"William Reid Dick, Sculptor " Dennis Wardleworth,2017-07-05 William Reid Dick 1878 1961 was one of a generation of British sculptors air brushed out of art history by the Modernist critics of the late twentieth century This long overdue monograph adds to the recent revival of interest in this group of forgotten sculptors by describing the life and work of arguably the leading figure of the group in unprecedented depth The facts of Reid Dick s life and his most important works are presented against a backdrop of the historical social and aesthetic changes taking place during his lifetime Dennis Wardleworth elucidates why Reid Dick s reputation plummeted so quickly and why his position in the history of British art deserves to be restored This study draws upon a wealth of previously unpublished material including over 2000 letters and press cuttings and photographs in the Tate Archive as well as letters and photographs held by Reid Dick s family It traces the sculptor s story from his birth in the Gorbals in Glasgow to his election to the Royal Academy and knighting by George V to the decline of his career and his late life connection with American millionaire and art collector Huntington Hartford The first monograph on Reid Dick since 1945 the book also includes images of over 40 of his works and a listing of over 200 works identified by the author
