Economic Relevance A Second Look:

Economic Relevance Robert L. Heilbroner, Arthur M. Ford, 1976 **The Effects of Feminist Approaches on Research Methodologies** Winnie Tamm, 2006-01-01 The Effects of Feminist Approaches on Research Methodologies is about feminist approaches to research in twelve disciplines The authors look at whether there is something called feminist methodology whether there are several feminist methodologies or whether feminists use existing methodologies from a feminist perspective The answers vary according to individuals and disciplines The anthology shows that feminist perspectives used in any discipline include an interdisciplinary approach Feminist use methods which take into account the effect of social and cultural values on academic research The influence of the social relations of the sexes on research in the sciences social sciences dance and humanities is discussed The aim of feminist research is to overcome the widespread sexism in the selection interpretation and communication of research data by focusing on issues concerning women reinterpreting historical theories reconstitution the meaning of knowledge and communicating new understandings These feminist authors look at the purpose of knowledge and communicating new understandings These feminist authors look at the purpose of knowledge and the issue of whose knowledge is communicated in academic research The methods they use are designed to shed light on otherwise dark areas and to critique those areas of academic knowledge that have been in the spotlight for centuries Needs and Limits Frank Martin Rotering, 2009-11 Humankind faces two formidable challenges in the 21st century rapid ecological decline and continuing world poverty The author argues that both problems are rooted in our economic concepts which for the past 500 years have been powerfully shaped by the reality and ideology of capitalism We must now develop a new mode of economic thought to guide us through the profound changes required to achieve sustainable and global well being To this end the author proposes a set of terms concepts and analytical tools that are collectively known as the Economics of Needs and Limits or ENL Unlike conventional economic theories which explain how an economy functions ENL is a set of guiding principles that permits analysts to establish rational economic objectives Such a framework is a requirement for moving our civilization beyond destructive growth and into the equitable post expansionary stage of its evolution *Essays in Social Value Theory: A Neoinstitutionalist Contribution* Marc R. Tool, 2019-05-03 This is a collection of Marc Tool's essays on institutional economics written over the 1980s *Managing the American Economy, from Roosevelt to Reagan* Nicolas Spulber, 1989 Describes and evaluates the views of theorists and practitioners directly involved with four major economic events in American history A Future of Capitalism: The Economic Vision of Robert Heilbroner M. Carroll, 1998-01-12 This book provides an intellectual portrait of Robert Heilbroner It traces the development of his work and places it within the literature of economic thought The book finds that Heilbroner is a writer of political economy in the classical sense His work is more reminiscent of Smith or Marx than of contemporary economic theorists Heilbroner's economics is built on a solid foundation of social psychology evolutionary dynamics and human history This

holistic approach affords Heilbroner a wide latitude to define the economic process and the discipline that studies it

Labor Literature United States. Department of Labor. Library,1977 New Directions for Agriculture and Agricultural Research Kenneth A. Dahlberg,1986 Ethical and value issues The global setting resource environmental and socio economic trends The national setting past and present goals and priorities Assessing neglected dimensions Evaluative concepts in agricultural research Emerging alternatives and their implications Where do we go from here **Labor Literature** ,1977

Defense Issues , *Econometrics in a Formal Science of Economics* Bernt P. Stigum,2015 An examination of the role of theory in applied econometrics Energy Abstracts for Policy Analysis ,1983 Economic Adjustment And Conversion Of Defense Industries John E. Lynch,2019-04-08 Defense plant cutbacks and military base closures have affected hundreds of U S communities during the past twenty five years Tracing the recovery of four communities after large defense plant cutbacks and of one hundred communities after military base closures the contributors analyze the transition from the production of military to civilian goods The contributors examine the market potential of reusing defense industrial plants to produce civilian products within the one to two year period called for by economic conversion proponents showing that the complex process needed to develop test and market an entirely new product requires a minimum of five years They also review the wide range of economic development techniques available at the state and local level conversion approaches in Western Europe programs for displaced workers and reasons why the economic conversion approach has failed to attract public support in the United States The case studies are used to formulate an integrated composite approach for coping with plant closures and major employment dislocations Stressing the importance of community based economic adjustment activities this book will be valuable to all concerned with mitigating the effects of military and civilian plant closures International Who's Who of Authors and Writers 2004 Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature TheInternational Who s Who of Authors and Writersoffers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters **Economic Concentration** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Antitrust and Monopoly,1964 **Resources in Education** ,1997-10 *Projected Changes in the Economy, Population, Labor Market, and Work Force, and Their Implications for Economic Development Policy* United States. Congress. House. Committee on Public Works and Transportation. Subcommittee on Economic Development,1982 Bibliography of

Agriculture ,1973 **Reducing Tobacco Use** ,2000 Extensive report covering the history of tobacco use in the U S and the various attempts to regulate its use advertising minors access and the like **Perspectives and Strategies of Family Business Resiliency in Unprecedented Times** Siringoringo, Hotniar,Kuruppuge, Ravindra Hewa,2023-04-17 Family businesses are essential economic drivers in the world Family businesses are not only able of contributing to the economy in a normal situation but have proven to be able to survive the economic recession However the resilience of family businesses varies and can differ between countries Due to this it is important to get an insight into the resilience of family businesses across countries Perspectives and Strategies of Family Business Resiliency in Unprecedented Times provides relevant evidence and a theoretical framework of how family businesses survive in difficult times such as an economic recession or a pandemic across countries Covering key topics such as ownership entrepreneurship and digitalization this reference work is ideal for business owners managers researchers scholars academicians practitioners instructors and students
