All too often well-meaning readers buy these books with every intention of absorbing all the bits of wisdom inside. Unfortunately, many don't have time to really study such books, let alone extract basic daily living guidelines. Tom Massey has written a simple book, *The ABC's of Successful Living*, that cuts to the chase. It is an easy read. In relatively few pages, it covers a broad spectrum of practical advice and affirmations for improving your life, for transforming your perspectives on living and being. Use only part of this book, and you'll find yourself entering a new level of conscious awareness; use it all, and you'll learn that the true secrets of life and universal knowing are essentially simple. This is a very simple book with the power to change your life. It's just that simple.

Taming Your Inner Brat Pauline Wallin, 2012-06-12 I can't believe I did that. What was I thinking? We've all got one: an inner brat that compels us to grab one more cookie or throw a hissy fit over a minor irritation. This inner brat can wreak havoc at work, in relationships, and with our self-esteem. With humor and kindness, *Taming Your Inner Brat* gives you specific strategies to bring your attitudes and bratty behaviors under control. You can learn to deal with any situation in a productive, adult manner. By teaching you how to recognize your inner brat, psychologist Pauline Wallin, Ph.D., helps you bring problems into manageable perspective and make changes that last. Which leaves just one question answered in this new edition: Now that I've tamed my own inner brat, what do I do about people who haven't tamed theirs?
