Preaching Through Luke James C. Goodloe IV, 2014-01-22 Luke wrote this Gospel so that you Theophilus may have certainty concerning the things you have been taught i e catechesis 1 4 It proceeds with a barrage of questions The first comes from Zechariah How shall I know 1 18 This is a question of knowledge The angel Gabriel answers that we shall know by the word of God 1 19 The second comes from Mary How will this be 1 34 This is a question of agency of how the Son of God can become human Gabriel answers that it will be by the power of God 1 35 The third comes from Elizabeth Why me 1 43 Why should the gospel of Jesus Christ come to her Mary answers that it has to do with God's choice election mercy and salvation 1 47 55 The fourth has to do with John What then will this child be 1 66 Zechariah answers that he will be a prophet 1 76 79 John is not the Christ but he will go before the Christ Thus begins the catechism according to Luke a series of questions in order that we may have certainty concerning the things we have been taught

Faith Comes by Hearing Christopher W. Morgan, Robert A. Peterson, 2009-09-20 What about those who have never heard The debate swirls and feelings run deep What is the fate of the unevangelized The traditional position that apart from an explicit faith in Jesus no one is saved seems to have fallen out of favor with many evangelicals Here is a passionate but irenic response to the arguments of those who believe that the unevangelized can or might be saved apart from knowledge of Jesus Christ Building on the insights of others nine scholars introduce readers even those with little background to the ongoing discussion Key questions Is general revelation sufficient Are other religions salvific Do holy pagans exist Must faith be explicit Is exclusivism unjust are probed and answered from a biblical theological and historical perspective The book's positive thrust is summed up by editors

Robert Peterson and Christopher Morgan God is passionately engaged in gathering people to know love and worship him from every tribe language people and nation And he has called us to join him on this mission **A Simple Guide to John**

Paul J. McCarren, SJ,2012-11-21 The Gospel writers state they aim to tell the story of Jesus in a clear manner but throughout Paul McCarren s years in ministry he has seen that these simple and important messages are too often missed In his Simple Guides to the Gospels series McCarren provides a new translation of each Gospel book leading readers chapter by chapter through the text Each section includes scripture and a brief engaging commentary about how readers can relate to the material The Simple Guides introduce readers to life in early Christianity describe points of controversy and show how each section fits with those that went before The Simple Guide to Matthew highlights many of Jesus compelling sayings stories such as the Sermon on the Mount and key themes of Jesus ministry such as trust The books in the Simple Guides to the Gospels series are available individually or together as a complete set **John Tells Us the Good News about Jesus**

John Williams, Jr.,2017-04-06 John s Gospel is different from the other three Gospels It does not describe many things that the Gospels of Matthew Mark and Luke do describe But it does include many things that are not in the other Gospels John tells us much more about who Jesus was John shows us Jesus as the Son of God the only person who can cause us to live John teaches us more about God s Spirit too **The Gospel of John**

Frederick Dale Bruner,2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers The Gospel of John A Commentary more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church s major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner s own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner s other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner s earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike **A New Beginning: John Hayes #3**

Mark David Abbott,2019-05-05 John Hayes is back A chance meeting with a fascinating woman has the potential to change John s life Could she be the one to bring him the happiness he lost after his wife was brutally murdered Will it be that easy Newly wealthy John Hayes is living an idyllic life in the exotic city of Bangkok He spends his days keeping fit exploring the city and enjoying the wonderful food

but he is lonely and when a beautiful woman walks into his life he thinks he has a chance to start afresh But with John life is never simple A penniless young girl desperate to start a new life a high flying foreign businessman with a murky past an alluring woman all come together to test John once again Should he get involved and potentially risk his life and the lives of others Or should he walk away and lose the woman he is growing to love

The Spirituality of Following Jesus in John's Gospel Sean Seongik Kim, 2017-10-12 Research on following Jesus has mostly been done in terms of what Jesus followers ought to do In this unprecedented study Kim presents following Jesus in John's Gospel through the perspective of what Jesus does for his followers Following Jesus is a journey towards the place where Jesus leads his followers that is to a relationship with the Father It is ultimately participating in the Son's communion with the Father Jesus who was in the bosom of the Father descended from him and ascends to him taking his followers with him so that they may be with him where he is with the Father in glory and love Kim develops this thesis by examining the term *akolouthein* to follow and correlated motifs in John's Gospel
