Economic Policy Reform In Egypt:

The Political Economy of Reforms in Egypt Khalid Ikram, 2018 Drawing on Khalid Ikram's extensive knowledge of economic policymaking at the highest levels *The Political Economy of Reforms in Egypt* lays out the enduring features of the Egyptian economy and its performance since 1952 before presenting an account of policy making growth and structural change under the country's successive presidents to the present day

Economic Policy Reform in Egypt Iliya F. Harik, 1997 Provides a new perspective on public policy in postrevolutionary Egypt breaking theoretical ground in the development debate Students and scholars in the fields of Middle East studies and development studies will find this work seminal Tareq Y Ismael University of Calgary Focusing on six areas of economic policy reform in Egypt industry agriculture subsidies foreign exchange education and housing Iliya Harik outlines the development strategy of a country that once led the nonaligned nations of the Third World and explains its slow transition from an authoritarian to a more open and competitive system Harik observes that Egypt's poor economic performance under Nasser Sadat and Mubarak has resulted from a development strategy emphasizing balance over growth While some analysts have claimed that Egypt's economy has suffered under a heavy welfare burden Harik shows to the contrary that the bulk of spending has gone to support a form of economic nationalism aimed at controlled self sufficiency an economic strategy that has ultimately proved detrimental both to growth and to social welfare Beyond his analysis of Egypt's economic model with its bias for slow growth and high cost Harik shows how unrealistic policies have engendered a culture that is not civic minded and explains the political and economic reasons for the regime's gradualist approach to change In his concluding chapter he explores the possibility of a development strategy wherein creative talent is emphasized and public agencies work with organized labor to generate growth employment and equity Iliya Harik is professor of political science at Indiana University and author and editor of numerous books and articles including *The Political Mobilization of Peasants* 1974 and *Privatization and Liberalization in the Middle East* 1992

Foreign Assistance Request: March 16, 24, and April 13, 1994 United States. Congress. House. Committee on Foreign Affairs, 1994 Egypt and the Politics of Change in the Arab Middle East Robert Bowker, 2010-01-01 The situation unfolding in Egypt and elsewhere in the Arab Middle East has important implications for the future of the Arab political order For the first time a secular but inclusive political alternative to Islamism has emerged It has captured the political imagination of the emerging Arab middle class It will shape the regional security environment Its consequences are unpredictable but the greatest risk to the region is the marginalization and alienation of a movement that has raised and galvanized its political horizons Robert Bowker In his book Egypt and the Politics of Change in the Arab Middle East Professor Robert Bowker argues that if regimes fail to address effectively the demands for empowerment of its educated youth they face the prospect of a tsunami like current of instability and regression Ambassador Bowker's new book achieves the challenging objective of making a contribution to scholarship on Egypt and the Arab world while being accessible to a general audience He addresses the key drivers of change such as globalization and Islamicization and the entrenched attitudes behavior and institutions they confront Drawing upon an impressive array of empirical information case studies and first hand observations he both illustrates and assesses the contending forces and the likely outcomes of their confrontations Robert Springborg Naval Postgraduate School Monterey US This book is certain to be a valued and respected addition to the literature on the eve of a potentially transformational moment in Egyptian history and thus possibly for the Arab world as well Jerrold D Green Pacific Council on International Policy Los Angeles US In this illuminating and informed book Robert Bowker tackles the prospects for change in the contemporary Arab world He persuasively argues that while long term demographic educational and social transformations pose formidable challenges for the future the important issues of political reform Islamism and regional security are contestable The message that this book so engagingly conveys is that change is both inevitable and not necessarily to be feared It is a refreshingly constructive and timely reminder for all who would see the new Middle East as destined to be volatile and precarious James Piscatori Durham University UK Dr Bowker's study provides the best

encapsulation and explanation of changes in the Arab world's social and economic landscape in an age of faster and deeper interdependence. Measured and sober in its analysis and challenging in its conclusions, it should be read by all those who want to have a better understanding of the Middle East in general and Egypt in particular.

Amin Saikal, The Australian National University, Egypt and the Politics of Change in the Arab Middle East is a forward-looking analysis of the relationship between economic and political reform in Egypt and of the evolving nature of Arab society and political culture both in Egypt and elsewhere. Writing from the perspective of a recently retired ambassador with extensive Arab regional experience, Robert Bowker discusses the potential impact of systemic resistance to pressures for greater transparency, accountability, and political reform amid ongoing demographic, educational, and generational changes. His analysis encompasses the military and security services, the influence of the shadow state, and the impact of social surveillance, coercion, and corruption. Looking ahead, he discusses emerging business models, returning Arab expatriates, the gradual empowerment of women, and the impact of Islam. He considers the political sustainability of economic reform, including the challenges facing marginalized groups. His analysis concludes by reviewing the regional security and political context of reform, the importance of political leadership over the coming decade, and the role of external parties. Compelling, insightful, and thought-provoking, the book provides
