Good Jew And A Good Englishman The Jewish Lads And Girls Brigade 1895 1995:

'A Good Jew and a Good Englishman' Sharman Kadish, 1995 *British Jewry, Zionism, and the Jewish State, 1936-1956* Stephan Wendehorst, 2012 Stephan E C Wendehorst explores the relationship between British Jewry and Zionism from 1936 to 1956 a crucial period in modern Jewish history encompassing both the shoah and the establishment of the State of Israel He attempts to provide an answer to what at first sight appears to be a contradiction the undoubted prominence of Zionism among British Jews on the one hand and its diverse expressions ranging from aliyah to making a donation to a Zionist fund on the other Wendehorst argues that the ascendancy of Zionism in British Jewry is best understood as a particularly complex but not untypical variant of the 19th and 20th century's trend to re imagine communities in a national key He examines the relationship between British Jewry and Zionism on three levels the transnational Jewish sphere of interaction the British Jewish community and the place of the Jewish community in British state and society The introduction adapts theories of nationalism so as to provide a framework of analysis for Diaspora Zionism Chapter one addresses the question of why British Jews became Zionists chapter two how the various quarters of British Jewry related to the Zionist project in the Middle East chapter three Zionist nation building in Britain and chapter four the impact of Zionism on Jewish relations with the larger society The conclusion modifies the original argument by emphasising the impact that the specific fabric of British state and society in particular the Empire had on British Zionism **Jewish Immigrants in London, 1880-1939** Susan L

Tananbaum, 2015-10-06 Between 1880 and 1939 a quarter of a million European Jews settled in England Tananbaum explores the differing ways in which the existing Anglo Jewish communities local government and education and welfare organizations sought to socialize these new arrivals focusing on the experiences of working class women and children

Race, Resistance, and the Boy Scout Movement in British Colonial Africa Timothy H. Parsons, 2004-11-01 Conceived by General Sir Robert Baden Powell as a way to reduce class tensions in Edwardian Britain scouting evolved into an international youth movement It offered a vision of romantic outdoor life as a cure for disruption caused by industrialization and urbanization Scouting's global spread was due to its success in attaching itself to institutions of authority As a result scouting has become embroiled in controversies in the civil rights struggle in the American South in nationalist resistance movements in India and in the contemporary American debate over gay rights In *Race Resistance and the Boy Scout Movement in British Colonial Africa* Timothy Parsons uses scouting as an analytical tool to explore the tensions in colonial society Introduced by British officials to strengthen their rule the movement targeted the students juvenile delinquents and urban migrants who threatened the social stability of the regime Yet Africans themselves used scouting to claim the rights of full imperial citizenship They invoked the Fourth Scout Law which declared that a scout was a brother to every other scout to challenge racial discrimination Parsons shows that African scouting was both an instrument of colonial authority and a subversive challenge to the legitimacy of the British Empire His study of African scouting demonstrates the

