Gupta, 2010-04-23 The subject of aliens is not a new one and has been around for a really long time now We talk about it all the time News and articles about the possibility of alien visits or attacks are everywhere Perhaps this has become so common that people have started to shrug it off thinking this is just one of those science fiction topics that media loves to sensationalize If all of a sudden we have an alien encounter one day are we psychologically prepared for this Like many of you even I think we are not In fact we might be in a state of shock as they might turn out to be completely different from any of our imaginations about them But if we are prepared for anything then such an alien encounter might not be shocking The objective of this book is to prepare its readers psychologically to deal with the subject of aliens and the first alien encounter In other words aiming to prepare humanity with the cope of a possible shock upon an impending alien encounter There are a lot of mysteries in this world that might have some paranormal behavior associated to them but they are kind of scattered and appear here and there In other words although these mysteries have been documented well enough by a lot of people from time to time but they do not appear related This book attempts to bring together these mysteries and relate them with one possible explanation that is common the alien connection Also it is trying to bring this subject out from the confines of a circle of scientists subject experts and enthusiasts to a common person So this book is for a common man by a common man

*Angels or Aliens?* James Brouillette, 2020-01-29 Join the journey and examine the mysterious physical remains present on earth that are being used to mount a new attack against Christianity The reason for these ancient remains existence here on this planet is explained using scripture Angels or Aliens explores giants flying vehicles and angels as they are discussed and

explained in the Bible and how they relate to the coming assault against Christians everywhere by this new theological lie This new false doctrine is explored which is now being prepared and developed in order to replace the Theory of Evolution as the Godless answer to mankind's origin This unique look at the modern world from a biblical point of view provides a positive Christian vision and reinforces the fact that God is in control and through Christ the victory is ours In addition through the process the reader is exposed to some possible end time scenarios that they may not have previously imagined After studying the media and the communication in which it engages Brouillette has identified a systematic indoctrination that has taken place over the last sixty years in the area of the existence of life on other planets and Angels or Aliens exposes this newest attack against the Christian belief that our world was created by God Using scripture this new humanist attack is debunked and the relationship this new theory might have with end times prophecy is exposed

**The Hidden Keys in the Bible 2**

Vernon Atkins, 2024-02-12 Why is it so hard to find God Or should I say Why is it so hard for God to find you There are Those who say I Read the Bible often But Can't Understand it So I Quickly Lose Interest in it Then I find myself Seeking a Church and a Man of God to help me get closer to God This after a while did not do it for me So I left the Church feelings even more depressed than before Is it really that hard to make a Connection with our God I been told by others that he said that he love all and wishing that none should perish Well why is it so hard to find him if he love us Is our God speaking out of both sides of his mouth I mean he did say it is impossible for him to lie He also said what comes out of my mouth can't return void it that is the case then you need took at your self and at your attempts to see what you are doing wrong less Review You first Started Reading the Bible How much time did you spend reading the Bible once a week every other month are just doing hollow days did I give up my friends who were still involved in daily activities that goes against the Laws and Commandments of God Did you give up going to places that God would disapproval like bars nightclubs where you find half naked woman's sliding down a pole How about going out gambling looking at trying to get rich and then becoming hooked spending money you don't have money that could have been spent on other things your kids bills Now can you see why it was so hard to understand the Bible Could it be that you are not given your all Less now put you on the right track God says seek him first and all things will be added all you need to do is to knock Asked and Seek in the door will be opened Next you say that you went as far as attending a church and a minister to bring you closer to God Let me say this all ministers are not call by God In other words it is just as bad to hear the words of God from one who is not call to lead you even further from the truth It's like the blind leading the blind and they both fall into a ditch One sure way to know that you have made a Connections with God Is when you seek him daily Reading his words for yourself and keeping all of his Laws and Commandments by you doing this you show Him that you are truly sincere about knowing him This is when God releases His Spirit of understanding to your mind but in small portions and the more you read his words the more knowledge is revealed

