Mortal Ruin

TWO CRIME STORIES IN ONE

Gothic Pursuit

William Hughes

Gothic Pursuit:

In Pursuit of Beauty Metropolitan Museum of Art (New York, N.Y.),1986 This project is the first comprehensive study of a phenomenon that not only dominated the American arts of the 1870s and 1880s but also helped set the course of such later developments in the United States as the Arts and Crafts movement the indigenous interpretation of Art Nouveau and even the rise of modernism In fact the early history of the Metropolitan its founding its sponsorship of a school of industrial design and its display of decorative works is inextricably tied to the Aesthetic movement and its educational goals In Pursuit of Beauty Americans and the Aesthetic Movement comprised some 175 objects including furniture metalwork stained glass ceramics textiles wallpaper painting and sculpture Some of these had rarely been displayed others although familiar were being shown in new and even startling contexts The exhibition and catalogue are arranged thematically to illustrate both the major styles of a visually rich movement and the ideas that generated its diversity From publisher s description *Ancient Wars c.2500BCE-500CE* Professor Dennis Showalter,2013-09-16 The Ancient Wars c 2500BCE 500CE in the Encyclopedia of Warfare Series shows the conflicts that raged for two millennia as the first governments emerged and states began to develop Starting with the earliest battles known to history this is a chronological guide to conflict on every continent from the Macedonian Empire to the fall of Rome

Religion, Toleration, and British Writing, 1790-1830 Mark Canuel,2002-10-17 In Religion Toleration and British Writing 1790 1830 Mark Canuel examines the way that Romantic poets novelists and political writers criticized the traditional grounding of British political unity in religious conformity Canuel shows how a wide range of writers including Jeremy Bentham Ann Radcliffe Maria Edgeworth and Lord Byron not only undermined the validity of religion in the British state but also imagined a new tolerant and more organized mode of social inclusion To argue against the authority of religion Canuel claims was to argue for a thoroughly revised form of tolerant yet highly organized government in other words a mode of political authority that provided unprecedented levels of inclusion and protection Canuel argues that these writers saw their works as political and literary commentaries on the extent and limits of religious toleration His study throws light on political history as well as the literature of the Romantic period *Les Vestiges Du Gothique* Catherine Lanone,2004

Justinian G. P. Baker,2002-04-15 Justinian 482 565 A D who ruled the Roman Empire from his capital in Constantinople was along with his wife Empress Theodora one of the most scandalous monarchs in history During his reign Justinian oversaw the construction of the Hagia Sophia one of the wonders of the ancient world and he strove to maintain Rome s territories Yet despite the heights reached under his rule the time was one of revolts intrigues and brutality to his subjects Baker s biography takes a redemptive view of Justinian and his wife both of whom were vilified by the chronicler Procopius he for his despotism and she for her endless sexual escapades Baker points out that Justinian also codified Roman law and brought other modern solutions to the problems that had plagued his empire for years Baker also describes the battles of Justinian s famous general Belisarius who waged successful wars against the Vandals Goths and

Persians on behalf of his emperor **Belisarius** Ian Hughes,2009-01-15 A military history of the campaigns of Flavius Belisarius the greatest general of the Eastern Roman Byzantine Emperor Justinian Back in the 6th century Belisarius twice defeated the Persians and reconquered North Africa from the Vandals in a single year at the age of 29 before going on to regain Spain and Italy including Rome briefly from the barbarians This book discusses the evolution from classical Roman to Byzantine armies and systems of warfare as well as those of their chief enemies the Persians Goths and Vandals Belisarius The Last Roman General reassesses Belisarius s generalship and compares him with the likes of Caesar Alexander and Hannibal It is also illustrated with line drawings and battle plans as well as photographs Az Murder Goes...Artful Barbara G Peters,Susan Lea Malling,2010-01-31 Raymond Chandler called it The Simple Art of Murder but It never has been simple to write mysteries This volume explores the crimes in novels that are rooted in the worlds of art architecture and antiquities

