top five scorers in the NHL No one has come close to scoring 100 points after the age of forty It seems impossible that anyone will ever again play for Team Canada against the Russians while sharing the ice with his two sons What seems even less likely is that another player will suit up as a professional hockey player in six different decades Still Howe did not inspire generations of hockey players only by rewriting the record books or by getting his name engraved on the league's more coveted trophies When fans and players talk about Gordie Howe it's not so much the player they revere as the man Despite Howe's unyielding ferocity on the ice his name has long been a byword for decency generosity and honesty off it Even those who were too young to see him play know him as a person of his word and a family man Going back to Howe's Depression era roots and following him through his Hall of Fame career his enduring marriage to Colleen his extraordinary relationship with his children and into the present Mr Hockey is the definitive account of the game's most incredible legacy **Hound Town** Dr. Frank S. Sarlo, 2016-11-01 Winning is about more than putting the puck in the net A team needs to work hard every day both on and off the ice to create the strength and determination required to make a run at victory It also takes a community of people dedicated to helping in any way they can The Soo Greyhounds have become one of the most dynamic successful and exciting teams playing hockey in North America but they didn't get there alone In Sault Ste Marie it takes a village to raise a hockey team Player profiles include some of the Greyhounds alumni such as Wayne Gretzky Ron Francis Joe Thornton Paul Coffey Adam Foote John Vanbiesbrouck and Craig Hartsburg as they pursued their hockey and other dreams Hound Town looks at the relationship between a team and its community as the franchise heads into its forty fifth season It also demystifies the operations of a hockey franchise in the OHL by providing accurate information to assist players parents advisors and fans Through player profiles highlights and struggles from each season and a look behind the scenes at the amazing people who provide support it shows that the Soo Greyhounds are an integral part of Sault Ste Marie and truly the community's team From the team's first season in 1972 to the shifting trends in today's game the book provides an insider's perspective on a seminal OHL hockey club and what it takes to make Sault Ste Marie one of the best hockey towns anywhere
