God Can Handle It Fathers:

God Can Handle It . . . Fathers Jim Gallery, 2004 If you re lucky enough to be a father or if you re about to become one pay careful attention to the ideas in this book Read God s Word and claim His promises Learn from the voices of experience that appear on these pages Vow that with God s help you will become the very best dad you can be And be comforted by the fact that nothing is going to happen today that you and your Father can t handle *God Can Handle it ... Fathers* Jim Gallery, 1999 **Nicene and Post-Nicene Fathers** Philip Schaff, 2007-06-01 [Look What God Can Do](#) Erica Wright, 2017-09-29 Look What God Can Do is a book that everyone needs to read As believers we know that God is almighty and powerful but we sometimes lose sight of that when going through trials and tribulations Look What God Can Do is a strong reminder that God will bring us through every situation and circumstances not only once but over and over again I ve often heard the saying The Lord will make a way as a reminder to have faith in what God can do but I was excited to hear what God has already done Daniel Wright III Minister at Restoration Family Center and Entrepreneur It is an honor to be associated with the initial offering of a new writer A new writer steps onto the scene and the world takes notice of their style and content Erica has a straightforward style born of her experiences with God herself and others Very rarely is experience vague Life experiences hit you right between the eyes and you have no choice but to respond Normally it hurts Erica teaches us that we can experience life s experience with God the Father who is the author of life itself Jesus Christ who is the example of one who trusted in God s providence and the Holy Spirit who empowers us with His presence Therein lies her content Everyone with breath faces the seemingly arbitrary circumstances of life Luck happenstance and coincidence have no substance To face life this way is to be tossed back and forth with no grounding Erica teaches us that life has meaning and purpose By her stripes we learn that God actually is a part of our daily lives Those who follow Jesus understand that all things work together for our good and God s will Thank you Erica for teaching us that faith is the content of life that allows us to face life s trials You teach us that suffering doubt and rejection have meaning and purpose The meaning and purpose are God s way of molding and shaping His people Your story actually is the story we all live Avery C Brown D D A M E Presiding Elder Zion Church Denomination This book tells the story of faith and hope My goal is that every reader will read this book and no matter where they are in life to have faith and trust in God and to understand that God loves each of us the same There is no one that cannot experience his love and his presence We all have a testimony this one is mine When I was given the prophesy by my first Spiritual Father Pastor James Armstrong of New Harvest Christian Center that I would someday write this book I felt it would happen in two years but no God allowed me to experience and live what I was to write It took twelve years of going through various life trials where God just stretched my faith and me right down to where faith is all I had I began using nothing but biblical stories But God showed me through Pastor Dorian Daniels that this is your story so tell it This is my testimony of What God Can Do and I know that whatever God has done for me he can do for you I am so excited for our

A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church, Second Series, Volume 9

Philip Schaff, Henry Wace, 2022-04-29 Philip Schaff's classic work colloquially known as The Early Church Fathers is an invaluable resource filled with the primary documents and early theological building blocks for the Christian church Comprised of thirty eight volumes it is broken into three parts the Ante Nicene Fathers and Nicene and Post Nicene Fathers First and Second Series *Perseverance and Apostasy in the New Testament* Dongsu Kim, 2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God's sovereignty and human responsibility the role of the Holy Spirit for the believer's perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy ENDORSEMENTS The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim's near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book Dr Sam Storms Lead Pastor of Bridgeway Church Oklahoma City Enjoying God Ministries Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in future work on this controversial topic Dr Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology The Southern Baptist Theological Seminary Perseverance and Apostasy in the New Testament is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer

can apostatize The author neither avoids difficult questions nor skirts challenging texts Rather he carefully works his way through each relevant New Testament text s central exegetical questions offering judicious insights and integrating those insights into a collective explanation I found some of my own assumptions challenged while reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance Dr Kenneth Berding Professor of New Testament Talbot School of Theology at Biola University Perseverance and Apostasy in the New Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John s Gospel walking through Acts and the letters and completing with the book of Revelation One s theological presuppositions will of course affect how he she receives and responds to Kim s case It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude Yet undoubtedly Perseverance and Apostasy in the New Testament proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions This well written book will serve its readers effectively by sharpening or challenging their views if not both Dr John Lee Associate Professor of New Testament Midwestern Baptist Theological Seminary This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition Perseverance and Apostasy in the New Testament provides a thoroughly biblical and hermeneutically and canonically sensitive study Kim s exposition is scholarly rigorous and articulate He argues persuasively that the various biblical writers engagements with apostasy are consonant with the Scriptures declarations of divine sovereign grace in salvation Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these criticisms challenges and distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God s gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture s teachings about the ideas of perseverance and apostasy Dr Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim

is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim s book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee
Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary
