Narayanan, Cheri Huber, 2024-05-29. Whether it's a choice such as a class we've signed up for or a chore we feel we have no choice about resistance a voice in the head saying I don't want to I don't feel like it can rocket us from commitment to inaction in a matter of seconds. Employing the tenets of Zen Awareness Practice the book provides numerous exercises and tools for working through resistance. It reveals how the voice of resistance operates in everyday life the many forms it takes and how to be free of it. Transcending resistance is a practice of recognizing it as a process that happens to everybody and not taking it personally. **Suffering Is Optional** Cheri Huber, 2024-03-20. Suffering Is Optional Three Keys to Freedom and Joy centers around three basic aspects of Zen practice pay attention believe nothing and don't take anything personally. Ending suffering requires that one sees how suffering happens the book urges readers to be willing to be quiet and pay attention to the process of suffering in an effort to see each moment as an opportunity to step beyond illusion into freedom. It also argues that examining beliefs abandoning them and returning attention to the present is essential to ending suffering as is living in the awareness that nothing in the universe is personal. Shambhala Sun, 1998. The Fear Book Cheri Huber, 1995. Rather than explaining typical strategies for overcoming fear this book focuses on examining how fear is experience how to recognize that experience as nothing more than conditioned reaction to circumstance and how to mentor oneself into letting go of beliefs about appropriate responses to fear. The notion is debunked that fear is anything other than a label we have learned to put on a set of physical and emotional responses which is a Buddhist view of emotion in general.