implications and far reaching consequences of colonial authority in all its guises After the Shock City Tom Hulme,2019 A comparative and trans national study of urban culture in Britain and the United States from the late nineteenth to the twentieth century Using the industrial cities of Manchester and Chicago as case studies this book traces the idea of citizenship across different areas of local life in the first half of the twentieth century from philosophy and festivals to historical re enactment and public housing Coalitions of voluntary associations municipal government and local elites lambasted modern urban culture as the cause of social disintegration But rather than simply decanting the population to new and smaller settlements they tried to re imagine a reformed city as a place that could foster loyal and healthy communities Celebrating civic progress in the period since the shock city of the nineteenth century they sought to create a sense of local pride that could bracket growing class and racial tensions The diverse individuals groups and communities of the city reacted in different ways to this message Some were happy to gather under the identity of one civic banner Others held back by discriminatory structures of society chose to shape their own idea of citizenship one that looked far beyond the city for a sense of belonging and rights Historians have tended to emphasise the rise of national identity state centralisation and popular patriotism at the expense of distinctive local identities municipal autonomy and expressions of civic pride This book aims to redress the imbalance demonstrating how local ideas of belonging could still exert a powerful hold on the making of modern citizenship TOM HULME is a lecturer in the School of History Anthropology Philosophy and Politics Queen s University Belfast **Mapping the Moral Geographies of Education** Sarah Mills,2021-09-28 This book explores the growth of character education in schools and youth organisations over the last decade It delves into historical and contemporary debates through a geopolitical lens With a renewed focus on values and virtues such as grit gumption perseverance resilience generosity and neighbourliness this book charts the re imagining and re fashioning of a character agenda in England and examines its multiscalar geographies It explores how these moral geographies of education for children and young people have developed over time Drawing on original research and examples from schools military and uniformed youth organisations and the state led National Citizen Service the book critically examines the wider implications of the character agenda across the UK and beyond It does so by raising a series of questions about the interconnections between character citizenship and values and highlighting how these moral geographies reach far beyond the classroom or campsite Offering critical insights on the roles of character citizenship and values in modern education this book will be of immense value to educationists teachers and policymakers It will appeal students and scholars of human geography sociology education studies cultural studies and history **Dictionary of British Women's Organisations, 1825-1960** David Doughan,Professor Peter Gordon,Peter Gordon,2014-06-03 This dictionary is the first attempt to identify systematically the large heterogeneous group of women s organisations that grew up from the early 19th century up to the beginning of the modern women s movement from women abolitionists and Chartists through Social workers nurses suffragists and sexual

reformers to women pilots journalists and cricketers The work brings together over 500 separate entities on a wide variety of societies associations clubs unions and other professional social and political bodies organised by women or for men

Militarism and the British Left, 1902-1914 M. Johnson,2013-01-11 Militarism has traditionally been regarded as a phenomenon of the political right As this book demonstrates however various groups on the political left in Britain during the years before the Great War were able to accommodate and even assimilate militaristic ideas sentiments and policies to a remarkable degree

Rescripting Religion in the City Alana Harris,2016-04-22 Rescripting Religion in the City explores the role of faith and religious practices as strategies for understanding and negotiating the migratory experience Leading international scholars draw on case studies of urban settings in the global north and south Presenting a nuanced understanding of the religious identities of migrants within the modern metropolis this book makes a significant contribution to fields as diverse as twentieth century immigration history the sociology of religion and migration studies as well as historical and urban geography and practical theology

The Great War, Memory and Ritual Mark Connelly,2015 This title seeks to question the modern idea that the Great War was regarded as a futile waste of life by British society in the disillusioned twenties and thirties It concentrates on the planning of fund raising for and erection of war memorials

On the Word of a Jew Nina Caputo,Mitchell B. Hart,2019-01-14 Fourteen essays examining the dynamics of trust and mistrust in Jewish history from biblical times to today What if anything does religion have to do with how reliable we perceive one another to be When and how did religious difference matter in the past when it came to trusting the word of another In today s world we take for granted that being Jewish should not matter when it comes to acting or engaging in the public realm but this was not always the case The essays in this volume look at how and when Jews were recognized as reliable and trustworthy in the areas of jurisprudence medicine politics academia culture business and finance As they explore issues of trust and mistrust the authors reveal how caricatures of Jews move through religious political and legal systems While the volume is framed as an exploration of Jewish and Christian relations it grapples with perceptions of Jews and Jewishness from the biblical period to today from the Middle East to North America and in Ashkenazi and Sephardi traditions Taken together these essays reflect on the mechanics of trust and sometimes mistrust in everyday interactions involving Jews Highly readable and compelling this volume marks a broadly significant contribution to Jewish studies through the underexplored dynamic of trust Rebekah Klein Pej ov author of Mapping Jewish Loyalties in Interwar Slovakia An exemplary compendium on how to engage with a major concept trust while providing load of gripping new information new theorization of otherwise well covered material and meticulous attention to textual and sociological sources Gil Anidjar author of Blood A Critique of Christianity

