Character Counts! A Life of Hyojeong Character Education Textbook ,2024-08-01 The various nations of the world approach character or moral education in different ways Unlike other nations England does not have a moral education curriculum It is through religious education and other courses in the curriculum that a moral life and moral habits are consistently emphasized In France education of children in the family is very strict and parents have near absolute authority The internalization of virtues and regulations is emphasized through French civic education and in the 3rd year of high school a course in philosophy is compulsory In the case of Germany character education is taught as religion a separate course that is part of the regular curriculum Ethics is also recognized as an alternative course Canada a nation with a vast territory and beautiful nature implements various social education programs that promote the healthy enjoyment of hobbies and that also act as character education In the cases of Scotland and Finland a regular course titled Ethics is used for character education and this course in ethics is given greater weight than courses in grammar English or mathematics

Journal of Character Education Jacques S. Benninga,Marvin W Berkowitz,2019-06-01 The Journal of Character Education is the only professional journal in education devoted to character education It is designed to cover the field from the latest research to applied best practices We include original research reports editorials and conceptual articles by the best minds in our field reviews of the latest books and other relevant strategies and manuscripts by educators that describe best practices in teaching and learning related to character education The Journal of Character Education has for over a decade been the sole scholarly journal focused on research theory measurement and practice of character education This issue

includes a Voices section highlighting the 2017 Character.org Sandy Award recipient along with four peer reviewed articles and a book review Journal of Character Education Marvin W Berkowitz, Jonathan M. Tirrell, 2023-12-01 The Journal of Character Education is the leading source of cutting edge knowledge about character education research theory practice and opinion We define character education broadly to encompass all educational approaches designed to nurture students knowledge motivation skills and behavior concerning all four aspects of character moral performance civic and intellectual The Journal publishes manuscripts that report research relevant to character education conceptual articles and book reviews that provide theoretical historical and philosophical perspectives on the field of character education as it is broadly defined above The Journal is also interested in practical articles about implementation and specific programs and informed opinion statements *The Philosophy of Physical Education* Steven Stolz, 2014-07-11 The discipline area of physical education has historically struggled for legitimacy sometimes being seen as a non serious pursuit in educational terms compared to other subjects within the school curriculum This book represents the first attempt in nearly thirty years to offer a coherent philosophical defence and conceptualisation of physical education and sport as subjects of educational value and to provide a philosophically sound justification for their inclusion in the curriculum The book argues that rather than relegating the body to un thinking learning a person s essential being is not confined to their rationality but involves an embodied dimension It traces the changing conceptions of the body in philosophy and theology that have influenced our understanding of physical education and sport and investigates the important role that embodiment and movement play in learning about through and in physical education Physical education is defended as a vital and necessary part of education because the whole person goes to school not just the mind but the thinking feeling and acting facets of a person It is argued that physical education has the potential to provide a multitude of experiences and opportunities for students to become aware of their embodiment explore alternative modes of awareness and to develop insights into and new modes of being not available elsewhere in the curriculum and to influence moral character through the support of a moral community that is committed to that practice Representing a sophisticated and spirited defence of the educational significance and philosophical value of physical education and sport this book will be fascinating reading for any advanced student or researcher with an interest in physical education the philosophy of sport or the philosophy of education **Addresses and Proceedings - National Education Association of the United States** National Education Association of the United States, 1918 Vols for 1866 70 include Proceedings of the American Normal School Association 1866 69 include Proceedings of the National Association of School Superintendents 1870 includes Addresses and journal of proceedings of the Central College Association **Proceedings of the Annual Meeting - National Education Association of the United States** National Education Association of the United States, 1918 *Moral Motivation Through the Life Span* Gustavo Carlo, Carolyn P. Edwards, 2005-01-01 Moral Motivation through the Life Span is the fifty first volume in the Nebraska Symposium on Motivation series the longest

continuously running symposium in the field of psychology This work focuses on moral development theory and research an area of academic study that began early in the twentieth century but has never before been addressed by the Symposium What is morality such theorists ask and what exactly makes a moral person The contributors to this volume are of diverse theoretical orientations and take different stances on a number of major themes What motivates moral behavior Are there certain universal moral values or are such values always subjective Does an individual's will or an individual's environment play a greater role in determining moral conduct What influence can we attribute to spirituality Finally the contributors explore the practical applications of their research on moral motivation What implications do such theories have for child rearing or our educational system How do we raise the next generation to be empathetic toward their fellow human beings
