Economic History of Bengal ... Vol. 2 N. K. Sinha, 1962 **The Cambridge Economic History of India: Volume 2, C.1757-c.1970** Dharma Kumar, Tapan Raychaudhuri, Irfan Habib, Meghnad Desai, 1983 Volume 2 of The Cambridge Economic History of India covers the period 1757-1970 from the establishment of British rule to its termination with epilogues on the post Independence period Economic History of Modern India S.N. Pandey, The studies on economic history of modern India had a very late beginning During the early stage of historiography a few historians recognized the connection between political and economic history remained a chapter on economic conditions only Causes and effects of economy were never analyzed This book attempts to fill that gap Examining the characteristic of a colonial economy the book discusses the process of colonizing Indian economy with speared focus on monopolistic trade tactics banning of Indian products in Britain transformation of trade after industrial revolution and entry of foreign enterprises in India It also extend an elaborate discussion on land settlement revenue policies commercialization of agriculture decline of handicrafts state of irrigation development of transport and communication and currency Finally it evaluates economic impact of British rule and addresses the issue of economic drain from India **Merchants and Colonialism** Amiya Kumar Bagchi, 2018-12-13 Amiya Kumar Bagchi's *Merchants and Colonialism* is a landmark work in economic history and sociology The author shows us how colonial rule put traders and manufacturers under immense pressure forcing them to look for survival strategies in a changed economic environment This resulted in long term de industrialization and irreversible damage to traditional modes of production which had far reaching economic consequences for India after Independence **Economic History of Bengal ... Vol. 1. 2nd Ed** N. K. Sinha, 1961 *Trade, Politics and Society* Sushil Chaudhury, 2016-09-13 The essays in the volume deal with a broad range factors integral to Indian history in the early modern era They unfold many facets of the trade politics and society of the country and offer new perspectives which will help dispel some long held misconceptions The first part of the book is concerned mainly with trade and commerce in Bengal while subsequent chapters provide an extensive survey of maritime trade in the Indian Ocean and the unique contribution of Armenian communities in Dhaka's commercial and social life of the eighteenth century Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *Churchill's Secret War* Madhusree Mukerjee, 2011 Large Print *Churchill's Secret War* Madhusree Mukerjee, 2010-08-10 A dogged enemy of Hitler resolute ally of the Americans and inspiring leader through World War II Winston Churchill is venerated as one of the truly great statesmen of the last century But while he has been widely extolled for his achievements parts of Churchill's record have gone woefully unexamined As journalist Madhusree Mukerjee reveals at the same time that Churchill brilliantly opposed the barbarism of the Nazis he governed India with a fierce resolve to crush its freedom movement and a profound contempt for native lives A series of Churchill's decisions between 1940 and 1944 directly and inevitably led to the deaths of some three million Indians The

streets of eastern Indian cities were lined with corpses yet instead of sending emergency food shipments Churchill used the wheat and ships at his disposal to build stockpiles for feeding postwar Britain and Europe Combining meticulous research with a vivid narrative and riveting accounts of personality and policy clashes within and without the British War Cabinet Churchill's Secret War places this oft overlooked tragedy into the larger context of World War II India's fight for freedom and Churchill's enduring legacy Winston Churchill may have found victory in Europe but as this groundbreaking historical investigation reveals his mismanagement facilitated by dubious advice from scientist and eugenicist Lord Cherwell devastated India and set the stage for the massive bloodletting that accompanied independence
