Good News For Modern Man Third Edition:

A General Introduction to the Bible David Ewert, 1990 David Ewert combines the story of the history of the biblical text with the story of the men and the women who went to great extremes to provide their generation with the Word of God in a language that could be understood

Reasonable Faith (3rd edition) William Lane Craig, 2008-06-09 Perfect as a textbook yet excellent for lay readers this updated edition builds a positive case for Christianity by applying the latest thought to core theological themes J Gresham Machen once said False ideas are the greatest obstacles to the reception of the gospel which makes apologetics that much more important Wanting to engage not just academics and pastors but Christian laypeople and seekers William Lane Craig has revised and updated key sections in this third edition of his classic text to reflect the latest work in astrophysics philosophy probability calculus the arguments for the existence of God and Reformed epistemology His approach that of positive apologetics gives careful attention to crucial questions and concerns including the relationship of faith and reason the existence of God the problems of historical knowledge and miracles the personal claims of Christ and the historicity of the resurrection of Jesus He shows that there is good reason to think Christianity is true As Craig says If you have a sound and persuasive case for Christianity you don't have to become an expert in comparative religions and Christian cults A positive justification of the Christian faith automatically overwhelms all competing world views lacking an equally strong case

What's That Noise? Theodore J. Sanborn, 2010-11 God spoke to Moses Paul and other spiritual giants of the Bible Does he also speak to each of us Is it possible that he's communicating to us but we don't recognize his voice New author Theodore John Sanborn addresses this theme in his inaugural book What's that Noise Listening for God in a Busy World Sanborn draws us into the topic with thoughtful questions regarding our beliefs and applies his own experiences to craft a compelling case for the reality of God's desire to converse with us Hear his story and consider how God might be trying to communicate with you

The Gentile Bible Joel L. Meredith, 2000-12-20 Gentiles are non Jews Christianity was originally a Jewish religious sect What is normally called THE HOLY BIBLE by contemporary Christians is comprised of the OLD and the NEW TESTAMENTS The Old Testament is a record of how God dealt with the Jews and their ancestors The New Testament is composed of four accounts of Jesus and his ministry the gospels an account of the Apostles ministries Acts various letters epistles and a long prophecy Revelation Some of the New Testament deals with Jewish doctrine or is particularly aimed at Jewish Christians But why would Gentile Christians need to be interested or involved with Jewish laws or customs Therefore Gentile Christianity would be less confusing and less restrictive if only there was a Bible just for Gentiles Therefore the Gentile Bible is confined to the New Testament Furthermore the New Testament portions that are particularly addressed to Jewish Christians are not included The result then is a Gentile Guide Book or a Gentile Holy Bible An additional benefit is that the four gospels are combined and the whole Gentile Bible is paraphrased KJV in modern English
