In the early part of this century Argentina was one of the most affluent nations in the world Since then the Argentine economy has experienced long periods of stagnation and recession Larry Sawers links the country s economic failure to the backwardness of the interior which comprises 70 percent of the area of the country and in which nearly one third of the

population resides The interior s poverty according to Sawers is caused by the scarcity of agricultural resources and by serious inequalities in the distribution of those resources The region is poorly endowed land has been degraded through abuse and overuse and most farmers work tiny unproductive plots Moreover most of the products of the interior are produced for highly protected domestic markets and face stiff competition and falling prices in world markets Recent reforms in Argentina have dramatically aggravated the economic crisis of the interior Sawers shows how the poverty of the interior has contributed to the dismal performance of the Argentine economy as a whole He emphasizes the deleterious effects of extensive emigration from the interior to the major urban areas that are unable to absorb the human tide Additionally the national government has taxed the more prosperous regions in order to subsidize the interior placing a severe drain on the federal government budget and worsening inflation The effects of the interior s poverty on the nation are also political Sawers argues that the backward political system in the interior exacerbates the worst features of the national political culture and governance which in turn pose profound obstacles to economic progress

Economía ecológica: reflexiones y perspectivas Santiago Álvarez Cantalapiedra, Óscar (ed.) ...y otros Carpintero, 2009-03-09. La economía ecológica proporciona una visión de las relaciones entre la economía y la biosfera y se alía a la tensión que existe entre la escala que ha alcanzado la actividad económica y la conservación de la naturaleza. Este enfrentamiento entre la evolución expansiva de la economía y el medio ambiente da lugar a conflictos distributivos de carácter eco-social. Toda decisión económica viene precedida de una pugna distributiva y el desarrollo posterior de cualquier actividad tiene implicaciones en el reparto no sólo del valor económico sino también de los costes sociales y ambientales asociados a ese proceso. En este sentido, los problemas ambientales son el fruto de una desigualdad en la apropiación del espacio ambiental y en la toma de decisiones. Están quienes en función de su posición social y de las tareas que desempeñan gestionan los ámbitos cultural, financiero, político y militar, tienen posibilidad de tomar decisiones que afectan a todos y hay también una amplia mayoría desposeída de la capacidad de alterar las decisiones de los primeros. Por ello, las responsabilidades en el deterioro ambiental no son equiparables como tampoco son comparables los efectos que sobre los diferentes grupos de población se derivan de ese deterioro.

**Homicide in São Paulo** Bruno Paes Manso, 2016-06-09. This volume aims to explain the mechanisms for the epidemic like rise in homicide rates in São Paulo, Brazil during the late 20th century as well as their sharp decrease after 2000. The homicide rates increased 900 percent from 1960s to 2000 and then dropped relatively quickly to 1970s levels over the next decade. While the author finds the Brazilian military government and rise of paramilitary police forces to be a major factor in the rise of homicide rates in Brazil, research on violent crime trends has demonstrated that it is generally due to the intersection of many factors, for example changes in policing, social or political structures, availability of weapons, economic influences rather than a single cause. This work integrates individual, neighborhood and structural dynamics at play in both the rise and drop in homicide rates and provides a framework for understanding similar phenomena in other regions, particularly in the developing world. This book will be of interest to researchers in criminology and criminal justice as well as political science and international relations, particularly with an interest in South America. The methodology includes both qualitative and quantitative analysis.

*Atención médica frente a la economía y la diversidad* Salinas Gabiña, Irene, 2015-05-14. Querer beneficiar a los inmigrantes de un trato equivalente a los españoles en materia de asistencia sanitaria e intentar no perjudicar el derecho a la prevención de la salud a los que poseen una garantía constitucional efectiva son las dos fuentes que generan toda la acción legislativa de la equidad. Si no se tiende a la igualdad de derechos sanitarios para los residentes extranjeros estaremos generando anomalías en la

democracia El marco normativo existente en España en el momento actual respecto a la salud del inmigrante proporciona unas condiciones de acceso a la asistencia sanitaria de los extranjeros condicionadas por problemas de difícil solución respecto a los criterios de interpretación basados en los principios de universalidad e igualdad Irene Salinas Gabiña 1969 Licenciada en Medicina y Cirugía por la Universidad Autónoma de Madrid Especialista en Medicina Intensiva UCI Hospital Universitario del Henares Máster en Derechos Fundamentales especialidad en Derechos Humanos y Biética *Economía, derecho y empresa ante una nueva era: digitalización, IA y competitividad en un entorno global*, 2024-07-08 Nos enfrentamos a un entorno marcado por un acelerado desarrollo tecnológico volatilidad económica transición energética inestabilidad política y conflictos geoestratégicos Un entorno desde el más cercano hasta el global en el que surgen nuevos escenarios con cambios inesperados e inestables consecuencias impredecibles multitud de factores interconectados y un cierto y extendido desconocimiento de las reglas de juego Todo ello sin duda nos conduce a un periodo de gran incertidumbre e inestabilidad tanto a nivel económico como social e institucional *Creating a Common Table in Twentieth-Century Argentina* Rebekah E.
