Ruhl,2017-11-15 Who is God How do we even begin to answer the question Is he so infinitely great that our words cannot possibly capture his essence Or is God so intimately personal to our hearts and souls that it is impossible to articulate his character and nature Yet whether God is infinitely high or intimately personal we have one way to know God in a way we can collectively fathomthrough the life and ministry of Jesus Christ Thinking on God is an earnest and thoughtful collection of biblical and religious arguments for the proof of Gods existence and author Don Ruhl dwells on the character of both God and humanity while helping fellow believers see how reflecting on Gods majesty and awesome power can bring us closer to him and his creation The life and ministry of Jesus Christ play a central role in our getting to know God and it is through Christ that we see Gods essencehis power glory grace patience mercy holiness and goodness And yet in the end it may surprise us that the King of kings will ultimately serve us his loyal servants in humility We see God in his creation and we know God through Christ When we seek God and come to know him in all his majesty power and grace we will discover who God is and be able to set a course for our lives Let us therefore not go through a single day without thinking on God **The Routledge**