The Palgrave Handbook on the Philosophy of Friedrich Schiller Antonino Falduto,Tim Mehigan,2023-01-01 Friedrich Schiller is justly celebrated for his dramas and poetry Yet above all he was a polymath whose writings enriched a range of fields including history and philosophy Until now no comprehensive accounting of this philosophy has been undertaken The Palgrave Handbook on the Philosophy of Friedrich Schiller makes good this desideratum treating Schiller s poetry prose and dramatic work alongside his philosophical writings and reviewing his thought not only in connection with those who influenced him such as Kant Reinhold and Fichte but also those he anticipated such as Hegel Marx and the Neo Kantians Topics treated in this volume include Schiller s philosophical background his theoretical writings Schiller s philosophical writing in light of his entire oeuvre and Schiller s philosophical legacy The Handbook also includes an overview of the main topics Schiller addressed in his philosophical writings including philosophical anthropology aesthetics moral philosophy politics and political theory the philosophy of history and the philosophy of education Bringing together the latest research on Schiller and his thought by leading scholars in the field the Handbook draws attention to Schiller s undiminished importance for philosophical debates today Sequels Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series *Post-Millennial Gothic* Catherine Spooner,2017-02-23 Surveying the widespread appropriations of the Gothic in contemporary literature and culture Post Millennial Gothic shows contemporary Gothic is often romantic funny and celebratory Reading a wide range of popular texts from Stephenie Meyer s Twilight series through Tim Burton s Gothic film adaptations of Sweeney Todd Alice in Wonderland and Dark Shadows to the appearance of Gothic in fashion advertising and television Catherine Spooner argues that conventional academic and media accounts of Gothic culture have overlooked this celebratory strain of Happy Gothic Identifying a shift in subcultural sensibilities following media coverage of the Columbine shootings Spooner suggests that changing perceptions of Goth subculture have shaped the development of 21st century Gothic Reading these contemporary trends back into their sources Spooner also explores how they serve to highlight

previously neglected strands of comedy and romance in earlier Gothic literature **New Critical Essays on H.P.**

Lovecraft D. Simmons,2013-07-03 The last ten years have witnessed a renewed interest in H P Lovecraft in academic and scholarly circles **New Critical Essays on H P Lovecraft** seeks to offer an expansive and considered account of a fascinating yet challenging writer both popular and critically valid but also problematic in terms of his depictions of race gender and class

The Cambridge Companion to Crime Fiction Martin Priestman,2003-11-06 This Companion covers British and American crime fiction from the eighteenth century to the end of the twentieth As well as discussing the detective fiction of writers like Arthur Conan Doyle Agatha Christie and Raymond Chandler it considers other kinds of fiction where crime plays a substantial part such as the thriller and spy fiction It also includes chapters on the treatment of crime in the eighteenth century literature French and Victorian fiction women and black detectives crime on film and TV police fiction and postmodernist uses of the detective form **Re-examining Arthur Conan Doyle** Nils Claussen,2021-08-25 This collection

re examines the works and life of Arthur Conan Doyle from multiple disciplinary perspectives It proposes new ways of studying Conan Doyle and considers overlooked or neglected aspects of his oeuvre offering fresh perspectives on the multiple genres of his fiction and his relationship to contemporary writers and movements **The Necronomicon Files** Daniel

Harms,John Wisdom Gonce,2003-07-01 Occult scholars explore how H P Lovecraft s fictional book of magic became a cultural phenomenon and real life legend in this revised and expanded volume What if a book existed that revealed the answers to all of life s mysteries For those who believe in it The Necronomicon is exactly that an eighth century occult text of immense power In fact The Necronomicon is a creation of science fiction writer H P Lovecraft who referred to the work in a number of stories and gave weight to its legend by inventing its own elaborate history In The Necronomicon Files two occult authorities explore all aspects of The Necronomicon from its first appearance in Lovecraft s fiction to its ongoing pervasive appearance in cult and occult circles The authors show how Lovecraft s literary circle added to the book s legend by referring to it in their own writing As people became convinced of the book s existence references to it in literature and film continue to grow This revised and expanded edition also examines the lengths people have undergone to find the Necronomicon and the cottage industry that has arisen in response to the continuing demand for a book that does not exist

