

PRIORITIES

- list your assignments by due date, time needed, or any other topic
- Start with your #1 assignment; if you get tired, work on the other ones as a productive study break!

STUDYING: HOW-TOs, ADVICE, & TIPS

in a typical hour of studying...

- actual productive studying
- not studying but still productive
- study breaks (stretch, nap, etc)

What Worked for me

If there's a big assignment/exam, get started early! Don't wait until last minute. If you have questions, or don't understand something, email/ask your professor! It'll show that you care about the class and leave a good impression. Don't worry if you don't get something the first time you try it — some of my best essays took 5 drafts to get right!

Don't forget to reward yourself for doing things well!

math help: Wolfram Alpha
in general: Khan Academy, crash course (youtube), Sparknotes, etc.
you can always ask other people for help, too!

EXTRA RESOURCES!

Try to think of mistakes not as failures, but as chances to learn!

HOW TO CRAM

One word: don't. cramming will stress you out and doesn't help in the long run. Instead, start studying earlier

studying timeline

day 1: you learn what's going to be in the test

day 2: review your notes if you want, make some study guides!

day 3: look over notes!

2 days before test: look over your notes, textbook, and any other resources you can find

the night before: RELAX. read over your study guide before you go to sleep (try for 8 hrs!)

TEST DAY: you will do great! trust in your knowledge, and believe in yourself! you totally got this!!

Good Study Guide:

The Good Study Guide Andrew Northedge, 2005-01-01 Developing your learning skills is one of the best investments you can make. We all need to be lifelong learners now. Whether you are an experienced student or just starting out, this book will stimulate, guide, and support you. It will make you think about yourself and how your mind learns. And it will change forever the way that you study. Topics include: motivating yourself and managing your time, taking full advantage of your computer, reading with concentration and understanding, developing flexible note-taking strategies, getting the most from seminars and workshops, making presentations, researching online, handling numbers and charts with confidence, writing clear, well-argued assignments, doing yourself justice in exams. For more information, go to www.goodstudyguide.co.uk **The Good Study Guide** Andrew Northedge, 2005 *Arts Good Study Guide* Ellie Chambers, 2008 Revised and expanded to address the challenges of studying in a fast-changing world, the second edition of *The Arts Good Study Guide* shows students how to develop their key learning skills. *Study Guide for Psychology* Don H. Hockenbury, 2009-01-23 **The Arts Good Study Guide** Ellie Chambers, 1997 *Good Boundaries and Goodbyes* Lysa TerKeurst, 2022-11-08 Relationships are wonderful until they're not. Stop the dysfunction of unhealthy relationships and learn biblical ways to set boundaries and when necessary, say goodbye. Is it unloving or selfish to set a boundary with family members or friends? Are Christians ever called to walk away from a relationship that's no longer safe or sustainable? 1 New York Times bestselling author Lysa TerKeurst deeply understands these hard questions in the midst of relational struggles. After thousands of hours of counseling, intensives, and extensive theological research that transformed the way she defined healthy relationships, Lysa is now more committed than ever to loving people well without losing the best of who she is. In these pages, Lysa will help you understand the five factors to remember when implementing healthy boundaries, determine the appropriate amount of personal and emotional access someone has to you, stop being misled and emotionally paralyzed by wrongly interpreted or weaponized Bible verses that perpetuate unhealthy relationships, be equipped with effective boundary-setting tools such as realistic scripts and practical strategies for healthier communication, be empowered to say goodbye without guilt when a relationship has shifted from difficult to destructive, receive therapeutic wisdom you can trust directly from Lysa's Christian counselor Jim Cress, who weighs in throughout the book. You'll be relieved to learn that boundaries aren't just a good idea; they're a God idea. Look for additional biblically based resources and devotionals from Lysa. *Forgiving What You Can't Forget: It's Not Supposed to Be This Way: Uninvited You're Going to Make It Embraced: Seeing Beautiful Again* **Studying at a Distance: a Guide for Students** Christine Talbot, 2016-03-16 This authoritative book has supported thousands of distance learners, providing accessible support and friendly advice for their studies.
