Basic Training for Spiritual Warfare Steven Wiederwax, 2018-10-15 The Personality of God is the first book in a planned series called the Basic Training for Spiritual Warfare The Personality of God is based on Paul's writing to the Corinthians 1 Cor 14 12 and 2 Cor 3 18 and his comparison of looking into a mirror we see unclearly the face of God and how it becomes clearer and more distinct as we are changed into the image of God This reflection we see is of the spiritual image of God and not his physical image This truth begs for the answer to what is God's spiritual nature or what are the personality traits of God that comprise this nature The Personality of God strives to answer this question by addressing the nature of God as it is revealed in the Bible Using both historical and modern Bible commentaries on scripture that documents God's personality the traces the evolution of thought concerning God's individual personality traits is explored Additionally where appropriate the book cites Biblical dictionaries and lexicons to explore the original Hebrew and Greek meanings of the various words to describe God's personality and the challenges facing the translators of the various Bible versions faced in accurately portraying what was written by the authors of the different books of the Bible Isaiah wrote that God teaches us and that we learn precept upon precept line upon line a little here and a little there Is 28 10 Thus the Personality of God is intended to help teach us new precepts that our knowledge of God may increase The Personality of God is intended to help Christians to a greater knowledge and understanding of what it means to be more like God For Pastors and Sunday School teacher in can be used as a reference to help strengthen and encourage their congregation and students of becoming a strong witness for Christ

Understanding God's Personality REV J. C. WASHINGTON, 2012-05-16 The purpose of this book God's Personality is that we all want to know what personality of God that is not like our personality Our personality changes like the weather but God's personality does not his personality is everlasting With us we have two kinds of personality There are the loved kind and the unloved kind In this book I am going to talk about both sides A man's personality versus God's personality Many of us ask the question Why are so many things happening today like murder shooting terrorist attacks robbery and things like kidnapping and God is not doing anything about them I will talk about that as I go through this book There are many things as humans that we need to know about God and his ways As we go through chapter to chapter

detailing the study of the fruit of the Spirit I will awaken your thought and understanding You need to see and know him as he is He is not like us He gives us a chance to be like him but we have to work at it by being the people that he created us to be This too I will be explaining in this book If you know how to act toward others and the way you treat them and the way you carry yourself in everyday life God has given you some talents to work with This book Understanding Gods Personality will answer many questions that one may ask concerning the fallen state of man If we had the personality of God many of us would not fall along the way not knowing which way is right Jesus said I am the way the truth and the light I would like to see everyone go in the right way that straight and narrow pathway to heaven and rejoice with the Father Son and Holy Ghost with the angel singing the highest praise to the Lamb of God In Isaiah 38 1920 KJV Hezekiah said The Living the living he shall praise thee as I do this day the father to the children shall make known thy truth The Lord was ready to save me therefore we will sing my songs to the stringed instruments all the days of our life in the house of the Lord This to let them know that God can do the same for them To love God you need much to serve him **God and Personality** Clement Charles Julian Webb,2002 *God and Personality* Clement C.
