities A compelling guide to the Eternal City the Lenten Season and the itinerary of conversion that is Christian life throughout the year Roman Pilgrimage reminds readers that the imitation of Christ through faith hope and love is the template of all true discipleship as the exquisite beauty of the Roman station churches invites reflection on the deepest truths of Christianity

The Journey to Faith David J. Bernstine, 2010-04 For even the most casual of Bible readers and or students we are compelled to arrive at the conclusion that faith is not something that we are instantly enabled to obtain nor even boldly declare that recent experience warrants that we possess There is obviously a clear declaration in Scripture that there is a Journey TO Faith Cease attempting to pacify God and set out on your Journey TO Faith which pleases God see Hebrews 11:6 Extracted from a section of the life of Abraham the father of the faithful the 6 steps itinerary check points which this book highlights as seen in God's Book of Beginnings Genesis is as Godly rewarding for each reader as the journey was for Abraham As you set out on your journey you too will discover that making a U Turn on your journey is not an option But without FAITH it is impossible to please Him for he who comes to God must believe that He is AND that He is a rewarder of those who diligently seek Him Hebrews 11:6 NKJV

God in Himself Steven J. Duby, 2019-12-31 How do we know God Can we know God as he is in himself Theologians have argued for the role of natural and supernatural revelation while others have argued that we know God only on the basis of the incarnation In this SCDS volume Steven J Duby casts a vision for integrating natural theology the incarnation and metaphysics in a Christian description of God in himself