Visualizing Jews Through the Ages Hannah Ewence, Helen Spurling, 2015-03-24 This volume explores literary and material representations of Jews Jewishness and Judaism from antiquity to the twenty first century Gathering leading scholars from within the field of Jewish Studies it investigates how the debates surrounding literary and material images within Judaism and in Jewish life are part of an on going strategy of image management the urge to shape direct authorize and contain Jewish literary and material images and encounters with those images a strategy both consciously and unconsciously undertaken within multifarious arenas of Jewish life from early modern German lands to late twentieth century North London late Antique Byzantium to the curation of contemporary Holocaust exhibitions *Britain, Israel and Anglo-Jewry 1949-57* Natan Aridan, 2004-08-02 This book focuses on the bilateral and multilateral relations between Britain the former proprietor and Israel the successor state during the period following their armed clash in January 1949 to Israel s withdrawal from the Gaza and the Sinai in March 1957 It highlights the formulation of foreign policy decisions in Britain and Israel Britain s special responsibility and influence which affected Israel s relations with neighbouring Arab states Israel s complex policy towards Britain Anglo Jewry s attitude towards Israel and the distinctive relationship between Israel s embassy in London and the Jewish community **Jews and the Military** Derek J. Penslar, 2015-10-27 A historical reevaluation of the relationship between Jews military service and war Jews and the Military is the first comprehensive and comparative look at Jews involvement in the military and their attitudes toward war from the 1600s until the creation of the state of Israel in 1948 Derek Penslar shows that although Jews have often been described as people who shun the army in fact they have frequently been willing even eager to do military service and only a minuscule minority have been pacifists Penslar demonstrates that Israel s military ethos did not emerge from a vacuum and that long before the state s establishment Jews had a vested interest in military affairs Spanning Europe North America and the Middle East Penslar discusses the myths and realities of Jewish draft dodging how Jews reacted to facing their coreligionists in battle the careers of Jewish officers and their reception in the Jewish community the effects of World War I on Jewish veterans and Jewish participation in the Spanish Civil War and World War II Penslar culminates with a study of Israel s War of Independence as a Jewish world war which drew on the military expertise and financial support of a mobilized global Jewish community He considers how military service was a central issue in debates about Jewish emancipation and a primary indicator of the position of Jews in any given society Deconstructing old stereotypes Jews and the Military radically transforms our understanding of Jews historic relationship to war and military power *Jews, Cinema and Public Life in Interwar Britain* Gil Toffell, 2018-11-03 This book investigates a Jewish orientation to film culture in interwar Britain It explores how pleasure politics and communal solidarity intermingled in the cinemas of Jewish neighbourhoods and how film was seen as a vessel through which Jewish communal concerns might be carried to a wider public Addressing an array of related topics this volume examines the lived expressive cultures of cinemas in Jewish areas and the ethnically specific films consumed within

these sites the reception of film stars as representations of a Jewish social body and how an antisemitic canard that understood the cinema as a Jewish monopoly complicated its use as a base for anti fascist activity In shedding light on an unexplored aspect of British film reception and exhibition Toffell provides a unique insight into the making of the modern city by migrant communities The title will be of use to anyone interested in Britain s interwar leisure landscape the Jewish presence in modernity and a cinema studies sensitised to the everyday experience of audiences

A Question of Identity Anne J. Kershen, 2019-01-15 Published in 1998 this book is a multi disciplinary exploration of one of the most vital issues in the contemporary world Never was this topic more relevant than now on the threshold of the twenty first century At a time when the global economy European citizenship and worldwide religion are the order of the day nationalism as in eastern Europe and the Balkans and regionalism Wales and Scotland provide perfect examples ride high on the agenda It is the problems and paradoxes that emerge immediately the subject is raised that form the core of this book A Question of Identity breaks new ground by drawing together eminent academics from a variety of disciplines including anthropology history law linguistics politics psychology and sociology to examine the way in which issues of identity have impacted on society and the way in which changes in society have resulted in a re evaluation of identity Topics covered include Britishness within the context of devolution language and identity religion gender and identity the political and legal problems of European citizenship elderly migrants and identity and German identity after reunification The book explores questions of identity in two sections British and global The main conclusion to be reached is that at any period of history the question of identity is complex composed of interacting facets which combine in larger or smaller proportions to create the whole be that individual group ethnic religious national or supranational This book sets out to identify some of the facets that contribute to the whole and by so doing answers some of the questions which are currently circulating around the question of identity
