Good Life In Hard Times San Franciscos 20 And 30 S:

Good Life in Hard Times Jerry Flamm, 1977 Reminiscences of growing up and life in general in San Francisco and between the wars by native born and dyed in the wool San Franciscans are accompanied by period photographs **Charles Herrold, Inventor of Radio Broadcasting** Gordon Greb, Mike Adams, 2015-09-11 Still broadcasting today the world's first radio station was invented by Charles Herrold in 1909 in San Jose California His accomplishment was first documented in a notarized statement written by him and published in the Electro Importing Company's 1910 catalog We have given wireless phone concerts to amateur wireless men throughout the Santa Clara Valley Being the first to broadcast radio entertainment and information to a mass audience puts him at the forefront of modern day mass communication This biography of Charles Herrold focuses on how he used primitive technology to get on the air Today it is a 50 000 watt station KCBS in San Francisco The authors describe Herrold's story as one of early triumph and final failure the story of an everyman an individual who was an innovator but never received recognition for his work and as a result died penniless His most important work was done between 1912 and 1917 and following World War I he received a license and operated station KQW for several years before running out of money Herrold then worked as a radio time salesman an audiovisual technician for a high school and a janitor at a local naval facility still telling anyone who would listen to him that he was the father of radio The authors also consider some other early inventors and the directions that their work took **Queen of the Court** Madeleine Blais, 2023-08-15 From the Pulitzer Prize winning journalist Madeleine Blais the dramatic and colorful story of legendary tennis star and international celebrity Alice Marble In August 1939 Alice Marble graced the cover of Life magazine photographed by the famed Alfred Eisenstaedt She was a glamorous worldwide celebrity having that year won singles women's doubles and mixed doubles tennis titles at both Wimbledon and the US Open then an unprecedented feat Yet today one of America's greatest female athletes and most charismatic characters is largely forgotten Queen of the Court places her back on center stage Born in 1913 Marble grew up in San Francisco her favorite sport baseball Given a tennis racket at age 13 she took to the sport immediately rising to the top with a powerful aggressive serve and volley style unseen in women's tennis A champion at the height of her fame in the late 1930s she also designed a clothing line in the off season and sang as a performer in the Sert Room of the Waldorf Astoria Hotel in New York to rave reviews World War II derailed her amateur tennis career but her life off the court was if anything even more eventful She wrote a series of short books about famous women She turned professional and joined a pro tour during the War entertaining and inspiring soldiers and civilians alike Ever glamorous and connected she had a part in the 1952 Tracy and Hepburn movie Pat and Mike and she played tennis with the likes of Charlie Chaplin Marlene Dietrich and her great friends Clark Gable and Carole Lombard However perhaps her greatest legacy lies in her successful efforts working largely alone to persuade the all white US Lawn Tennis Association to change its policy and allow African American star Althea Gibson to compete for the US championship in 1950 thereby

breaking tennis's color barrier In two memoirs Marble also showed herself to be an at times unreliable narrator of her own life which Madeleine Blais navigates skillfully especially Marble's dramatic claims of having been a spy during World War II In Queen of the Court the author of the bestselling In These Girls Hope Is a Muscle recaptures a glittering life story

Modern Sport Joel S. Franks,2025-09-30 This book examines the importance of California a socio cultural economic and political powerhouse in the history of modern sport It argues that California has had a profound influence for better or worse on the way that not only America but also the wider world plays sport and spends money to watch others play The book traces the history of sport in California from the mid nineteenth century to the present and looks at how the state's historical development its climate and its unique racial and ethnic demographics have influenced sport at the elite level and in the wider community It considers the importance of spatial politics and cultural citizenship in the development of Californian sport and tells the story of how franchises such as the 49ers and the Lakers as well as individual athletes such as Jackie Robinson and Billie Jean King have had a profound influence on the way their sports have been consumed across America and in the wider world The book also takes a close look at the impact of mega sporting events in the Californian story providing historical context for the LA 2028 Olympic Games and tracing the full arc of the Californization of modern sports This is fascinating reading for anybody with an interest in sport history American history social and cultural history or the relationship between sport and wider society *Saroyan* Lawrence Lee,Barry Gifford,1998-01-01 A biography of William

Saroyan an American author working mainly in the middle of the twentieth century **Lanza's Mob** Christina Ann-Marie DiEdoardo,2016-06-27 Presenting sociological as well as historical perspectives this book supplies readers with a fascinating unprecedented look at the most successful organized crime family they've probably never heard of From the 1920s until the early 21st century one Sicilian mob family defied everyone from the California attorney general to J Edgar Hoover to chart their own American Dream Unlike their flashier rivals in New York and Chicago who met their end by the knife the bullet or a judge's gavel this crime family prospered and grew alongside their adopted home of San Francisco This book tells how they did it Readers will learn how the Lanzas managed to retain control of their patch from the end of Prohibition through the Summer of Love and into the beginnings of the dot com era gaining insight into not only what the west coast branch of the Mob did but also why they did it The documentation of how this mostly unknown crime syndicate formed evolved and

eventually folded is set against the backdrop of the city of San Francisco transforming itself from a gritty port and manufacturing hub dominated by Italian and Irish Americans into the multicultural intellectual and services capital it is today
