the Gospel of Luke The first section of the study establishes the nature of the text and the readers in this project exploring the Gospel of Luke as a narrative of Jesus birth life death and resurrection and then looking at the developmental traits of children as readers The next section offers a model account of how biblical scholars can investigate empirical readings of Scripture by describing the methods used to bring together one group of child readers and Luke The third section then analyzes the resulting multitude of interpretations that the children offered in their reading of the book concentrating on the key trends in their interpretive strategies It critiques the children s readings of Luke but it also points to some of the surprising and beneficial results of reading Luke using the interpretive strategies of a child *Bible Society record* ,1903

Appropriate Christianity Charles H. Kraft,2005-06-01 Appropriate Christianity consists of 28 chapters by 18 authors approaching contextualization in three dimensions truth allegiance and spiritual power Over the years there have been quite a number of helpful discussions of the contextualization of theological truth Though we have been helped greatly by them it

is high time we began to deal also with allegiance and spiritual power two additional dimensions that Jesus considered of great importance Any adequate and appropriate treatment of the contextualization of biblical Christianity needs to deal with all three of these crucial dimensions For allegiance to Christ is the basis for all we do that makes us Christian and Jesus was very much into spiritual power If we are to be truly biblical we must deal also with these areas This book is not a festschrift even though it is dedicated to Dr Dean S Gilliland who joined the faculty of Fuller s School of Intercultural Studies in 1977 and has since been developing an emphasis on teaching and research concerning contextualized theology This is a new textbook aimed at expanding our understanding of contextualization and better enabling us to effectively and appropriately communicate biblical Christianity

Who, Me? Yes, You! Roy Good, 2019-10-18 You have heard these stories over and over again But since we know the stories so well it may be hard for us to really put ourselves in the shoes of the story teller For instance what thoughts raced through Joseph s mind when he was hustled out of prison early one morning Certainly not that he was about to become Pharaoh s right hand man While these characters tell their stories as they may have happened in their time with some hopefully sanctified imagination added they are able to jump across the centuries to tell them to us in our time and setting So they may quote a song that is found in one of our hymn books Or we will hear Jonah tell his listeners to Fasten your seatbelts we re going for a ride These are real stories of real people and a few animals who faced real dilemmas and real temptations Sometimes they make wrong choices But God is able to show His strength in our weakness To turn our sorrow into joy He can accomplish His purposes in spite of our failures May God use these stories for our encouragement Hebrews 12:1-2 Sunday stories, ed. by H.