**Hidden Truth from**

**Prophecy—Beyond 2012** Robert B. Scott, 2012-10-26 The Harbingers warnings to America expose an important untold story

the astounding truth about prophecy hidden from the Christian world This work is like a sequel unveiling the mysteries of prophecy The keys to the enigma that is Bible prophecy consist in knowing these rarely understood truths America is identified in the Bible and is a major player in prophecy The books of Job and Isaiah are the foundations of all Bible prophecy Aliens and giants are also mentioned in Gods Word and will play a major role in end time events Quote from the book This is more than a book that warns the world of what is about to happen It is also a book that offers a sure hope for the future While the winter solstice of 2012 will indeed begin the time of the greatest spiritual darkness the world has ever known its not the end Its not the end of the world its not even the end of this age U.F.O. Abductions, Fallen Angels, and Aliens Dennis Callen,2022-10-14 The Bible declares in the Book of Revelation in chapter 12 that we will see this one day when the devil and his angels will be cast down to earth Not all angels have wings Therefore they must have something to fly in We know them as UFOs In the book people tell their stories of being abducted by aliens They tell us how their lives were drastically altered Many of them had been abducted many times I believe you will find their testimonies different from anything you ve ever read *Islamic Theology and Extraterrestrial Life* Jörg Matthias Determann,Shoaib Ahmed Malik,2024-02-22 Over the last thirty years humanity has discovered thousands of planets outside of our solar system The discovery of extraterrestrial life could be imminent This book explains how such a discovery might impact Islamic theology It is the foundational reference on the subject comprising a variety of different insights from both Sunni and Shi i positions from different Muslim contexts and with chapters that compare and contrast Islamic perspectives with Christianity Together they address some of our biggest questions through an Islamic lens What makes humans unique in the cosmos What are the ethics of dealing with other sentient beings And how universal is salvation Given the accelerating advances in exoplanet research and astrobiology the book is at the frontier of science and Islamic thought Contributors include a range of leading experts from Muslim theologians scholars of comparative religion and philosophers to historians social scientists and natural scientists **THE WISE WACKY WONDERFUL WORD OF GOD** Derek Mailhiot,101-01-01 Delve deep into the Bible and explore it in a fresh new way The Wise Wacky Wonderful Word of God provides meaningful and relevant answers for all those who cherish the Bible but are troubled by the ethical dilemmas errors and inconsistencies in Scripture Derek also provides clarity and understanding if you are confused by the plethora of conflicting Christian doctrines about heaven hell fate and the end times Why does a God who is good allow evil pain and suffering Did God create Satan and demons Which is true free will or predestination Does everyone have a guardian angel Is Jesus really God According to God s Word what is the meaning of life Can a Christian today who believes that the Bible is God s inspired Word and His special revelation to us also hold a modern scientific worldview without being labelled a heretic Can a Christian believe the Big Bang is the way in which God created the universe and also believe it happened billions of years ago Can a Christian believe Evolutionary Creationism a doctrine that asserts the way in which God created life was by an evolutionary process Do the Rapture Armageddon and

Apocalypse really happen Is the Antichrist a real person What is the purpose of the Millennium when Christ returns to earth and rules all the nations from Jerusalem for 1 000 years Why does the Bible say God s people live in New Jerusalem on earth after the Millennium for eternity don t believers live in heaven If hell is a literal place then why is it called the Second Death eternal death twice in the Bible And what do God s people do during eternity anyway To get to the heart of the Bible s meaning one must determine the plain meaning of the text the meaning which the original author intended When reading the Bible one must be very careful not to take verses out of context and apply them to one s own predetermined set of beliefs We simply cannot make the Bible mean anything that pleases us and then give the Holy Spirit the credit for it So get ready to take a comprehensive and fascinating journey through Scripture *Ancient Alien Theory Decoded* Robert

Sickler,2015-10-22 For those who undertake a serious investigation of unidentified flying objects UFO there can be no questioning their reality Still our government would have people believe UFOs are natural earthly phenomenon Ancient alien theorist however claim unidentified flying objects are highly advanced alien mechanical devices Furthermore the theorist would have us believe aliens are associated with the genesis of mankind and during our formative years they guided us with both technology and the teaching of civil moral standards On the one hand we have our government saying it is nothing and on the other hand we have ancient alien theorists saying ancient aliens were the gods we used to worship We cannot help but wonder why the government denies alien existence and at the same time ancient alien theorists preach a coming alien salvation It is only when the ancient alien theory is decoded that elements of truth are revealed **Alien Abduction, UFO's**

