Confidently recommended reading *The View from the Grass Roots* is filled from cover to cover with keen insights profound thoughts and a deep and diverse understanding of the human condition Midwest Book Review Rummo is uniquely qualified It is clear from the quality of his writing that he has been at this for quite a while Plenty of exercise for the mind and soul Willard Samuel Adjunct Scholar at Frontiers of Freedom Greg Rummo is a great writer and a great human being facts that shine like precious stones in his prolific output I have trouble not hating him for his talent and energy Joe Klock Sr Author and Syndicated Columnist Greg Rummo is one of my heroes His book masterfully gives a cohesive view of liberal politics and biased media and the impact they have on the American culture And he does it with engaging evidence Thomas Ciesielka TC Public Relations By approaching the latest public issues from the angle of religion informed by Christianity Gregory Rummo offers an attractive corrective to the assumptions often underlying coverage of stories in mainstream print media His unashamed point of view can be infuriating for example to state his case he often sets up so called liberals as targets then dismantles them by his arguments it is a facile device But there is much merit to what he says And he is never mean Which is high praise indeed Charles Saydah Letters to the Editor The Record      **Biographical Dictionary of Christian Missions** Gerald H. Anderson, 1999 The book also features cross references throughout a bibliography accompanying each entry an elaborate appendix listing biographies according to particular categories of interest and a comprehensive index BOOK JACKET      The View from the Grass Roots Gregory J. Rummo, 2002 *The View from the Grass Roots* is an anthology of 192 columns written over the last decade by award winning New Jersey opinion columnist Gregory J Rummo Writing for a number of newspapers Rummo s columns cover a broad range of topics examining each issue with a fresh down to earth perspective Whether writing about family life or the demise of America s Judeo Christian heritage he is blunt and to the point You will never have any doubt where he stands on an issue His opinion columns appear in a number of newspapers including The Daily Record The Weekly News The Herald News and The New Jersey Herald His column An Evangelical View appears regularly in The Record of Hackensack      Music and Power in Early Modern Spain Timothy M. Foster, 2021-11-29 This book explores the representation of music in early modern Spanish literature and reveals how music was understood within the framework of the Harmony of the Spheres emanating from cosmic harmony as directed by the creator The Harmony of Spheres was not ideologically neutral but rather tied to the earthly power structures of the Church Crown and nobility Music could be true taking the listener closer to the divine or false leading the listener astray As such music was increasingly seen as a potent weapon to be wielded in service of earthly centers of power which can be observed in works such as vihuela songbooks the colonial chronicle of the Inca Garcilaso de la Vega and in the palace theater of Pedro Calder n de la Barca

While music could be a powerful metaphor mapping onto ideological currents of imperial Spain this volume shows that it also became a contested site where diverse stakeholders challenged the Harmonic Spheres of Influence Music and Power in Early Modern Spain is a useful tool for upper level undergraduates postgraduates and scholars interested in musicology music history Spanish literature cultural studies and transatlantic studies in the early modern period *Daughters of the Church* Ruth Tucker, Walter L. Liefeld, 1987 *Daughters of the church* is a fascinating account of women in the two thousand year span of church history that includes an exegetical study of relevant Scripture passages **The Seminal Gospel** George Kimmich Beach, 2013-05-17 All that we know of Jesus and his original message is derived from a few ancient texts among which the Gospel According to Mark is particularly fascinating and often perplexing Mark the shortest of the four Gospels of the New Testament came first and planted the seeds of thought from which the Christian tradition has grown We gain insight into the Gospel as we begin to let go of assumptions rooted in long familiarity The Seminal Gospel is an exploration of Mark and an extended personal reflection on what his telling of the story of Jesus can mean to us today It reproduces the King James Version of Mark's text in forty chapters providing commentary that is explanatory and insightful It draws broadly on the author's literary historical and theological interests **Christian Advocate and Journal and Zion's Herald**, 1903 **The Christian Advocate**, 1902 **The Record**, 1871 **Simple Church** Eric Carpenter, 2014-12-01 What is simple church This is a simple question that doesn't have a simple answer Simple Church Unity Within Diversity is an attempt to shed light on the above question and provide some answers The twenty four contributors all hope this book will help people both inside and outside the church better understand what simple church life is all about Far too often discussions about the church descend into arguments that accomplish little We have no desire to take part in that Rather each person who has written a chapter for this book desires that it will lead to increased communication understanding and ultimately unity within the body of Christ Twenty four writers means twenty four somewhat different perspectives We certainly do not agree on everything You will see that as you read through the book What we do agree upon is that simple practices often lead to great opportunities for edification and service both inside and outside the church We want to share these ideas with other followers of Christ and explain what it is all about If you would like to know more about simple church from a positive perspective then this is the book for you **Woman's Work**, 1910 **The New International Year Book**, 1929 The New International Year Book Frank Moore Colby, Allen Leon Churchill, Herbert Treadwell Wade, Frank H. Vizetelly, 1929 *For the Gospel's Sake* Boone Aldridge, 2018-04-12 Informed take on the amazing growth of a very unusual missionary organization The two sided mission organization comprising Wycliffe Bible Translators and the Summer Institute of Linguistics is a paradox that begs for an explanation The Summer Institute has long been doing laudable linguistic humanitarian work in many countries while Wycliffe has been one of the largest fastest growing and most controversial Christian missionary enterprises in the world In this wide ranging study Boone Aldridge a religious historian and twenty year

insider at WBT SIL looks back at the organization's early years from its inception in the 1930s to the death of its visionary founder William Cameron Townsend in 1982. He situates the iconic institution within the evolving landscape of mid twentieth century evangelicalism, examines its complex and occasionally confusing policies, and investigates the factors that led despite persistent criticism from many sides to its remarkable rise to prominence. *The Bible in the World*, 1905.
