Good Master:

A Good Master Well Served Lawrence William Towner, 2019-07-12 First published in 1998 Early American historians are finding connections between the bonded status of African American slaves European indentured servants convicts and sailors An excellent starting point for this inquiry is this neglected classic by Lawrence Towner former head of the Newberry Library in Chicago and editor of the William and Mary Quarterly This comprehensive study of the lives and experiences of bonded laborers in colonial Massachusetts demonstrates the full sweep of their work and aspirations Towner analyzes the legal status of all varieties of black and white bonded laborers He explores their living and working conditions and discusses the cultural significance of work in their lives The book also address gender issues in bonded labor The author s approach provides a new understanding of the experiences of black and white workers in early America and corrects a long standing neglect of blacks in previous research This edition makes this important work available in print for the first time and includes an introductory essay by Alfred F Young

Discipleship Dietrich Bonhoeffer, 2003-05-01 Cheap grace is the mortal enemy of our church Our struggle today is for costly grace And with that sharp warning to his own church which was engaged in bitter conflict with the official nazified state church Dietrich Bonhoeffer began his book Discipleship formerly entitled The Cost of Discipleship Originally published in 1937 it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government At its center stands an interpretation of the Sermon on the Mount what Jesus demanded of his followers and how the life of discipleship is to be continued in all ages of the post resurrection church Every call of Jesus is a call to death Bonhoeffer wrote His own life ended in martyrdom on April 9 1945 Freshly translated from the German critical edition Discipleship provides a more accurate rendering of the text and extensive