The Necronomicon Files illuminates the transformations of a modern myth exposing a literary hoax while celebrating the romance of Necronomicon lore **The Imperial Army Project** Douglas E. Delaney,2018-01-25 How did British authorities manage to secure the commitment of large dominion and Indian armies that could plan fight shoot communicate and sustain themselves in concert with the British Army and with each other during the era of the two world wars What did the British want from the dominion and Indian armies and how did they go about trying to get it Douglas E Delaney seeks to answer these questions to understand whether the imperial army project was successful Answering these questions requires a long term perspective one that begins with efforts to fix the armies of the British Empire in the aftermath of their desultory

performance in South Africa 1899 1903 and follows through to the high point of imperial military cooperation during the Second World War Based on multi archival research conducted in six different countries on four continents Delaney argues that the military compatibility of the British Empire armies was the product of a deliberate and enduring imperial army project one that aimed at standardizing and piecing together the armies of the empire while at the same time accommodating the burgeoning autonomy of the dominions and even India At its core this book is really about how a military coalition worked

The Gothic War Torsten Cumberland Jacobsen,2009 This title provides readers with a wealth of information on every aspect of the Gothic War from famous battles and military leaders to a fascinating history of the Ostrogoth tribe

The Ecogothic Werewolf in Literature Kaja Franck,2025-08-21 Using an Ecogothic lens this book offers a new conceptual framework for the werewolf in literature recasting the lycanthrope as an emblem for society s fear of untamed wilderness Tracing lycanthropy from a place of liminality to hybridity and to myriad and complex subjectivities The Ecogothic Werewolf in Literature reassesses the Gothic werewolf to show how the relationship between humans and wolves has influenced its representation in literature Starting with Dracula and tracing lycanthropic imaginings through natural histories folk and fairy tales to contemporary iterations in the works of Maggie Stiefvater Whitley Strieber and Glen Duncan Kaja Franck reconsiders the trope of the beast within in the werewolf canon From early conservationist Aldo Leopold s awakening regarding the death of wolves to George Monbiot s call to rewild tensions around humanity s responsibility to the natural world have emerged in lycanthropic literature A challenge to previous anthropocentric analysis of Gothic horror s stock monster Franck considers the changing attitude towards wolves alongside the growing environmentalism movement and reclaims the wolf from the figure of the werewolf

Historical Dictionary of Gothic Literature William

Hughes,2012-12-19 Literary fashions come and go but some hang around longer than others like Gothic literature which has existed ever since The Castle of Otranto in 1764 During this long while it has spread from England to the rest of Great Britain and across to the continent and off to America and Australia filling in the gaps more recently Most of it is in English but hardly all and it has adopted all styles from romanticism to modernism to postmodernism and even adjusted to feminist and queer literature and science fiction We have all read some Gothic tales or if not read then seen them in the cinema since they adapt well to film treatment and it would be hard to find anyone who has not heard of ghosts and vampires let alone Count Dracula and Frankenstein On the other hand some of us are inveterate Gothic fans reading one book or story after the other The Historical Dictionary of Gothic Literature follows this long and winding path first in an extensive chronology and then a useful introduction which explains the nature of Gothic and shows how it has evolved Obviously the dictionary section has entries on major writers and some of the best known works but also on geographical variants like Irish Scottish or Russian Gothic and Female Gothic Queer Gothic and Science Fiction This is provided in over 200 often substantial and always intriguing entries More can be found in a detailed bibliography including general works but also more specialized ones on

different styles and genres and also specific authors This book should certainly interest the fans but also more serious researchers

The Double in Nineteenth-Century Fiction J. Herdman, 1990-06-29 Duality and the divided mind have been a source of perennial fascination for literary artists and especially for novelists and this is particularly true of the Romantic generation and their later nineteenth century heirs This book deals with the double or Doppelgänger as a dominant theme in the fiction of the period and with its relation to the problem of evil It suggests that the literary double flourished best when psychological and religious understandings of human dividedness were in harmony and declined when they began to grow apart Writers analysed include E T A Hoffmann James Hogg Poe Dostoevsky and Stevenson the final chapter relates the theme to the psychology of Jung

Cassino to the Alps Ernest F. Fisher, 1977

Decoding **Gothic Pursuit**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Gothic Pursuit**," a mesmerizing literary creation penned with a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
