Gospel Of Truth:

The Gospel of Truth Mark Mattison, 2018-09-24 As they began to organize their communities of faith early followers of Jesus struggled to understand and preserve his legacy They wrote various Gospels and debated which ones should guide their lives and spiritual practices Late in the second century one bishop sharply criticized the poetic Gospel of Truth which was subsequently lost to history However two fourth century Egyptian translations were discovered in 1945 This sublime Gospel describes a loving and merciful God who calls us all to return through the Way and find joyful rest in paradise Was this Gospel written by the eloquent teacher Valentinus Were Valentinus and his followers really heretics as some charged or rather faithful mystics who were simply misunderstood Explore these questions and more in the pages of this new contemporary translation of the mystical Gospel of Truth

Gospel Truth Russell Shorto, 2012-09-04 Russell Shorto meticulously investigates Christian history and the Bible's New Testament to reveal the true historical Jesus Christ For roughly two thousand years the world has known only the biblical depiction of Jesus the virgin birth miraculous life and resurrection Recently scholars have pursued the historical Jesus Christ by poring through texts examining ancient documents and even holding votes They make a fresh attempt to answer some of history's greatest questions Who was he Where did he live What did he think And was the Bible's account true In *Gospel Truth* bestselling author Russell Shorto The Island at the Center of the World brings a journalist's eye to the life of Jesus Christ Shorto looks into the Jesus Seminar where historians seek and analyze evidence of the world's most famous carpenter's son He compiles their research and ideas to create a composite biographical portrait of Yeshu a man of ordinary beginnings who changed the world in extraordinary ways A skillfully compiled biblical interpretation Shorto shows a Jesus stripped of the unhistorical Library Journal The result will fascinate believers and nonbelievers alike

The Gospel Truth Patrick T. Rhoads, 2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am

The Gospel Truth Mitch Finley, 2015-06-09 How can a Christian live authentically

Ligteringen, 2014-12-02 In the accounts of the early church and in the letters of the apostles to the beloved brethren time and again there are references to people who systematically thwarted the apostles' efforts to preach the pure gospel message As Christians we are often challenged about our beliefs This work will release Christians who are trapped by misconceptions and who may be bound by false teaching Such people will be liberated from the shackles of the mind which hold them back from the full appreciation of the Spirit of God's power in their lives This book will also serve to clarify questions of non-Christians who are curious about the conflicting ideas from groups who purport to be Christian but who cannot agree Finally and most powerfully this book will free people to embrace the gospel and to bask in the gift of God eternal life through Jesus Christ our Lord and Saviour **Christ in the Gospels** James Piper Cadman, 1886
