**The Gospel of Jesus** ,2019-05-16 Do you or someone you know struggle with reading or understanding the New Testament Do chapters and verses boggle your reading experience Is it confusing reading four different versions of the same event or finding an event recorded in only two books one in depth while the other barely mentions it Did you know that when they came to arrest Jesus the guards fell backwards to the ground when Jesus answered them Did you know that it was Peter who cut off the high priest s servant s ear and that the servant s name was Malchus or that Jesus healed his ear These details are not in each of the four gospels Many people do not see the complete event only portions The Gospel of Jesus reads as one book one story The four gospels of Matthew Mark Luke and John have been incorporated into one complete and comprehensive story of the Life of Christ and His gospel of the coming Kingdom of God The first part of the book of Acts is included in The Gospel of Jesus since it concerns immediate events after the Resurrection and Ascension of Jesus Gain a full perspective of the New Testament Gospel of Jesus Christ Unique because there are no chapter or verse divisions allowing for an easier read and flow of context Plus pronouns and some words have been modernized thee to you doth to does saith to said giveth to gives etc and some sentence structure changed but not the words Young or old beginner or well seasoned reader The Gospel of Jesus will give you a fuller experience of the events surrounding the time Jesus spent on Earth The Gospel of Jesus is Volume One in a series of books titled Book by Book Volume Two when published will contain the Letters written in the New Testament following the same guidelines Volume Three will be the completion of Acts and the book of Revelation as they are different from the Letters or the Four Gospels Give it to a friend student or give it to yourself *The Gospel According to Saint Matthew (Mark, Luke, John). (Bijou Edition.).* ,1905 The Gospel of Jesus Harold Lerch,2025-02-27 The four Gospels tell the story of Jesus as revealed to in the scriptures None of the Gospels tell the complete story so we have painstakingly shuffled them together to tell every story We have endeavored to assemble the stories in sequence but dates are generally not given in the accounts All four Gospels are united in their story and point to the importance of Christ s mission on earth He came as a baby the son of a man He is also the son of God a deity He gave testimony on earth about His Father God He was rejected as prophesied He suffered and died on the cross He was resurrected from the grave and He ascended into Heaven In death he became the sacrificial lamb so that God s Grace can save us

The Gospel According to Mark James R. Edwards, 2002 This new Pillar volume offers exceptional commentary on Mark that clearly shows the second Gospel though it was a product of the earliest Christian community to be both relevant and sorely needed in today's church Written by a biblical scholar who has devoted thirty years to the study of the second Gospel this commentary aims primarily to interpret the Gospel of Mark according to its theological intentions and purposes especially as they relate to the life and ministry of Jesus and the call to faith and discipleship Unique features of James Edwards's approach include clear descriptions of key terms used by Mark and revealing discussion of the Gospel's literary features including Mark's use of the sandwich technique and of imagistic motifs and irony Edwards also proposes a new paradigm for interpreting the difficult Little Apocalypse of chapter 13 and he argues for a new understanding of Mark's controversial ending      **Expository thoughts on the Gospel of st.