Satan Exposed William P. Payne,2019-07-16 Spiritual warfare is not a church fad Rather it is the rediscovery of biblical Christianity Furthermore one will not grasp what the Bible teaches until one comprehends what it affirms about spiritual warfare In truth spiritual warfare permeates the entire Bible When one learns to read the Scriptures through the lens of spiritual warfare one will discern the mission of God understand the kingdom of God and be able to participate in the work of God As a professional theologian seminary professor and spiritual warfare practitioner Bill Payne believes that the church will not make disciples of all nations Matthew 28 18 20 until it operationalizes what the Bible teaches about spiritual warfare As it orients the reader to the spiritual warfare mandate Satan Exposed tackles the difficult passages of Scripture In short this book will change how you read the Bible how you understand reality and how you do ministry

**Demon Invasion** Steve Taylor,2018-09-01 On June 6 1944 two million allied troops invaded five beaches on the coast of Normandy France to ultimately defeat Nazi Germany in WWII It was a massive invasion force Likewise there has been a massive invasion force of demons into our world that is millions of times larger than the force at Normandy They invaded thousands of years ago and have spanned the globe to infiltrate every place that humans exist and live They have doomed untold billions to hell for all eternity through their deceptions How have they done this You may be shocked and surprised at the answers Don t be deceived

Milor, 2000-04-04 To get more information on this book and my other books check out my website at [www.AliensInTheBible.com](http://www.AliensInTheBible.com) When reading the Bible readers usually find moral guidance sometimes they perceive a sense of poetic beauty But how often do readers fall into the pages and swim among the ancient Hebrew characters How many people transcend the eons of time within the ancient text of the Bible then look up from their reading and consider for a moment that they are mysterious beings immersed in a mysterious creation How odd this current world must have looked we with our televisions space shuttles and computers in the visions of the prophets of old and how odd the world of antiquity looks to us today a world of giants magicians and sorcerers a world of legendary gods coming from the heavens *Aliens in the Bible* is a book of possibilities No claim of supreme knowledge in biblical interpretation is made rather scripture is presented and with it the pondering mind of the author Some pondering may be perceived as utterly preposterous despite the fact that science and historical literature other than the Bible may also support some suggested theories Nevertheless this book should be a healthy read it should touch the unseen eyes of the soul which delight in the revelations of the invisible realm *Aliens in the Bible* is researched information that places paranormal subjects into three categories supernatural entities realms of existence and phenomenon Within the scope of paranormal phenomenon unlike the title of this book may suggest a host of topics are covered Along with the existence of aliens ghosts thought forms artificial intelligence monsters and mythical beings are also discussed all with a biblical interpretation The realms of heaven and hell are explained in depth Other paranormal phenomenon such as reincarnation PSI astral projection stigmata and more are also elaborated upon Some of the theories presented in this book might make the average Christian laugh Indeed they could be embossed on the front page of a tabloid Some of them are as follows 1 The beast spoken of in the book of Revelation might actually be an artificial intelligent life form 2 The giants of Genesis chapter 6 were genetically engineered hybrids of humans and fallen angels Dinosaurs and other monstrous prehistoric beasts were the results of precursory genetic experimentation leading up to the Nephilim giants 3 Astral projection was practiced at the Tower of Babel This ability aided in the growth of exponential knowledge 4 Satan once ruled a host of planets his home world was called Rahab God destroyed this world it became what is now known as the asteroid belt 5 The heaven reported by many non Christians that have had NDEs Near Death Experiences isnt really heaven at all Its actually a vacated paradise located within the midst of Hades ruled by demonic entities 6 What people perceive as reincarnation is actually possession of the deceased This book may be accused of not being focused on the primary message of the Bible The heart of scripture is the heart of God that He imbed Himself inside the body of a human being by the name of Jesus and willingly allowed Himself to be murdered Why did He do this Because He demands perfect justice yet seeing that we can never pay this price He paid it for us if only we accept Him on His terms Instead this books focus is on items that may

be deemed a value of secondary importance in comparison with the essentials of the Christian faith such as the love of God the immaculate conception of Christ His work of salvation on the cross moral absolutes etc To all Christian readers I humbly request you humor this work for this book should serve a valuable twofold purpose First of all it will witness to seekers who often immerse themselves in the Word of God
