William James

God Came Near Abridged:

A Hand Not Shortened William Jaynes, 2005-12-01 A Hand Not Shortened is a comprehensive theological book on the creative workings of the grace of God in ten of the great individuals of the Bible. Very few books examine exegetically the dynamics of the grace of God in such detail. The primary theme of the book is that God adjusts the workings of His grace to each of these great individuals' situations. Theologically speaking, God's grace is not restricted to parameters that apply only to pristine individuals or to those who were raised in privileged circumstances. Rather, God's grace is characterized by great flexibility to reach any individual in a variety of circumstances. This fact has grand theological and practical implications. It gives hope to the theologian whose primary declaration is that God is Love and stirs the aspirations of the seeker who longs to hear that God really cares. This book focuses on the lives of many great individuals from the Bible, including Abraham, Jacob, Joseph, Moses, David, Peter, Paul, and others as well. This book will have a deep impact upon both the theologian and the seeker.

The history of his own times abridged by the author for the use of students Gilbert Burnet, 1903 *A Shortened Version of the Bible* Daniel Gwira, 2012-08-14 According to author Daniel Gwira, I once decided to try to read the Bible and take notes. It took me almost a year. Although the Message was clear, powerful, and good, I wondered why there had never been a precise version of the Holy Book, and this gave me the idea to turn the notes I took into a shortened version of the Bible. I have to the best of my ability accurately and faithfully summarised the Bible in all its paradoxical mix of confusing complexity and sizzling simplicity. I hope it will be useful, practical, and a delight for those who choose to read it. *The Expositor's Bible Commentary - Abridged Edition: Two-Volume Set* Kenneth L. Barker, John R.
