DAD S BEST MEMORIES AND RECOLLECTIONS is Chazzz Humber s epitaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood s shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad s Best Memories and Recollections
